## Letter to Families

Dear Families,

It is with great excitement that I welcome each and every student and family to Great Hearts Lakeside. I am grateful that you have chosen to join us as founding families in the journey to educate your scholars in the liberal arts tradition, and to give your students the privilege of participating in a rigorous curriculum that is infused with the study of virtue. It is my desire that your students have the opportunity, not only to excel in academics, but also to develop as young men and women of character throughout their time at Great Hearts.

As you begin or continue your journey here at Great Hearts Lakeside, we ask that you join in enthusiastically as a part of our parent community, and our growing Lakeside family. I sincerely believe that the bonds that we build together as a community of learners, and as supporters of the philosophy of a classical, liberal arts education, will help our students grow into lifelong learners who continue to immerse themselves in classical tradition. Then they will become individuals who desire truth, pursue justice, love beauty, and whose souls are continually renewed by goodness.

Warmest regards,

Mandi A. Cannon  
Headmaster  
Great Hearts Lakeside

## **Our Mission**

---

The mission of Great Hearts Lakeside is to cultivate the minds and hearts of students through the pursuit of truth, goodness, and beauty.

The Academy graduate has a foundation in the liberal arts of grammar and rhetoric, logic and mathematics, history, natural science, and philosophy. The graduate has also practiced the fine arts of music, poetry, drawing and painting, and drama. The graduate is thus prepared for every career, every course of advanced or specialized study, and every kind of leisure. In short, the Academy graduate is ready to live the lifetime of learning that is possible for a human being.

The Academy will fulfill its mission by the following means:

- Service to a rigorous, core liberal arts curriculum in the Western tradition that is the same for all students
- Small class size
- Dedicated, enthusiastic, and intellectually excellent teachers who serve as models of learning and of character
- Detailed student evaluation, with an emphasis upon written, narrative evaluation of learning rather than upon grades and percentages
- Regular and meaningful homework assignments
- High standards of personal conduct and comportment for students

Though the curriculum is rigorous, and expectations of students are high, the Academy is not a school only for the best and the brightest. We provide an environment that allows every student who is curious and diligent the opportunity to fulfill his or her potential.

## **Our Charter, Accreditation, and Affiliations**

Great Hearts Lakeside is a campus of Great Hearts Texas, the holder of an open-enrollment charter issued by the State of Texas and a 501(c)(3) organization.

Great Hearts Texas supports its schools with curriculum, data management, faculty orientation and professional development, human resources services, business management (such as accounting), special education services, and the development of funding and facility opportunities.

Great Hearts Texas is a subsidiary corporation of Great Hearts Academies, a non-profit charter management organization. Great Hearts Academies supports its member schools with curriculum, data management, faculty orientation and professional development, human resources services, business management (such as accounting), special education services, and the development of funding and facility opportunities. In 2020-21, Great Hearts operates 22 classical, liberal arts schools in Phoenix, Arizona, six in San Antonio, Texas and two in North Texas.

## **Parent Involvement**

---

The primary way that parents are involved in the school is by supporting their child in his or her journey through the Academy. Parents will want to have an established plan for listening to and then encouraging their students when they are working hard. Likewise, parents may want to communicate frequently with their son's or daughter's teachers, so the parents can develop an understanding of the Academy's expectations of how preparatory-level, liberal arts studies form habits of learning. Also, parents should contact the teachers to share important information on how their child approaches the curriculum at home and if he or she is experiencing difficulty. Academy students invest a great deal in their education, and thus teachers and parents should be unanimous in their support of the students and one another.

The teachers of the Academy are honored by the great trust that parents have placed in them. This trust between the parents and the school must be maintained not only by ongoing communication, but by a mutual understanding of the "big picture": what an Academy education will offer young people in the long run. It can be difficult for both young people and adults to maintain a focus on the long-term benefits that a liberal education offers. Likewise, students, especially younger students, may not fully sense the extent of their own intellectual and moral growth over time. When students are applying themselves on a particular part of their journey, they will look to their parents and their teachers for a reaffirmation that their investment is yielding positive gains. As such, mutual trust between parents and teachers is essential to convincing students that we have an achievable plan in place for them that is also in their best interest.

### **Material Support of the Academy: Time, Treasure, and Talent**

The Academy provides an outstanding educational offering unprecedented in the public arena. The Academy is a state-funded public school, but the state funding formula does not provide for all of our needs in terms of providing a truly outstanding education. To meet these needs and to build a strong Community of Learners, the Academy counts on the support of its parents through stewardship of time, talent, and treasure.

#### **Time:**

Volunteerism is strongly encouraged. Without this practical manifestation of your belief in the value and quality of our school, we could not exist. Each parent should consider volunteering regularly to assist on campus and through membership in the Parent Service Organization. (See below.)

#### **Talent:**

The Academy will benefit greatly from the unique talents of its community. Whether through volunteer time spent on campus, or by contributing your professional expertise, your talents are a vital addition to the success of our school.

#### **Treasure:**

The Academy welcomes and encourages financial support from families at a level their budget allows through donations and fundraising. The Academy is a non-profit, 501(c) 3 corporation; as such, donations may be tax-deductible.

### **Parent Service Organization**

The Parent Service Organization is a service organization within the Academy. All parents and guardians of students at the Academy are members of the Parent Service Organization. The purpose of the Parent Service Organization is to serve the school's students and teachers through coordinating and assisting programs and activities that are critical to their success. Involvement in the Parent Service Organization is structured according to service committees, with each committee devoted to a specific area of school life. At the beginning of each school year, Great Hearts will host a meeting for the PSO. At that meeting, individuals who are interested can sign up for different volunteer opportunities.

### **Fingerprinting**

Great Hearts Lakeside has a policy that school volunteers who work alone with students shall be fingerprinted and have a criminal background check conducted by the Texas Department of Public Safety and the FBI. Great Hearts will contact all volunteers that are selected to assist with duties that require fingerprinting. Volunteers assisting in the school office in the presence of school employees are not required to be fingerprinted. In special cases, office volunteers may be asked to sign a FERPA confidentiality agreement in order to assist with student files.

### **Surveys and Activities**

Students will not be required to participate without parental consent in any survey, analysis, or evaluation – funded in whole or in part by the U.S. Department of Education – that concerns:

1. Political affiliations or beliefs of the student or the student's parent(s).
2. Mental or psychological problems of the student or the student's family.
3. Sexual behavior or attitudes.
4. Illegal, antisocial, self-incriminating or demeaning behavior.
5. Critical appraisals of individuals with whom the student has a close family relationship.
6. Relationships privileged under law, such as relationships with lawyers, physicians and ministers.
7. Religious practices, affiliations, or beliefs of the student or parents.
8. Income, except when the information is required by law and will be used to determine the
9. Student's eligibility to participate in a special program or to receive financial assistance under such a program.

Parents will be able to inspect the survey or other instrument and any instructional materials used in connection with such a survey, analysis or evaluation.

### **“Opting Out” of Surveys and Activities**

Parents have a right to receive notice of and deny permission for their child's participation in:

1. Any survey concerning the private information listed above, regardless of funding.
2. School activities involving the collection, disclosure, or use of personal information gathered from your child for the purpose of marketing or selling that information.
3. Any non-emergency, invasive physical examination or screening required as a condition of
4. Attendance administered and scheduled by The Academy in advance and not necessary to protect the immediate health and safety of the student. Exceptions are hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under state law.

### **Accommodations for Children of Military Families**

Children of military families will be provided flexibility regarding certain The Academy requirements, including:

- Immunization requirements;
- Grade level, course, or educational program placement;
- Eligibility requirements for participating in extracurricular activities; and
- Graduation requirements.

In addition, absences related to a student visiting with his or her parent, including a stepparent or legal guardian, who has been called to active duty for, is on leave from, or is returning from a deployment of at least four months will be excused by the school. The Academy will permit no more than five excused absences per year for this purpose. For the absence to be excused, the absence must occur no earlier than the 60th day before deployment or no later than the 30th day after the parent's return from deployment.

## **Biological Sex and Gender Policy**

Great Hearts is responsible for ensuring the safety of all students during the school day and during school activities. This includes providing for the physical privacy rights of students. Great Hearts is further responsible for maintaining order, decorum and discipline during school. Great Hearts is further responsible for ensuring the educational environment is free from disruption and disturbance and provides equal educational opportunity to all students. The following policy is found by the Board of Directors to be in the best interest of students and necessary for maintaining privacy rights of students, maintaining safety, discipline and order, and in preserving the educational environment:

### **ASSUMPTIONS**

1. That the recognition of any distinction between “gender identity” and biological sex is not yet a matter of settled law in the United States;
2. That there exists no general consensus but rather disagreement between the State of Texas and the United States and in the United States as a whole—legal, scientific, educational, philosophical—about the relationship between “gender identity” and biological sex;
3. That GH will comply with all settled law (plain language of statute, controlling case law and duly adopted administrative regulations) for the states in which it operates schools;
4. That GH will take into account each student’s right to privacy and safety in accessing facilities;
5. That EVERY CHILD entrusted to our schools, regardless of sex, class, race, religion, and national origin, is to be educated with exactly the same level of care and respect for his/her dignity and innate human potential.

**DEFINITION:** “Sex” means an individual’s biological classification as male or female at the time of birth and as recorded on their official state-issued birth certificate.

### **POLICY:**

- A. Student enrollment and instruction
  1. Schools will record, report, and classify each enrolled student as male or female according to the sex as indicated in the submitted enrollment documents. In the event of a discrepancy, the sex as indicated on the birth certificate will be considered as accurate.
  2. In the event of an update or change to a birth certificate, the school shall consider the information upon the most recent birth certificate as accurate and shall modify all school records as pertinent.
  3. Schools will record and report the legal name of the child as recorded in enrollment documents submitted by the family. School staff may either a) refer to a child by the name as indicated in school records, or b) refer to the child by a variant nickname sanctioned by the student and his/her family.
  4. School personnel may use the personal pronouns consistent with the sex of students as recorded in school records described above.
  5. When a learning activity calls for the separation of students by sex, students shall be classified according to sex as recorded in current school records described above.

6. Students must adhere to the uniform code and grooming standards of their sex as recorded in current school records described above.

B. Use of School Facilities

1. Schools shall maintain restroom and locker room facilities that are single-sex only and shall also provide single-occupant restroom and changing facilities that are sex-neutral. Students are permitted to use the single-sex facilities that correspond to their sex as noted in current school records describes above, and single-occupant restrooms and locker/changing rooms that are open to use by individuals of either sex.
2. Restrooms, locker room facilities and changing facilities shall be clearly marked and designated for the assigned sex or sex-neutral.
3. This shall not apply to a person or persons who enter a single-sex facility for purposes of
  - a. Maintenance
  - b. Providing medical assistance
  - c. Protecting a student/students from a threat to good order or safety
  - d. Shelter in an emergency
4. No student shall be compelled to use a single-sex restroom or locker/changing room facility against their wishes; access to private, sex-neutral facilities will be provided.

C. Participation in school activities

1. Students are eligible to participate in the single-sex athletic activities that correspond to their sex as noted in current school records and based on requirements of the specific league or ruling body for the athletic activity.

## **Tolerance and Pluralistic Sensitivity**

---

The Academy is a public, non-sectarian institution serving a variety of Texans. All members of the Academy community—the administration, teachers, parents, and students—should show profound respect and tolerance for the religious, political, and cultural traditions and perspectives of others. The administration and teachers will take the lead at the Academy in actively promoting tolerance, civility, and sensitivity. Teachers are not permitted to encourage a particular religious or political perspective in the courses they teach. Rather, they encourage a civil and tolerant discussion of ideas when such topics naturally arise in class or on campus.

### **Focus on the Western Tradition**

The Academy’s teachers are able to explain to students, parents, and the public why we do focus principally on Western Culture during the seven years of education at the school. This focus is not intended as a statement about other cultural heritages. In brief, we focus on Western Culture at the Academy because we believe that seven years is just enough time to offer students a comprehensive introduction to the great works of the Western tradition, including literature, philosophy, history, math, science, languages, and the fine arts. The Western tradition is one of great depth and diversity (of peoples and ideas) and will serve as a superb foundation to our students as they go on to be life-long learners. We would also note that many of the principal values and ideas that underlie our own American society may be clearly traced to the classics we study.

### **Notice of Non-Discrimination**

Great Hearts Lakeside does not discriminate on the basis of race, religion, color, national origin, sex, disability, or age in providing educational services, activities, and programs, including vocational and career technology programs, in accordance with Title VII of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; Title II of the Americans with Disabilities Act of 1990 (“ADA”), as amended, which incorporates and expands upon the requirements of Section 504 of the Rehabilitation Act of 1973, as amended; the Age Discrimination Act of 1975, as amended; and any other legally-protected classification or status protected by applicable law.

The following staff members have been designated as being responsible for coordinating The Academy’s compliance with these requirements:

- The Title IX Coordinator, for concerns regarding discrimination on the basis of sex: Lauri Myracle, 4801 E Washington, Suite 250, Phoenix AZ 85034.
- ADA/Section 504 Director, for concerns regarding discrimination on the basis of disability: Lauri Myracle, 4801 E Washington, Suite 250, Phoenix AZ 85034.
- Age Discrimination Act Coordinator, for concerns regarding discrimination on the basis of age: Lauri Myracle, 4801 E Washington, Suite 250, Phoenix AZ 85034.
- All other concerns regarding discrimination: Lauri Myracle, 4801 E Washington, Suite 250, Phoenix AZ 85034.

## **Freedom from Discrimination, Harassment, and Retaliation**

### **Discrimination and Harassment**

For purposes of this policy, discrimination and harassment against a student is defined as conduct directed at a student on the basis of race, color, religion, sex, national origin, disability, or on any other basis prohibited by law, that adversely affects the student.

### **Prohibited Discrimination and Harassment**

Prohibited discrimination and harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student's race, color, religion, sex, national origin, disability, or any other basis prohibited by law that is so severe, persistent, or pervasive that the conduct:

- Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
- Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
- Otherwise adversely affects the student's educational opportunities.

Examples of prohibited harassment may include offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, or need for accommodation; threatening or intimidating conduct; offensive jokes; name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

### **Sexual Harassment and Gender-Based Harassment**

In compliance with the requirements of Title VII and Title IX, the Academy does not discriminate on the basis of sex in its educational programs or activities. Sexual harassment of a student, including harassment committed by another student, includes welcome or unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

- Affects the student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
- Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
- Otherwise adversely affects the student's educational opportunities.

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

The Academy also does not tolerate sexual harassment of a student by school employees. Romantic or inappropriate social relationships between students and school employees are always prohibited, even if consensual. Sexual harassment of a student by a school employee includes both welcome and unwelcome

sexual advances; requests for sexual favors; sexually motivated physical, verbal or nonverbal conduct; or other conduct or communication of a sexual nature when:

- A school employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the school employee will make an educational decision based on whether or not the student submits to the conduct; or
- The conduct is so severe, persistent, or pervasive that it:
  - o Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
  - o Creates an intimidating, threatening, hostile, or abusive educational environment.

The Academy also does not tolerate discrimination or harassment of students on the basis of gender. Gender-based harassment includes harassment based on a student's gender, expression by the student of stereotypical characteristics associated with the student's gender, or the student's failure to conform to stereotypical behavior related to gender. Examples of gender-based harassment directed against a student, regardless of the student's or the harasser's actual or perceived sexual orientation or gender identity, may include, but not be limited to, offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

### **Dating Violence**

Dating violence occurs when one partner in a current or past dating relationship, either past or current, intentionally uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other partner. Examples of dating violence against a student may include physical or sexual assaults, name-calling, put-downs, threats to hurt the student or the student's family members or members of the student's household, destroying property belonging to the student, threats to commit suicide or homicide if the student ends the relationship, attempts to isolate the student from friends and family, stalking, or encouraging others to engaged in these behaviors.

For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

- Affects the student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
- Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
- Otherwise adversely affects the student's educational opportunities.

### **Retaliation**

The Academy prohibits retaliation against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation.

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a school investigation regarding discrimination or harassment, including dating violence, is subject to appropriate discipline.

### **Reporting Procedures**

Any student who believes that he or she has experienced prohibited discrimination or harassment or believes that another student has experienced prohibited discrimination or harassment, should immediately report the alleged acts to a teacher, counselor, the Headmaster, or other school employee. Alternatively, a student may report prohibited discrimination or harassment directly to one of the officials below:

- Reports of discrimination based on sex, including sexual harassment, may be directed to the Title IX Coordinator.
- Reports of discrimination based on disability may be directed to the ADA/Section 504 Coordinator.
- Reports of discrimination based on age may be directed to the Age Discrimination Act Coordinator.

After receiving a complaint of sexual harassment, the Academy may, but need not, require the student to prepare a written report. Oral complaints will be reduced to written form. Upon receipt of a complaint, the appropriate coordinator or other authorized school official shall promptly authorize and undertake an investigation. When appropriate, the Academy may take interim action to avoid additional opportunities for harassment. The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and any others with knowledge of the circumstances surrounding the allegations.

The investigator will prepare a written report of the investigation. The report shall be filed with the appropriate coordinator or other school official overseeing the investigation. If the results of the investigation establish that prohibited harassment occurred, the Academy shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the harassment and prevent its recurrence. The Academy may take disciplinary action based on the results of an investigation, even if the Academy concludes that the conduct did not rise to the level of harassment prohibited by law or policy.

### **Confidentiality**

To the greatest extent possible, the Academy shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

### **Appeal**

A student or parent who is dissatisfied with the outcome of the investigation may appeal through the Academy grievance procedure. A student shall be informed of his or her right to file a complaint with the United States Department of Education Office for Civil Rights.

## **Registration, Records, Immunization Compliance, Medication, & Health Screening Policies**

---

### **Admissions Policy**

Admission and enrollment of students shall be open to persons who reside within the geographic boundaries stated in the Great Hearts Texas open-enrollment charter, and who are eligible for admission based on lawful criteria identified in the charter and in state law. The total number of students enrolled in the Academy shall not exceed the number of students approved in the charter or subsequent amendments. Total enrollment may further be limited by the Academy based on occupancy limitations, code compliance, and staffing requirements, as deemed necessary.

In accordance with state law, the Academy does not discriminate in its admissions policy on the basis of sex; national origin; ethnicity; religion; disability; academic, artistic, or athletic ability; or the district the child would otherwise attend.

### **Exception to Admission**

As authorized by the Great Hearts Texas charter and Texas Education Code § 12.111(a)(5)(A), students with a documented history of a criminal offense, a juvenile court adjudication, or serious discipline problems under Texas Education Code, Subchapter A, Chapter 37 will be excluded from enrollment in the Academy.

### **Submission of Applications and Admissions Lottery**

The Academy requires applicants to submit a completed application in order to be considered for admission. An admissions lottery will be conducted if the total number of applicants exceeds the number of open enrollment spots. Parents will be notified of the results of the lottery and the available seats will be offered to applicants in the order of their waitlist numbers.

Once all available seats have been filled, the remaining applicants will be placed on a waiting list. If a vacancy arises before the commencement of the school year, the individual on the waiting list with the lowest number assignment will be offered admission and then removed from the waiting list.

### **Exceptions**

Federal guidelines permit the Academy to exempt from the lottery students who are already attending the Academy; siblings of students already admitted to or attending the Academy; and children of the Academy's founders, teachers and staff, so long as the number of these students constitutes only a small percentage of the school's enrollment.

### **Student Information**

Any student admitted to the Academy must provide records, such as a report card and/or transcript from the previous school attended, to verify his or her academic standing. Verification of residency and current immunization records are also required. Every student enrolling at the Academy for the first time must present documentation of immunizations as required by the Texas Department of State Health Services.

No later than 30 days after enrolling in the Academy, the parent and school district in which the student was previously enrolled shall furnish records that verify the identity of the student. These records may include the student's birth certificate or a copy of the student's school records from the most recently attended school.

The Academy will forward a student's records on request to a school in which a student seeks or intends to enroll without the necessity of the parent's consent.

### **Residency Verification**

The Texas Education Code authorizes schools to obtain evidence that a person is eligible to attend public schools. To be eligible for continued enrollment in the Academy, each student's parent must show proof of residency at the time of enrollment. Residency may be verified through observation, documentation and other means, to include but not limited to:

- A recently paid rent receipt.
- A current lease agreement.
- The most recent tax receipt indicating home ownership.
- A current utility bill indicating the address and name of the residence occupiers.
- Mailing address of the residence occupiers.
- Visual inspection of the residence.
- Interviews with persons with relevant information.
- Building permits issued to a parent on or before September 1 of the school year in which admission is sought (permits will serve as evidence of residency only for the school year in which admission is sought).

Falsification of residence on an enrollment form is a criminal offense.

### **Immunizations**

The State of Texas requires that every child in the state be immunized against preventable diseases caused by infectious agents, in accordance with an established immunization schedule.

To determine the specific number of doses that are required for your student, please read the current Texas Minimum State Vaccine Requirements for Students. The current annual document and more information about school vaccine requirements are available at the Texas Department of State Health Services ("TDSHS") Immunization Branch website: [www.ImmunizeTexas.com](http://www.ImmunizeTexas.com) (click on the "School & Childcare" link).

Immunizations can be received from any of the Tarrant County Public Health Centers. Appointments are available by calling 817-248-6066. You can find a center at the website linked here:

<https://tarrant.tx.networkofcare.org/ph/content.aspx?id=816&parentId=654>. Students must take immunization records in order to determine immunizations required for school attendance. Otherwise, please take your child to the physician of your choice.

Immunization certificates must have the vaccine name, the day, month, and year administered. Acceptable documentation can be the signature stamp of physician or public health personnel, an official immunization record generated from a state or local health authority such as a registry or a record received from school official including a record from another state.

### **Provisional Enrollment**

Texas immunization laws require all students be fully immunized specified diseases before they may enter school. However, a student may be enrolled provisionally for no more than 30 days if he or she transfers from one Texas school to another and is awaiting the transfer of immunization records.

A student may be enrolled provisionally if the student has an immunization record that indicates the student has received at least one dose of each specified age-appropriate vaccine required by law. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the Academy. The Academy shall review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccination. If, at the end of the 30-day period, a student has not received a subsequent dose of vaccine, the student is not in compliance and the Academy shall exclude him or her from school attendance until the required dose is administered.

A student who is homeless, as defined by the McKinney Act (42 U.S.C. § 11302), shall be admitted temporarily for 30 days if acceptable evidence of vaccination is not available. The Academy shall promptly refer the student to appropriate public health programs to obtain the required vaccinations.

### **Exclusions from Immunization Requirements**

Exclusions from immunization compliance are allowable on an individual basis for medical reasons, reasons of conscience, and active duty with the armed forces of the United States.

**Medical Reasons:** If a student should not be immunized for medical reasons, the student must present a statement signed by the child's physician (M.D. or D.O.), duly registered and licensed to practice medicine in the United States who has examined the child, in which it is stated that, in the physician's opinion, the vaccine required is medically contraindicated or poses a significant risk to the health and well-being of the child or any member of the child's household. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician.

**Reasons of Conscience:** To claim an exclusion for reasons of conscience, including a religious belief, a signed TDSHS affidavit must be presented by the student's parent, stating that the student's parent declines vaccinations for reasons of conscience, including because of the person's religious beliefs. The affidavit will be valid for a two-year period. The form affidavit may be obtained by writing the TDSHS

Immunization Branch (MC 1946), P.O. Box 149347, Austin, Texas 78714-9347, or online at <https://webds.dshs.state.tx.us/immco/default.aspx>. The form must be notarized and submitted to the Headmaster within 90 days of notarization. If the parent is seeking an exemption for more than one student in the family, a separate form must be provided for each student. Students, who have not received the required immunizations for reasons of conscience, including religious beliefs, may be excluded from school in times of emergency or epidemic declared by the commissioner of public health.

**Military Service:** To claim an exclusion for military service, the student must prove that he or she is serving on active duty with the armed forces of the United States.

If a parent seeks an exemption for more than one student, a separate form must be provided for each student.

### **Immunization Records Reporting**

The Academy's record of your student's immunization history, while private in most instances, may be inspected by the Texas Education Agency, local health departments and the TDSHS, and transferred to other schools associated with the transfer of your student to those schools

### **Food Allergy Information**

The parent of each student enrolled at the Academy must complete a form provided by the school that discloses (1) whether the child has a food allergy or a severe food allergy that should be disclosed to the Academy to enable the school to take any necessary precautions regarding the child's safety, and (2) specifies the food(s) to which the child is allergic and the nature of the allergic reaction.

For purposes of this requirement, the term "severe food allergy" means a dangerous or life-threatening reaction of the human body to a food-borne allergen introduced by inhalation, ingestion, or skin contact that requires immediate medical attention.

Parents or Guardians of any child with a severe food allergy will be required to provide an Allergy Action Plan. The Allergy Action Plan can be obtained from the Food Allergy Research and Education (FARE) website linked here: <https://www.foodallergy.org/file/emergency-care-plan.pdf>.

This form must be signed by the child's physician and submitted to the Nurse Clinic prior to the first day of class. Food allergy information forms will be maintained in the child's student records and shall remain confidential. Information provided on food allergy information forms may be disclosed to teachers, school counselors, school nurses, and other appropriate school personnel only to the extent consistent with Board policy and as permissible under the Family Educational Rights and Privacy Act of 1974 ("FERPA").

## **Prescription and Over-the-Counter Medication Policy**

All medication must be brought to the Nurse's Clinic where it will be kept in a locked container or cabinet. Students may not possess any form of medication while at school other than while bringing it to the Nurse's Clinic. Medication will be refrigerated only if refrigeration is required by the medication's labeling. At the end of the school year, all medication left at school will be returned to the parent or destroyed.

### **Prescription Medication**

A designated Great Hearts employee may administer medication to a student provided:

1. Great Hearts has received a **written request** to administer the medication from a parent, legal guardian, or other person having legal control of the student.
2. Prescription medications must be in English & the original container, bearing a **prescription label** that includes the student's name, the name of the medicine, directions concerning dosage, the name of the prescribing physician, the name of the pharmacy filling the prescription, and the date the prescription was filled.
3. Prescription **inhalant medications, properly labeled, may be carried by the student only if directed in writing by the physician and parent**. This request must be filed in the Nurse Clinic. **Please request the appropriate form** from the school nurse.
4. All physician's sample medication must be accompanied by a written authorization from the physician.

No Great Hearts employee will be required to give medication above the daily recommended dosage by the Federal Drug Administration.

No medication will be dispensed for a missed dose unless written authorization is received from the parent/guardian for each dose missed.

### **Over-the-Counter Medication**

Designated Great Hearts employees may administer over-the-counter medications to students if the following conditions are met:

1. Great Hearts has received a **written request** to administer the medication from a parent, a legal guardian, or other person having legal control of the student.

2. The written request of the parent/guardian must indicate the dosage, frequency of need, the reason the medication is needed, and the date(s) of requested administration.
3. The medication must be stored in the original container. Dosage must be within the recommended amount for the age of the student. **Medication may not be given for longer than 5 consecutive school days** unless directed by a physician.

The student will report to the Nurse Clinic to take any medication. Exceptions to the Nurse Clinic being the location for administering medications may be made if such is recommended by an ARD committee.

As a precaution to prevent tampering of the contents of an OTC medication, it must be brought by a student to the Nurse Clinic in the original unopened container.

### **Fitness Testing**

According to requirements under state law, the Academy will annually assess the physical fitness of students. The Academy is not required to assess a student for whom, as a result of disability or other condition identified by rule or law, the assessment exam is inappropriate.

### **Dyslexia and Related Disorders**

From time to time, students may be screened and treated for dyslexia and other related disorders in accordance with programs, rules, and standards approved by the State of Texas. Parents will be notified should the Academy determine a need to identify or assist a student diagnosed with dyslexia or related disorder.

### **Vision and Hearing Screenings**

All children enrolled in Texas schools must be screened for possible vision and hearing problems in accordance with regulations issued by the Texas Department of State Health Services. Students in certain grade levels identified by state regulations shall be screened for vision and hearing problems annually.

Screening records for individual students may be inspected by the Texas Department of State Health Services or a local health department and may be transferred to another school without parental consent.

### **Exemption**

A student is exempt from screening requirements if screening conflicts with the tenets and practices of a recognized church or religious denomination of which the individual is an adherent or a member. To qualify for the exemption, the individual or, if the individual is a minor, the minor's parent, managing conservator, or guardian, must submit to the Headmaster on or before the day of admission an affidavit stating the objections to screening.

### **Spinal Screening**

All children in 6th and 9th grade must be screened for abnormal spinal curvature before the end of the school year. The screening requirement for students entering grade six or nine may be met if the child has been screened for spinal deformities during the previous year.

A parent, managing conservator, or guardian who declines participation in the spinal screening provided by the Academy must submit to the Headmaster documentation of a professional examination, which includes the results of a forward-bend test. This documentation must be submitted to the Academy during the year the student is scheduled for screening or, if the professional exam is obtained during the following summer, at the beginning of the following school year.

### **Exemption**

A student is exempt from screening if the screening conflicts with the tenets and practices of a recognized church or religious denomination of which the individual is an adherent or member. To qualify for the exemption, the student's parent, managing conservator, or guardian must submit to the Headmaster on or before the day of the screening procedure an affidavit stating the objections to screening.

## **Annual Notice of Parent and Student Rights (Annual FERPA Confidentiality Notice)**

The Family Educational Rights and Privacy Act (“FERPA”) affords parents and students over 18 years of age (eligible students) certain rights with respect to the student’s educational records. These rights include the following:

### **The Right to Inspect and Review**

Parents and/or eligible students have the right to inspect and review the student’s educational records within 45 days of the day [Great Hearts Lakeside] (“the School”) receives a request for access. Parents or eligible students should submit to the [Campus Headmaster, Mrs. Mandi Cannon] a written request that identifies the record(s) they wish to inspect. The School will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

If circumstances effectively prevent the parent or eligible student from exercising the right to inspect and review the student’s educational records, the School shall provide the parent or eligible student with a copy of the records requested or make other arrangements for the parent or eligible student to inspect and review the requested records.

The School shall not destroy any educational records if there is an outstanding request to inspect and review the records under this section. The School may charge a reasonable fee for a copy of an education record that is made for the parent or eligible student, unless the imposition of a fee effectively prevents a parent or eligible student from exercising the right to inspect and review the student’s education records. The School will not charge a fee to search for or to retrieve the educational records of a student.

If the educational records of a student contain information on more than one student, the parent or eligible student may inspect and review or be informed of only the specific information about that student.

### **The Right to Seek Amendment of the Student’s Educational Records**

Parents and/or eligible students may ask the School to amend a record that they believe is inaccurate, misleading, or otherwise in violation of the privacy rights of the student. Such a request must be made to the [Campus Headmaster, Mrs. Mandi Cannon] in writing, clearly identify the part of the record the parent or eligible student wants changed and specify why it is inaccurate or misleading. The School will decide whether to amend the record as requested within a reasonable time after receipt of the request. If the School decides not to amend the record as requested by the parent or eligible student, it will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment.

If, as a result of the hearing, the School decides that the information is inaccurate, misleading, or otherwise in violation of the privacy rights of the student, it shall amend the record accordingly and inform the parent or eligible student of the amendment in writing.

If, as a result of the hearing, the School decides that the information in the educational record is not inaccurate, misleading, or otherwise in violation of the privacy rights of the student, it shall inform the parent or eligible student of the right to place a statement in the record commenting on the contested information in the record or stating why he or she disagrees with the decision of the School, or both. If the

School places an amended statement in the educational records of a student, it is obligated to maintain the amended statement with the contested part of the record for as long as the record is maintained and disclose the statement whenever it discloses the portion of the record to which the statement relates.

### **The Right to Consent Prior to Disclosure**

Parents and/or eligible students have the right to consent to disclosures of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent.

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A "school official" is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Charter Board of Directors; a person or company with whom the School has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); a parent or student serving on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the School discloses education records without consent to officials of another open-enrollment charter school, school district, or private school in which a student seeks or intends to enroll or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

### **The Right to File a Complaint**

Parents and/or eligible students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. These complaints should be addressed as follows:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, D.C. 20202-4605

### **Access to Medical Records**

Parents are entitled to access their students' medical records.

### **Notice for Directory Information**

Under FERPA, the School must, with certain exceptions, obtain written consent prior to the disclosure of personally identifiable information from a student's education records. However, the School may disclose personally identifiable information contained in the student's educational records without obtaining prior written consent of the parent or eligible student if the School has designated the information as "directory information."

The School has designated the following categories of information as directory information for the purpose of disclosure relating to school-sponsored/school-affiliated purposes:

1. Student name;

2. Address;
3. Telephone listing;
4. Electronic mail address;
5. Photographs (including video image);
6. Date and place of birth;
7. Major field of study;
8. Degrees, honors, and awards received;
9. Dates of attendance;
10. Grade level;
11. Most recent educational institution attended;
12. Participation in officially recognized activities and sports; and
13. Weight and height of members of athletic teams.

School-sponsored/school-affiliated purposes are those events/activities that the School conducts and/or sponsors to support the educational mission of the School. Examples include, but are not limited to:

1. Extracurricular programs or events (*e.g.*, school plays, concerts, athletic events, graduation ceremony);
2. Publications (*e.g.*, campus family directory, newsletters, yearbook, etc.);
3. Honor roll and other student recognition lists;
4. Marketing materials of the School (*e.g.*, print media, website, videos, newspaper, etc.)

The School has designated the following categories of information as directory information for the purpose of disclosure to military recruiters and institutions of higher education, but only for secondary students:

1. Student's name,
2. Address, and
3. Telephone listing.

The School shall not release directory information except for the purpose indicated above, namely:

1. Disclosure relating to school-sponsored/school-affiliated purposes; and
2. Disclosure to military recruiters and institutions of higher education, but only for secondary students.

**A PARENT OR ELIGIBLE STUDENT MAY OPT OUT OF THE RELEASE OF DIRECTORY INFORMATION FOR EITHER OR BOTH OF THESE PURPOSES BY SUBMITTING A WRITTEN OBJECTION TO MRS. MANDI CANNON. REQUESTS THAT SUCH AN OBJECTION BE SUBMITTED WITHIN THE FIRST FIVE SCHOOL DAYS OF THE 2020-2021 SCHOOL YEAR.**

If the School does not receive an opt-out form objecting to the release of directory information by the fifth school day of the school year, the School will assume that the parent approves release of directory information for the purposes described above. However, parents may alter their decision to restrict or not to restrict release of directory information by submitting a completed "Use of Student Photos and Directory Information Opt Out Form" or otherwise notifying the School in writing at any time during the year. The Opt Out Form has been made available as part of the School's Student and Parent Handbook (pg. 27) and can be requested at the Front Desk as well.

**Use of Student Photos and Directory Information Opt Out Form**

You have the right to choose whether your student’s information is released or not. Please check a box in the appropriate column below and return this form to your student’s school no later than the end of the first week of instruction after the student is enrolled. **Parents, guardians, or eligible students who do not check a box, or who do not return this form, give their implied consent for release of directory information, consent to student photographs, and consent to release directory information to the military (grades 9–12 only).** If you do not wish to allow disclosure of this information, please return this form directly to Great Hearts Lakeside either in person or by U.S. mail. If you have more than one student enrolled, you must complete a separate form for each student.

**INFORMATION ABOUT THE MILITARY**

The military requests, and is entitled to, the names, telephone numbers, and addresses of high school juniors and seniors, unless the parent, guardian or eligible student checks Box C in the high school portion of this form. The military typically requests this information in the Fall semester of each academic year. **If you do not want information to be released to the military, you must return this form by October 1st in order to ensure that your preferences are entered in time.** Parents, guardians and eligible students are encouraged to remember that checking Box C means that [GREAT HEARTS LAKESIDE] will not release student information to the military, but it does not mean that the military might not gather student information from other sources not affiliated with [GREAT HEARTS LAKESIDE].

**FERPA, Parental Rights, and Student Privacy**

A. **COMPREHENSIVE SYSTEM**

The Superintendent or designee shall develop and maintain a comprehensive system of student records and reports dealing with all facets of the school program and shall ensure through reasonable procedures that records are accessed by authorized persons only, as allowed by this policy. These data and records shall be stored in a safe and secure manner and shall be conveniently retrievable for use by authorized school officials.

## **B. CUMULATIVE RECORD**

A cumulative record shall be maintained for each student from entrance into [Great Hearts Lakeside] (“the School”) until withdrawal or graduation from the School.

This record shall move with the student from school to school and be maintained at the school where currently enrolled until graduation or withdrawal. Records for nonenrolled students shall be retained for the period of time required by law. No permanent records may be destroyed without explicit permission from the Superintendent.

## **C. CUSTODIAN OF RECORDS**

The registrar, Ms. Nyree Preston, is the custodian of all records for currently enrolled students, and for students who have withdrawn or graduated.

## **D. TYPES OF EDUCATION RECORDS**

For the purposes of this policy, the term “education records” means those records, files, documents, and other materials that contain information directly related to a student and are maintained by the School or by a person acting for Great Hearts Lakeside, including:

1. Admissions data, personal and family data, including certification of date of birth.
2. Standardized test data, including intelligence, aptitude, interest, personality, and social adjustment ratings.
3. All achievement records, as determined by tests, recorded grades, and teacher evaluations.
4. All documentation regarding a student’s testing history and any accelerated instruction he or she has received, including any documentation of discussion or action by a grade placement committee convened for the student.
5. Health services record, including:
  - a. The results of any tuberculin tests required by the School.
  - b. The findings of screening or health appraisal programs conducted or provided by the School.
  - c. Immunization records.
6. Attendance records.
7. Student questionnaires.
8. Records of teacher, counselor, or administrative conferences with the student or pertaining to the student.
9. Verified reports of serious or recurrent behavior patterns.
10. Copies of correspondence with parents and others concerned with the student.

11. Records transferred from other districts in which the student was enrolled.
12. Records pertaining to participation in extracurricular activities.
13. Information relating to student participation in special programs.
14. Records of fees assessed and paid.
15. Records pertaining to student and parent complaints.
16. Other records that may contribute to an understanding of the student.

The term “education records” does not include:

1. Records that are created or received by the School after an individual is no longer a student in attendance, and that are not directly related to the individual’s attendance as a student.
2. Records made by school personnel that are kept in the sole possession of the maker, are used only as a personal memory aid, and are not accessible or revealed to anyone other than a temporary substitute for the maker of the record.
3. Records maintained by a law enforcement unit of the school that were created by that law enforcement unit for the purpose of law enforcement.
4. Records on a student who is eighteen years of age or older, or who is attending an institution of postsecondary education, that are:
  - a. Made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in his or her professional capacity or assisting in a paraprofessional capacity;
  - b. Made, maintained, or used only in connection with treatment of the student; and
  - c. Disclosed only to individuals providing the treatment. For the purpose of this definition, “treatment” does not include remedial educational activities or activities that are part of the program of instruction at the agency or institution.
5. Grades on peer-graded papers before they are collected and recorded by a teacher.

#### **E. ACCESS BY PARENTS AND ELIGIBLE STUDENTS**

Great Hearts Lakeside shall make a student’s records available to the student’s parent(s) and the eligible student, as permitted by law. The records custodian or designee shall use reasonable procedures to verify the requestor’s identity before disclosing student records containing personally identifiable information.

Records may be reviewed in person during regular school hours without charge upon written request to the records custodian. For in-person viewing, the records custodian or designee shall be available to explain the record and to answer questions. The confidential nature of the student’s records shall be maintained at all times, and records to be viewed shall be restricted to use only in the Superintendent’s, principal’s, or counselor’s office, or other restricted area designated by the records custodian. The original copy of the record or any document contained in the cumulative record shall not be removed from the school.

If circumstances effectively prevent the parent or eligible student from exercising the right to inspect and review the student's educational records, the school shall provide the parent or eligible student with a copy of the records requested.

The School may not destroy any educational records if there is an outstanding request to inspect and review the records. The School may charge a fee for a copy of an education record that is made for the parent or eligible student, unless the imposition of a fee effectively prevents a parent or eligible student from exercising the right to inspect and review the student's education records. The School will not charge a fee to retrieve the educational records of a student.

If the educational records of a student contain information on more than one student, the parent or eligible student may inspect and review or be informed of only the specific information about that student.

A parent may continue to have access to his or her child's records under specific circumstances after the student has attained 18 years of age or is attending an institution of postsecondary education.

#### **F. ACCESS BY SCHOOL OFFICIALS**

A school official shall be allowed access to student records if he or she has a legitimate educational interest in the records.

For the purposes of this policy, "school officials" shall include:

1. An employee, director, trustee, or agent of Great Hearts Lakeside, including an attorney, a consultant, a contractor, a volunteer, and any outside service provider used by the School to perform institutional services.
2. An employee of a cooperative of which Great Hearts Lakeside is a member or of a facility with which the School contracts for placement of students with disabilities.
3. A contractor retained by a cooperative of which Great Hearts Lakeside is a member or by a facility with which the School contracts for placement of students with disabilities.
4. A parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

All contractors provided with student records shall follow the same rules as employees concerning privacy of the records and shall return the records upon completion of the assignment.

A school official has a "legitimate educational interest" in a student's records when he or she is:

1. Working with the student;
2. Considering disciplinary or academic actions, the student's case, or an individualized education program for a student with disabilities;
3. Compiling statistical data;
4. Reviewing an education record to fulfill the official's professional responsibility; or

5. Investigating or evaluating programs.

#### **G. TRANSCRIPTS AND TRANSFERS OF RECORDS**

The School may request transcripts from previously attended schools for students transferring into Great Hearts Lakeside; however, the ultimate responsibility for obtaining transcripts from sending schools rests with the parent or student, if 18 or older.

For purposes of a student's enrollment or transfer, the School shall promptly forward in accordance with the time line provided in law education records upon request to officials of other schools or school systems in which the student intends to enroll or enrolls. The School may return an education record to the school identified as the source of the record.

#### **H. RECORDS RESPONSIBILITY FOR STUDENTS IN SPECIAL EDUCATION**

The Campus Headmaster shall be responsible for ensuring the confidentiality of any personally identifiable information in records of students in special education.

A current listing of names and positions of persons who have access to records of students in special education is maintained at the Great Hearts Lakeside Administrative Office.

#### **I. PROCEDURE TO AMEND RECORDS**

Parents or eligible students may ask the School to amend a record that they believe is inaccurate or misleading. They should write the Campus Headmaster, clearly identify the part of the record sought to be changed and specify why the record is inaccurate or misleading. The School will decide whether to amend the record as requested within a reasonable time after receipt of the request. If the School decides not to amend the record as requested by the parent or eligible student, the Campus Headmaster or designee will notify the parent or eligible student of the decision and advise them of their right to a hearing to challenge the decision.

#### **J. CONSENT TO DISCLOSE PERSONALLY IDENTIFIABLE INFORMATION**

A parent or eligible student has the right to consent to disclosures of personally identifiable information, except to the extent that the Family Educational Rights and Privacy Act ("FERPA") authorizes disclosure without consent.

"Personally identifiable information" includes, but is not limited to:

1. The student's name;
2. The name of the student's parent or other family members;
3. The address of the student or student's family;
4. A personal identifier, such as the student's biometric record, as defined by 34 CFR 99.3, social security number, or student number;

5. Other indirect identifiers, such as the student's date of birth, place of birth, and mother's maiden name;
6. Other information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the Great Hearts Lakeside community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty; or
7. Information requested by a person who the School reasonably believes knows the identity of the student to whom the education record relates.

Parents and/or eligible students have the right to consent to disclosures of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent. Upon request, the School will disclose educational records without consent to officials of another school in which a student seeks or intends to enroll.

#### **K. NOTICE OF FERPA RIGHTS**

The Superintendent or designee shall see that [Great Hearts Lakeside] provides parents and eligible students annual notification of their rights under FERPA.

The notice must inform parents or eligible students that they have the right to:

1. Inspect and review the student's education record;
2. Seek amendment of the student's education records that the parent or eligible student believes to be inaccurate, misleading, or otherwise in violation of the student's privacy rights;
3. Consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA and 34 CFR 99.31 authorize disclosure without consent; and
4. File with the United States Department of Education a complaint under 34 CFR 99.63 and 99.64 concerning alleged failures by Great Hearts Lakeside to comply with the requirements of the Act and 34 CFR Part 99.

The notice must include all of the following:

1. The procedures for exercising the right to inspect and review education records;
2. The procedure for requesting amendment of records under 34 CFR 99.20; and
3. A specification of criteria for determining who constitutes a school official, and what constitutes a legitimate educational interest.

The Superintendent or designee may provide this notice by any means that is reasonably likely to inform the parents or eligible students of their rights. The notice shall also be effectively communicated to parents of students who are disabled and parents of students who have a primary or home language other than English.

## L. DIRECTORY INFORMATION

Certain information about students is considered “directory information” and will be released to anyone who follows procedures for requesting it unless the parent or eligible student objects in writing to its release within ten calendar days of receiving notice of FERPA rights. A parent or eligible student may also choose to opt out the release of directory information at any time during the school year. At any time after restricting the release of directory information, a parent or eligible student may in writing authorize the School to release directory information.

Great Hearts Lakeside has designated the following categories of information as directory information for the purpose of disclosure relating to school-sponsored/school-affiliated purposes:

1. Student name;
2. Address;
3. Telephone listing;
4. Electronic mail address;
5. Photographs (including video image);
6. Date and place of birth;
7. Major field of study;
8. Degrees, honors, and awards received;
9. Dates of attendance;
10. Grade level;
11. Most recent educational institution attended;
12. Participation in officially recognized activities and sports; and
13. Weight and height of members of athletic teams.

School-sponsored/school-affiliated purposes are those events or activities that [Great Hearts Lakeside] conducts and/or sponsors to support the educational mission of the School. Examples include, but are not limited to:

1. Extracurricular programs or events (e.g., school plays, concerts, athletic events, graduation ceremony);
2. Publications (e.g., campus family directory, newsletters, yearbook, etc.);
3. Honor roll and other student recognition lists;
4. Marketing materials of Great Hearts Lakeside (e.g., print media, website, videos, newspaper, etc.).

The School has designated the following categories of information as directory information for the purpose of disclosure to military recruiters and institutions of higher education, but only for secondary students:

1. Student's name;
2. Address; and
3. Telephone listing.

The School shall not release directory information except for the purposes indicated above, namely:

1. Disclosure relating to school-sponsored/school-affiliated purposes; and
2. Disclosure to military recruiters and institutions of higher education, but only for secondary students.

#### **M. RELEASE TO MILITARY RECRUITERS AND INSTITUTES OF HIGHER EDUCATION**

Great Hearts Lakeside will comply with a request by a military recruiter or an institution of higher education for students' names, addresses, and telephone listings, unless a parent or eligible student has advised the School not to release the student's information without prior written consent.

#### **N. INSTRUCTIONAL RESOURCES AND SURVEYS**

All instructional materials, including teacher's manuals, films, tapes, or other supplementary material that will be used in connection with any survey, analysis, or evaluation as part of any program funded in whole or in part by the U. S. Department of Education shall be available for inspection by the parents or guardians of students.

No student shall be required, as part of any program funded in whole or in part by the U. S. Department of Education, to submit to a survey, analysis, or evaluation that reveals information concerning the following topics without the prior consent of the student (if the student is an adult or emancipated minor), or, in the case of an unemancipated minor, without the prior written consent of the parent. Topics covered by this include:

1. Political affiliations or beliefs of the student or the student's parent(s);
2. Mental or psychological problems of the student or the student's family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating, or demeaning behavior;
5. Critical appraisals of other individuals with whom respondents have close family relationships;
6. Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
7. Religious practices, affiliations, or beliefs of the student or student's parent; or
8. Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

## O. OPT-OUT NOTICE

The Superintendent shall ensure that parents are provided reasonable notice of the contents of this policy. Such notice shall be provided directly to the parents of the students in attendance at Great Hearts Lakeside. At a minimum, the Superintendent shall:

1. Provide notice at least annually, at the beginning of the school year and within a reasonable time after any substantive change in policy; and
2. Offer an opportunity for the parent to opt the student out of participation in an activity described above.

### **Notification of Rights Under the Protection of Pupil Rights Amendment (PPRA)**

PPRA affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

• *Consent* before students are required to submit to a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S.

Department of Education (ED)–

1. Political affiliations or beliefs of the student or student’s parent;
2. Mental or psychological problems of the student or student’s family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or parents; or
8. Income, other than as required by law to determine program eligibility.

• *Receive notice and an opportunity to opt a student out of*–

1. Any other protected information survey, regardless of funding;
2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

• *Inspect*, upon request and before administration or use –

1. Protected information surveys of students;
2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
3. Instructional material used as part of the educational curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

The Academy has developed and adopted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. The Academy will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. The Academy will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. The Academy will make this

notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:

- Collection, disclosure, or use of personal information for marketing, sales or other distribution.
- Administration of any protected information survey not funded in whole or in part by ED.
- Any non-emergency, invasive physical examination or screening as described above.

*Parents who believe their rights have been violated may file a complaint with:*

## **Child Find**

Child Find's intent is to ensure that all children from birth through 21 with delays or disabilities are identified, located and evaluated with minimal cost to parents.

Anyone who has contact with the child may refer him or her to Child Find. Contact Child Find if you have concerns about how a child plays and interacts with others, learns, communicates, moves, sees or hears.

When children are "found", they are referred to a specialist to screen their development. The screening helps "identify" any areas of concern that need to be evaluated further. In order to receive early intervention or special education services, a child must be evaluated to confirm they have a delay or disability that falls under state definitions.

If needed, the child is evaluated using state criteria for specific delays or disabilities. If eligible, Child Find or a public-school system will offer early intervention or special education services according to the child's needs.

- Early intervention supports, and services assist families of children who are eligible by helping children ages birth to three years develop to their full potential.
- Preschool special education services for children ages 3 to 5 provide special strategies to help children reach their developmental milestones.
- Special education services for school-aged children in kindergarten through the age of 21 provide specialized instruction and services to assist children in the educational environment.

For older children, aged 2 years, 9 months to 5 years,  
you may also contact the local school district.

## **Individuals with Disabilities Education Act (IDEA)**

**IDEA** is a federal law that protects the rights of students with disabilities. In addition to standard school records, for children with disabilities education records could include evaluation and testing materials, medical and health information, Individualized Education Programs and related notices and consents, progress reports, materials related to disciplinary actions, and mediation agreements. Such information is gathered from a number of sources, including the student's parents and staff of the school of attendance. Also, with parental permission, information may be gathered from additional pertinent sources, such as

doctors and other health care providers. This information is collected to assure the child is identified, evaluated, and provided a Free Appropriate Public Education in accordance with state and federal special education laws.

Each agency participating under Part B of IDEA must assure that at all stages of gathering, storing, retaining and disclosing education records to third parties that it complies with the federal confidentiality laws. In addition, the destruction of any education records of a child with a disability must be in accordance with IDEA regulatory requirements.

For additional information or to file a complaint, you may call the federal government at (202) 260-3887 (voice) or 1-800-877-8339 (TDD), or the Texas Education Agency (TEA) at (512) 463-9734.

# Academic Expectations, Evaluation, and Student Promotion

## Academic Expectations

Though the curriculum is rigorous, and expectations of students are high, we are not an exclusive school for the best and the brightest. Our mission is to provide an environment that allows every student who wants to learn the opportunity to achieve academically. A student’s desire to learn, in short, his or her curiosity, is the key to success and fulfillment at the Academy. While the school understands that some students are more talented than other students in certain subjects, every student who has passed the appropriate prerequisites, is genuinely curious, and applies him or herself diligently on a daily basis will succeed at the Academy. Success is measured as a student’s growth in maturity, accomplishment, and understanding over the course of his or her seven years at the Academy and will finally be demonstrated in his or her character as a typical Academy senior and graduate, a truly impressive young man or woman.

As a key philosophical assumption, the Academy holds that every student can learn. As human beings, we are equal in that we all have the capacity to learn and grow. But this equality *in* capacity cannot be confused with equality *of* capacity, and certainly not with equality of academic results. Just as individuals differ in their physical gifts and characteristics, we all have different gifts and challenges in the subjects of learning. The Academy is committed to helping each student achieve as much as he or she can. True excellence across the curriculum is a rare and worthy achievement, to be admired by all, but not to be unreasonably expected of all.

## **Physical Education**

The Academy will ensure that students in kinder through grade 7 engage in at least 30 minutes per day or 135 minutes per week of moderate or vigorous physical activity.

### **Exemption**

Short-term exemptions from physical education are possible for students who have physical handicaps, illnesses, or other incapacities that a physician deems severe enough to warrant exemption or severe enough to warrant modified activity in such classes. Each case is handled on an individual basis as follows:

1. Each request for exemption or for modified activity must be accompanied by a physician's certificate. Such certificates are honored but must be renewed each year.
2. When the certificate will allow modified activities in class, the student should remain in physical education class. The teachers adjust the activities of the student to the disability.
3. An exempted student may be admitted to regular physical education activities only upon presentation of a written statement from the same physician who signed the original exemption.

## **State Assessments**

### **STAAR (State of Texas Assessment of Academic Readiness)**

#### **STAAR (State of Texas Assessment of Academic Readiness) Grades 3–8**

In addition to routine tests and other measures of achievement, students at certain grade levels will take state- mandated assessments, such as the STAAR, in the following subjects:

1. Mathematics, annually in grades 3–8;
2. Reading, annually in grades 3–8;
3. Science in grades 5 and 8; and
4. Social studies in grade 8.

Successful performance on the reading and math assessments in grades 5 and 8 is required by law, unless the student is enrolled in a reading or math course intended for students above the student's current grade level, in order for the student to be promoted to the next grade level.

STAAR Alternate will be available for eligible students receiving special education services, as determined by the student's ARD committee.

## **TELPAS**

The Texas English Language Proficiency Assessment System (“TELPAS”) is a system of statewide assessment administered to all Limited English Proficient (“LEP”) students in 3rd–12th grades. The TELPAS measures English ability based on the stage of language development of second language learners. These results will further the understanding of the educational needs of LEP students by providing a state-level measure of both their current academic English levels and their annual progress in English.

### **Summer School**

The Academy may offer summer school classes designed for students who did not complete all required work for the previous school year and for students who would like to take an additional course toward graduation.

### **Tutoring**

Great Hearts teachers offer regularly-scheduled tutoring sessions before, during, and/or after school at no cost. Tutoring is an important opportunity for students to receive academic guidance and support. Students are strongly encouraged, and may be required, to see teachers for tutoring. Tutoring services are also available for students receiving special education services.

Private tutoring is the responsibility of a student’s parents. Teachers employed by the Academy are not permitted to privately tutor their own students for pay.

### **Text Books & Classics to Keep**

Books are at the heart of a classical, liberal arts education. At Great Hearts, it has always been the tradition for students to develop a personal library of books that they mark in, keep, and return to during their time at Great Hearts, and treasure for years to come. We call these books “Classics to Keep.” Your child’s class will utilize these classics during the upcoming school year. Parents and students are strongly encouraged to purchase these books for their own personal collections, so that they can mark them and keep them, allowing students to develop their own impressive personal library of classics over the course of their academic career with Great Hearts. We ask that all books match the ISBNs listed on our website. This ensures that students can all follow along on the same page when reading and discussing in class.

For families who do not purchase the texts, students will be given access to a copy of these books as part of their curriculum. Students should not mark these books provided by Great Hearts and will be asked to return the books in good condition once their class has finished working with the book.

State-approved textbooks and additional curriculum materials are provided free of charge for each subject or class. Materials must be treated with care and used as directed by the teacher. A student who is issued a damaged book should report the damage to the teacher.

Students must return all textbooks and supplemental materials to the teacher at the end of the school year or when the student withdraws from school. Any student failing to return issued materials in an acceptable condition loses the right to free textbooks and educational materials until the student and/or parent pay for the damages. However, a student will be provided textbooks for use at school during the school day. The Academy may reduce or waive the payment requirement if the student is from a low-income family. The release of student records, including official transcripts, will be delayed pending payment for lost or severely damaged textbooks or supplemental materials.

## Homework

At the Academy we believe that the majority of class time should be spent in the *collective* pursuit of what is true, good, and beautiful about a specific subject. Homework time, then, is reserved primarily for reading and for meaningful *independent* activities that support the curricular objectives of a given course. Students should expect to do meaningful homework each night.

The following chart provides general homework expectations for the average student at the Academy:

<b>Kindergarten:</b>	approximately 20 minutes of homework each night
<b>1st grade:</b>	approximately 30 minutes of homework each night
<b>2nd grade:</b>	approximately 30-40 minutes of homework each night
<b>3rd grade:</b>	approximately 35-45 minutes of homework each night
<b>4th grade:</b>	approximately 45-60 minutes of homework each night
<b>5th grade:</b>	approximately 60-75 minutes of homework each night
<b>6th grade:</b>	approximately 75-90 minutes of homework each night
<b>7th grade:</b>	approximately 85-115 minutes of homework each night

**We ask parents to help us communicate to students the importance of establishing a silent and distraction-free environment for completing all homework.** If students do not work in such an environment, they should expect that:

- it will take significantly longer to complete the assignments; and
- the student's thought will be fragmented, and his or her overall comprehension of the material will be deficient.

Often, success with homework is a condition of the student's self-regulation. Skillful self-regulators have a number of strategies that enable them to achieve efficiently and effectively: help-seeking, planning, goal-setting, time-management, self-monitoring, reducing distractions, questioning, comprehension monitoring, and using feedback. Students who

struggle often do not systematically employ these strategies, even though they may, in fact, spend a significant amount of time working/studying.

As students rise through the grades at the academy, they develop and strengthen their work skills. In essence, students *learn how to learn* through the rigors of school.

Teachers work carefully in measuring out a proper amount of work for their class and will coordinate with other teachers of a section of students in scheduling their major tests and projects. Thus, students will have no more than two major tests on the same day. It is the responsibility of the student to make up missed homework after any absence, planned or due to illness, in a timely manner. **If a student is unable to attend school and seeks his or her assignments, he or she should contact a classmate for that information, not the school office.** It is wise to coordinate with a friend (perhaps one who lives close by) early on in the year so that homework handouts might also be collected for the absent student.

An absence on the due date of a major assignment (essay, lab report, project, etc.) or exam may not extend the due date of that assignment. The student should expect to submit the work and/or make-up the exam on the day of his/her return. Likewise, absences during the preparation time of a major assignment may not extend the due date. Please see the faculty course syllabi for specific guidelines regarding make-up work following absences.

The school will schedule a number of “R and R” weekends. These are designated as school-wide “*no homework*” weekends. Teachers will not assign homework over these weekends and tests and quizzes will not be administered on the Mondays following. It may be the case that a long-term or multi-day project is given well before and due a few days after an “R and R” weekend; students will need to stick to a disciplined work schedule so as to enjoy the well-deserved time off.

### **Grades, Objectivity, and Qualitative Judgment**

The evaluation of students by their teachers is an essential part of formal schooling. This ongoing process of evaluation informs the teacher about what a student has mastered, where he/she is struggling, and what he/she should learn next. Evaluation and timely academic feedback are also necessary for the student’s self-understanding and self-management as a learner, particularly as children mature. Finally, evaluation and academic updates are crucial for parents if they are successfully to support and oversee the education of their children. While older students are more capable of receiving direct feedback from their teachers through written evaluations and quarter or semester grades, parents play the essential role in conveying to younger children what they need to know about their own progress and growth, since the report cards are written for the parents and not for the students.

A Great Hearts classical, liberal arts education calls upon teachers, students, and families to place their primary attention upon *learning and growth*, not upon the mere letter or number grades which are assigned as shorthand summaries of student progress. In the context of a classical education, “What grade am I/is my child getting?” is not the right question to ask; instead, the focus should be on specific areas of success, growth/progress, and struggles/

opportunities for improvement. When students are young, this is a conversation between parent and teacher: *“My child usually does well on math tests, but I see that the last one she brought home was a 62—what went wrong? was there a pattern to her mistakes? Is he participating more? What’s one thing he can do to improve his participation in class? Did she miss any homework assignments last week? Why are his quiz scores so low? How can she better prepare for her vocabulary tests?”*

But as children transition into adolescence, this conversation should increasingly take place between *student and teacher*, with parental support and guidance where needed, and only with the purpose of helping the student to become fully independent. By the time students have entered high school, the training wheels should be completely off, and both **parents and teachers should expect the student to be the active, autonomous, self-regulating, primary agent of his or her own learning and progress.**

In the classical, liberal arts tradition of education, the work of assigning numerical and/or letter grades to student learning is understood to be **an act of qualitative human judgment**, aided by but not reducible to the impersonal quantifiable results of a system, a calculation, or a set of spreadsheet formulas. But by “human judgment” we do not mean “subjective”, for the rigorous, qualitative evaluation of student learning is not mere sentiment or an expression of a teacher’s arbitrary likes and dislikes.

Our way of viewing grades is increasingly out of fashion in a world shaped by purely quantitative thinking and by digital tools of information management, from the Fitbit to banking apps to the invisible systems of “big data” that give business and government unprecedented knowledge and power to influence human behavior. Indeed, such digital tools have increasingly become part of what is accurately now called “the education *industry*”, and the widespread use of these platforms for quantitative grade monitoring has made it increasingly difficult for 21<sup>st</sup>-century parents and teachers alike to think about learning in its qualitative essence. As the proverb of the telecommunications age has it, *the medium is the message*, and the medium of the digital grade platform, well suited to tracking quantitative data, silently and relentlessly conveys the message that *the entire process of education is about measurable outcomes—the numbers, the results, the score, the return-on-investment*. Classical, liberal arts education categorically rejects this view.

And because of the apparent ease and convenience of such digital systems, the greater good of academic conversation between parent and teacher, student and teacher, and even between parent and student, is bypassed in favor of the lesser good of instant information. Students who don’t have to talk to their teachers or their parents about how they did on the last test, whether they turned in their missing homework, or whether they’ve been improving their participation, do not develop into autonomous, self-regulated learners.

For these reasons—because of our focus upon the qualitative, upon conversation, upon the process of learning, and upon the development of student autonomy, **Great Hearts does not employ an on-line system or portal to enable parents to check on student grades.**

### **Special Categories of Student Evaluation: Depth of Inquiry, Sense of Wonder, and Participation**

A Great Hearts approach to student evaluation includes the discrete and quantitative: numerical scores on quizzes and tests, scores on projects, homework grades for completion and/or accuracy. But a classical, liberal arts education aims at developing not only basic skills and subject matter knowledge, but also habits of understanding, imagination, and analysis. The evaluative categories of *depth of inquiry*, *sense of wonder*, and *participation* describe some of these higher habits. **They are fundamentally qualitative categories of evaluation, best expressed in narrative and not in quantitative scores. They are also objective and not subjective, for they reflect real acts and habits of the student, not the teacher’s feelings or vague, personal impressions.**

When the teacher evaluates a student’s *depth of inquiry*, he/she gives answers to questions such as *does the student ask questions in class? What kinds of questions does she ask? Do his questions rise above the pursuit of right answers to seeking causes and reasons why? Does she seek to make connections between what is at hand and what was learned earlier in the course, or even with other subjects? Does the student get beyond rules and formulas? Can the he/she construct questions that are more specific than “I don’t get it”? Is the student limited to “what do I need to know for the test?”, or does he/she have a genuine desire to know? How does the student express depth of inquiry—is it in class discussions? On assignments, projects, or exams?* When the teacher evaluates a student’s *sense of wonder*, he/she answers questions such as *is the student interested by the subject matter’s mysteries, problems, or puzzles? Or does he “shut down” in the face of the difficult or the unknown? Does the student demonstrate curiosity? Does she ask relevant “what if...?” questions? Has the student had any “aha!” or “wow!” moments? Does the student demonstrate engagement? How?* Again, it is not only in overtly expressive classroom actions that wonder can be demonstrated; often, what a student writes or how he/she completes an assignment or a project can demonstrate this habit.

It is a mistake to think that *participation* is a measure only of a student’s active, self-initiated volunteering in the classroom. While this is part of participation, a teacher’s evaluation in this category answers a range of questions including *how does the student respond when the teacher calls upon him/her? Does he speak too much in class or too little? Is her participation self-centered, or is it mindful of others? Does the student listen well? Does she “track the speaker”? Does the student take notes or annotate readings, either in class or when working at home? Does he speak about the topic, or does he say whatever is on her mind regardless of relevance? Does she engage productively with others? Is he polite and courteous to classmates? Does she make distractingly silly or glib comments, or does she bring appropriate humor and playfulness to the classroom? Does he stay on task during independent or group work?*

**It is also a mistake to think that students’ wonder, depth, and participation are just reflections of fixed, innate dispositions in students:** that a certain kind of gregarious, talkative,

and socially uninhibited student gets an A for participation every year simply by showing up; that a student who is more naturally introverted will never be a strong participant and will never get more than a B; that certain students are just inquisitive and that's that. *Nothing could be further from the truth.* Students' natural dispositions are not evaluated; their actions and habits of learning are, and actions and habits are voluntary and can thus be altered through intention and effort. Some students will find certain habits of learning easier to develop than others, but intention and effort are still required. Teachers guide and encourage all students to develop all aspects of learning and give them the practice they need to grow where they need to grow, just like a good coach of young athletes, or a beginners' piano instructor.

**Grade Scale**  
(updated August, 2020)

The following letter grade scale with numerical equivalents is in use at all Great Hearts schools in Texas:

93-100	A
90-92	A-
87-89	B+
83-86	B
80-82	B-
77-79	C+
73-76	C
70-72	C-
67-69	D+
63-66	D
60-62	D-
0-59	F

*Note: there is no A+.*

The following letter scale is in use for Kindergarten and Specials:

E	Excellent
S	Satisfactory
N	Needs Improvement
U	Unsatisfactory

Grades assigned according to any different scale(s) prior to August, 2020 are unaffected by the adoption of this scale.

**Evaluation**

A liberal arts education requires a special kind of written evaluation – one that offers a prose discussion of the student's sense of wonder, depth of inquiry, specific areas of mastery and needs for improvement, and attitudes toward learning and towards others. The narrative treats

student in a fundamentally human way, not by neglecting numerical scores, but by situating those numbers as one part of fuller, more nuanced picture of the student's progress in a given course.

**Deficiency Notices:** Midway through each quarter, deficiency notices are mailed out to the parents of students who are currently not passing. These notices are intended to prompt students to make necessary changes and improve their academic standing before the end of the quarter.

**Reports:** At the end of the first and third quarters, parents will receive a report that indicates student performance in each subject area. At other reporting periods, teachers may write a narrative report for each student. These reports provide parents with specific feedback on a student's strengths and weaknesses within a given class. In addition to narrative commentary, these reports include student grades in various categories of assessment along with an overall letter grade for the semester.

**First Quarter Conferences:** After the first quarter, parents will meet with their child's classroom teacher and apprentice. Specials teachers will be available to schedule a conference.

**State Testing:** Students will also be assessed according to state requirements. Please review appendix for list of state standardized exams. All tests will be conducted during the school year and the results will be sent directly to families.

### **Promotion**

A student may be considered for retention or remediation (required to repeat a grade or particular course) if he or she has met any of the following criteria:

1. Failed one or more core subject areas;
2. Failed one or more state assessments;
3. Is below level in one or more core subject areas; or
4. Missed more than 10% of instructional days in an academic year.

Retention decisions will be made by a committee comprised of the child's core subject area teachers and the Headmaster or designee.

In order to be promoted to the next grade level, students in certain grade levels – with limited exceptions – will be required to pass the State of Texas Assessments of Academic Readiness (“STAAR”).

In order to be promoted to grade 6, students enrolled in grade 5 must perform satisfactorily on the mathematics and reading sections of the grade 5 STAAR assessment in English or Spanish.

In order to be promoted to grade 9, students enrolled in grade 8 must perform satisfactorily on the mathematics and reading sections of the grade 8 STAAR assessment in English.

If a student in grade 5 or 8 is enrolled in a course that earns high school credit and for which an end-of-course (“EOC”) assessment will be administered, the student will not be subject to the promotion requirements described above for the relevant grade 5 or 8 assessment.

If a student in grades 3–8 is enrolled in a class or course intended for students above his or her current grade level in which the student will be administered a state-mandated assessment, the student will be required to take an applicable state mandate assessment only for the course in which he or she is enrolled, unless applicable federal law requires otherwise.

Parents of a student who does not perform satisfactorily on his or her exams will be notified that their child will participate in special instructional programs designed to improve performance. The student may be required to participate in this instruction before or after normal school hours or outside of the normal school year.

A student in grade 5 or 8 will have two additional opportunities to take a failed EOC. If a student fails a second time, a grade placement committee will determine the additional special instruction the student will receive. After a third attempt, the student will be retained; however, the parent can appeal this decision to the committee. Whether the student is retained or promoted, an educational plan for the student will be designed to enable the student to perform at grade level by the end of the next school year.

In other grades, students will have multiple opportunities to retake EOC assessments.

Certain students—some with disabilities and some with limited English proficiency—may be eligible for exemptions, accommodations, or deferred testing.

### **Students with Disabilities**

Upon the recommendation of the Admission, Review, and Dismissal (“ARD”) Committee, a student with disabilities who is receiving special education services may be promoted and/or permitted to graduate under the provisions of his or her Individualized Education Program (“IEP”).

A student who receives special education services and has completed four years of high school but has not met the requirements of his or her IEP, may participate in graduation ceremonies and receive a certificate of attendance. Even if the student participates in graduation ceremonies to receive the certificate of attendance, he or she may remain enrolled to complete the IEP and earn his or her high school diploma; however, the student will only be allowed to participate in one graduation ceremony.

### **Student Success Initiative**

The Student Success Initiative (SSI) was created by the Texas Legislature to ensure that all students receive the instruction and support they need to be successful in reading and mathematics.

The SSI grade advancement requirements apply to the grade 5 mathematics and reading tests and the grade 8 mathematics and reading tests. As specified by these requirements, a student may advance to the next grade level only by passing these tests or, if the parent appeals, by unanimous

decision of his or her grade placement committee (GPC) that the student is likely to perform at grade level after accelerated instruction.

Students have three opportunities to meet the passing standard on each of the tests and will receive additional instruction after each testing opportunity on which they do not meet the standard. A GPC, consisting of the principal, teacher, and parent or guardian, meets when a student has not met the passing standard after two testing opportunities and is responsible for determining the accelerated instruction the student needs before the third testing opportunity. A student who does not meet the passing standard after three testing opportunities is automatically retained. However, if the parents appeal the retention, the GPC may choose to promote the student if all members agree that the student is likely to perform on grade level with additional accelerated instruction and if the student completes the required accelerated instruction.

For Special Education students, the ARD committee will serve as their Grade Placement Committee (GPC).

## **Family-Teacher Academic Partnership**

---

**As a preparatory school, the Academy believes that the student should be the primary agent in his or her education.** Our first priority in this regard is to encourage student responsibility by establishing an open line of communication between students and their individual teachers. Timely and effective communication between teachers, students, and parents is essential in fostering academic growth.

### **Communication Roles**

Student: Students are responsible for tracking assignments, understanding stated course requirements, and meeting deadlines. We strongly encourage students to meet with their teachers regularly for tutoring if they are having difficulty understanding specific concepts or material. It is also the job of the students to communicate honestly to their parents about their day-to-day performance and academic standing.

Teacher: Teachers are responsible for clearly communicating to the student what is expected of him or her. Teachers are also responsible for notifying parents when their student is struggling considerably with the material or is not performing as expected. See **Deficiency Notices** below.

Parent: The primary means by which parents can assist their children are:

1. Encouraging their children in their development in Academy goals, namely the growth of character and wisdom.
2. Providing a distraction-free study environment.

When students are experiencing significant academic struggles, parents should generally seek to assist the student according to these guidelines:

1. First, student communicates specific difficulty directly to teacher
2. Teacher meets with student to create action plan

3. If difficulty persists, parents contact teacher or vice versa
4. Teacher, parents, and possibly student meet to discuss and address issue
5. If difficulty persists, parents and/or teacher may contact the Assistant Headmaster
6. Assistant Headmaster facilitates conference with parents and teacher

To contact the teachers by phone, please call the school office and leave a message on the individual teacher's voice-mail box. Teachers may also be reached via e-mail; individual e-mail addresses are found on the school's website. **Teachers will return phone calls and emails by the end of the next school day.**

Note: We ask that students and parents not enter faculty or administrative offices without invitation. This is a private workspace which contains confidential school records. Stopping by the faculty office before or after school is not a good time to meet with teachers.

Parents of students in all grades are encouraged to talk with the faculty as soon as they think their son or daughter might be having difficulty. The earlier a problem is recognized, the easier it is to resolve. If you wish to talk with your child's teacher by phone, or to make an appointment for a conference, please call the school office and leave a message on the individual teacher's voicemail box with your name, your child's name, your phone number, and times during which you will be available. Teachers can also be reached via e-mail. The teacher will return communication by the end of the next school day. It is not appropriate to stop by the classroom before school starts to meet with the teacher, unless an appointment has been made. In the morning, teachers are monitoring students and it is important that they not be distracted from this duty. Our teachers' lunch time and prep time is also valuable and should be protected. If you would like to meet during the school day, please make an appointment.

While on campus, parents should always conduct themselves in a civil manner. Hostility, disrespectful speech, and vulgarity that Great Hearts determines is disruptive to the educational environment will not be permitted on campus, including in the parking lot. If parents are upset about a matter involving a teacher, we ask that they contact the Receptionist to set up an appointment with the appropriate teacher, Assistant Headmaster, or the Headmaster as the situation warrants.

### **Student-Teacher Relationships: On-campus and Off-campus**

The Academy highly values the working relationship between teachers (or staff) and students. This is a relationship best characterized as a *professional* friendship grounded in mutual respect. Teachers will treat each student as a unique individual and will serve the student with a heart of charity. Students, on their part, will treat each teacher with the respect properly accorded his or her role as an authority figure and leader here at the Academy. With this in mind, students should address teachers by their formal title, i.e. Mrs., Ms., Mr., Dr., and their last name.

Our teachers, staff members, and coaches will maintain a proper professional boundary between him or her and the student. They will not be overly familiar with the student or get involved in the details of the student's personal life. (If a teacher senses that a student requires counseling for a social or family issue, that issue will be referred confidentially to the administration and/or parents). The faculty/staff/coaches of the Academy will insist on maintaining appropriate physical boundaries and will not meet in a room alone with a student with the door closed. It is

also Academy policy that faculty/staff do not transport students in their personal vehicles. This is excepting, of course, when transporting his/her own children, or when acting in some other capacity (for example as a camp counselor or church leader) *and* parental permission for such transportation is explicitly granted.

Many of our teachers and staff live in the same neighborhoods as our students hence it is appropriate to offer a word regarding off-campus relationships. ***The same professional rules governing on-campus relationships apply to off-campus relationships or chance meetings between students and faculty.***

It is not appropriate for students and teachers/staff to interact as anything other than students and teacher/staff, regardless of the location, time, or day of the week. Furthermore, students should not contact or visit teachers or staff members off campus unless the teacher or staff member has spoken with the parents and explicitly invited such contact, nor should teachers or staff contact students off-campus (other than phone calls regarding academics or school-sponsored extra-curricular activities), unless such contact has been approved by the parents.

Parents, students, and GH staff are advised that once a GH employee has separated from employment, the separated employee no longer represents GHA in any personal, professional, or political activities or relationships.

### **Academy Parent and Student Grievance Procedure**

Student and parent complaints or concerns can usually be addressed by a phone call or a conference with a teacher. For those complaints and concerns that cannot be handled so easily, the Academy has adopted a standard complaint policy as stated in the Academy policy manual. A copy of this policy may be obtained in the Headmaster's or Superintendent's office. The Academy parent and student complaint process is also summarized below

Process	Guidance Notes
<p><b>1. Introduction</b> It is the school policy to ensure that students or parents with a grievance relating to the Academy, its administration, and/or other employees shall, except as otherwise set forth below, use a procedure which may resolve grievances as quickly and as fairly as possible.</p>	
<p><b>2. Initial discussions</b> If you or your child has a grievance you should discuss it informally with the teacher, administrator, coach, or staff member directly involved in the matter. We hope that the majority of concerns will be resolved at this stage.</p>	<p>Informal discussions should resolve the vast majority of grievances. NOTE: Grievances or information involving an ongoing or imminent threat to a student's well being should skip this stage and be immediately directed to the Headmaster.</p>
<p><b>3. Stage 1</b> If you feel that the matter has not been resolved through informal discussions, you should put your grievance in writing to the appropriate teacher, administrator, coach, or staff member (again, the one directly involved). The school employee must offer a response within five (5) working days in an endeavor to resolve the matter.</p>	<p>The first stage should allow the family and school employee to resolve the grievance without the involvement of the Headmaster or Board of Directors. The aim should be to resolve the grievance at the lowest relevant level.</p>
<p><b>4. Stage 2</b> If the matter is not satisfactorily resolved, you may raise the matter, in writing, with the Headmaster, who must give a response within five (5) working days. This response may take the form of a letter and/or follow-up meeting with the family and any employee(s) involved in the matter. This meeting will be led by the Headmaster.</p>	<p>The Headmaster is the acting supervisor over all school employees.</p>
<p><b>5. Stage 3</b> If the matter is not satisfactorily resolved, you may raise the matter, in writing, with the Superintendent, who must give a response within five (5) working days. This response may take the form of a letter and/or follow-up meeting with the family and any employee(s) involved in the matter. This meeting will be led by the Superintendent.</p>	<p>The Superintendent is the acting supervisor over all Great Hearts Texas employees.</p>

<p><b>5. Stage 4</b> If the matter is not resolved to your satisfaction, and you wish to pursue this matter further, you should put your grievance in writing to the President of the Board of Directors. You may be entitled to have a meeting with the grievance committee established annually by the Board of Directors and comprised of directors. This committee will formally respond by setting a meeting or taking another course of action within thirty (30) days. If the Board as a whole is convened to address the grievance, all applicable public open meeting laws will be followed, including prior notice and the right of the employee to request an open meeting or an executive session for the hearing. The board's decision is final.</p>	<p>If the Board understands that stages 1 and 2 have not been completed, these may be a requirement prior to further action or hearing from the Board.</p> <p>A response by the committee may include a dismissal of the grievance, a formal reprimand of the school employee, or headmaster, and/or a directive for staff to develop an additional policy recommendation for Board consideration.</p>

## Basic School Information

### Office and Student Hours; Campus Access

The school office is open from 7:30 am until 4:30 pm every day that school is in session and will be closed during the month of July. The school phone number is 817-409-9098. Messages may be left on voice mail any time the phone is busy, or we are out of the office. Messages left after hours will be returned the next working day. Also, families may contact the administration via e-mail (please see the Directory or our website).

The administration asks that non-urgent calls to the school office be made between 9 and 11 and between 1 and 3, since other times during the school day are “high-traffic” periods. Messages for faculty can be left in their personal voice-mail boxes at any time, though e-mail is usually a quicker way to get in touch.

School starts daily at 7:45 am and ends at 3:30 pm. For safety reasons, students should not arrive on campus earlier than 7:15 am nor stay later than 4:00 pm, unless they are attending an organized, adult-supervised program associated with the school. Students must leave campus immediately after school dismisses in the afternoon, unless they are involved in an activity under the supervision of a teacher or sponsor. If a student is involved in an after-school activity, he or she must remain in the area where the activity is scheduled to take place. The student may not go to another area of the school without permission by the teacher or sponsor overseeing the activity.

Outside of scheduled school activities, students and parents should not enter the campus after hours, during holidays and breaks, or on weekends. For example, the school’s outdoor athletic and playground facilities are not open to general student or family use except in the context of a school activity or event. Unauthorized presence of this kind may constitute trespassing.

The Academy has a closed campus. **During the school day and excepting official school activities such as field trips and athletic contests, a student may not leave the campus except under parental supervision (including written permission for student drivers).** Students may also not receive any peer or adult visitors to the campus during the school day, including before school, during lunch, and after school.

On occasion, parents and guardians are welcome to eat lunch with their students. A separate place will be arranged. Parents are not permitted to invite students other than their own to eat with them. We ask that parents follow these guidelines and limit the number of times they visit for lunch in order to allow time for students to bond with their classmates outside of the classroom.

## **Administrative Responsibilities**

The **Headmaster** for the school is Mrs. Mandi Cannon. The Headmaster works with the Academy Board of Directors under the authority of Great Hearts Academies and is responsible for overseeing the day-to-day operations of the school. The Headmaster directly oversees the implementation of the Academy's curriculum and has sole authority to manage all teachers and staff at the Academy.

The **Assistant Headmaster** is Mrs. Katy Monwai. She assists the Headmaster with various administrative duties.

The **Deans** are Ms. Courtney McCartney, Mrs. Chandra Berlanga, and Mr. Elijah Mitchell. They assist the Headmaster with various administrative duties.

The **Director of Campus Operations** is Ms. Lekeatha Reed. She is responsible for daily operations of the entire school campus.

The **Registrar** is Ms. Nyree Preston. She manages and maintains the student enrollment process from start to finish and manages all attendance and absentee related matters on campus.

After the school's second year of operation, some faculty will also serve as **Master Teachers** and work closely with the Headmaster with curricular, teacher-mentoring, and administrative tasks. The Headmaster, then, functions as the head of the Master Teachers.

Questions or concerns about curricular should be directed to the appropriate teacher, master teacher, or the Headmaster. Questions or concerns about student conduct or discipline should be directed to the Dean of Students, Assistant Headmasters, or Headmaster. General questions regarding the school may be directed to Director of Campus Operations or to the Headmaster. If you are uncertain whom to contact about a particular issue, please contact the office, and we will direct you to the appropriate employee.

The Great Hearts CEO and management team work with the headmasters and schools and offer essential support. For more information about Great Hearts, please visit the website, [greatheartsamerica.org](http://greatheartsamerica.org). The Great Hearts management team includes:

- Mr. Jay Heiler, CEO
- Mr. Brendan Minter, Superintendent of Great Hearts Texas
- Mr. David Denton, Executive Director, North Texas
- Ms. Dejah Behnke, Vice President of Advancement
- Mr. Hector Santiago, VP of Finance & Administration
- Ms. Diane Jones, Regional Director of Special Student Services

*Note to Parents: Copies of resumes and fingerprint clearance cards for all Academy faculty, Great Hearts leadership and Academy board members are available upon request. Please direct your request to the assistant headmaster for assistance.*

## **Crisis Management Plan**

The Academy has an established Crisis Management Plan that is maintained and updated by the facilities and operations staff at Great Hearts. The plan outlines emergency procedures for natural disasters, violent situations, medical emergencies, and fires. Academy faculty and staff are trained in and drilled on the plan throughout the school year.

## **Official School Calendar and Website**

The official school calendar for each academic year is posted on the school website (<https://lakeside.greatheartsamerica.org/>) and distributed to each family prior to the start of school, usually in June. Any updates and revisions will also be found on the web version of the calendar, which is updated as needed. This calendar should be carefully coordinated with each family's own calendar and should be consulted on a regular basis throughout the year. The calendar identifies school holidays, half-days, special events, mandatory student fine arts performances, year-end ceremonies, etc. We encourage families to visit our website regularly to view communiqués, faculty contact information, updates on athletic and extracurricular schedules and locations, and other school related events and information.

## **Special Programs**

### **Bilingual/ESL Services**

The academy offers Bilingual/English as a Second Language (“ESL”) services at all appropriate grade levels for English language learners who are limited in their English proficiency. The program is designed to assist students identified as having limited English proficiency with development in language – listening, speaking, reading, and writing. The goal of the ESL program is to provide additional English language assistance to students, enabling them to become academically successful in all classes. Students are assessed with state- approved Oral Language Proficiency and Norm-Referenced Tests to qualify for placement in the program. If test results indicate either limited oral or limited cognitive academic English ability, the student (with parent approval) is provided additional English language support.

### **Special Education Services**

The Academy has the responsibility of identifying, locating, and evaluating individuals with disabilities who are 5–21 years of age and who fall within the school's jurisdiction. If you know or suspect that your child has a disability, please contact the Headmaster for information about available programs, assessments, and services.

Special education services are specifically designed to meet the unique needs of students with disabilities. Each student who receives special education services has an Individual Education Plan (“IEP”), which is developed by the student's Admission, Review, and Dismissal (“ARD”) Committee. The ARD Committee considers the student's disability and determines appropriate accommodations, supplementary aids, and/or services that are necessary for the student to participate in the general curriculum.

All special education services are provided in the least restrictive environment, which may be special education settings, general education settings, or a combination of both. All students receiving special education services are educated to the maximum extent appropriate with their non-disabled peers as well as participating in all school activities on the same basis as students who are not disabled.

The Notice of Procedural Safeguards – Rights of Parents of Students with Disabilities, can be obtained from the Special Education Director or at the Texas Education Agency Special Education Website: <http://www.tea.state.tx.us/special.ed/>. For further information, please contact the Headmaster or designee.

### **Providing Assistance to Students Who Have Learning Difficulties or Who Need Special Education Services**

If a student is experiencing learning difficulties, the parent may contact the Special Education Coordinator to learn about the School’s overall general education referral or screening system for support services. This system links students to a variety of support options, including referral for a special education evaluation. Students having difficulty in the regular classroom should be considered for tutorial, compensatory, and other academic or behavior support services that are available to all students including a process based on Response to Intervention (“RtI”). The implementation of RtI has the potential to have a positive impact on the School’s ability to meet the needs of all struggling students.

At any time, a parent is entitled to request an evaluation for special education services by presenting a written request to the Special Education Coordinator or an administrative employee. The Academy must, within 15 school days of receiving the request, either (1) give the parent an opportunity to give written consent for the evaluation or (2) refuse to provide the evaluation and provide the parent with written notice that explains why the child will not be evaluated. This written notice will include a statement that informs the parents of their rights if they disagree with the school. Additionally, the parent will receive a copy of the Notice of Procedural Safeguards – Rights of Parents of Students with Disabilities.

If consent for evaluation is obtained, then the Academy must complete the evaluation and report within 45 school days of the date it receives the written consent. The Academy must give a copy of the evaluation report to the parent.

### **Section 504 Services**

The Academy provides a free appropriate public education to each qualified student with a disability, regardless of the nature or severity of the student’s disability. A “student with a disability” is one who has a physical or mental impairment that substantially limits one or more of the student’s major life activities, has a record of having such an impairment, or is regarded as having such an impairment. A student with a disability is “qualified” if he or she is between the ages of three and 21, inclusive.

An appropriate education is the provision of regular or special education and related services that are (1) designed to meet the student’s individual educational needs as adequately as the needs of students who do not have disabilities are met; and (2) based on adherence to procedures that

satisfy federal requirements for educational setting, evaluation and placement, and procedural safeguards.

Qualified students with disabilities will be placed in the regular educational environment, unless the Academy demonstrates that education in the regular environment with the use of supplemental aids and services cannot be achieved satisfactorily. Should an alternate educational environment be necessary, the Academy shall comply with all legal requirements regarding least restrictive environment and comparable facilities for students with disabilities. In providing or arranging for nonacademic and extracurricular services and activities, the Academy shall ensure that a qualified student with a disability participates with students who do not have disabilities to the maximum extent appropriate.

To be eligible for services and protections against discrimination on the basis of disability under Section 504 of the Rehabilitation Act, a student must be determined, as a result of an evaluation, to have a “physical or mental impairment” that substantially limits one or more major life activities. If a student has or is suspected of having a disability, or requires special services, parents or teachers should contact the Headmaster for information concerning available programs, assessments, and services. For further information, please contact the Section 504 Coordinator.

### **Services for Title I Participants**

Information regarding the school’s participation in Title I or a specific Title I program may be obtained from the Headmaster or district office.

### **Pledges of Allegiance and Moment of Silence**

Each school day, students will recite the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag. Parents may submit a written request to the Headmaster or designee at the Academy office to excuse their student from reciting a pledge.

State law requires that one minute of silence follow recitation of the pledges. Each student may choose to reflect, pray, meditate, or engage in any other silent activity during that minute so long as the silent activity does not interfere with or distract others. In addition, state law requires that the Academy provide for the observance of one minute of silence at the beginning of the first-class period when September 11 falls on a regular school day in remembrance of those who lost their lives on September 11, 2001.

### **Recitation of the Declaration of Independence**

State law requires students in social studies classes in grades 3–12 to recite a portion of the text of the Declaration of Independence during “Celebrate Freedom Week.” A student will be exempted from this requirement if a parent provides a written statement requesting that the student be excused, the Academy determines that the student has a conscientious objection to the recitation, or the parent is a representative of a foreign government to whom the United States government extends diplomatic immunity.

## **Prayer and Meditation**

Students have a right to individually, silently, and voluntarily pray or meditate in school in a manner that does not disrupt instructional or other school activities. The Academy will not require, encourage, or coerce a student to engage in or refrain from such prayer or meditation during any school activity.

## **Lockers and Backpacks**

According to campus programming and as permitted by space and facilities, students in upper grades may be assigned a locker. Students must use the types of locks as directed by the school; combinations must be kept on file with the school office. The Academy requires that students keep their lockers locked throughout the day. The school is not responsible for the loss or theft of items stored in lockers. It will be incumbent on students to ensure their lockers are locked at all times, and to conceal their lock combination numbers to avoid lock tampering. The Academy reserves the right to inspect student lockers at any time, with or without notice, and at any time with or without reason. If there is a compelling reason to open a locker and the lock cannot be opened, school staff may cut the lock; families will not be compensated for a cut lock. Students are not permitted to write on or otherwise deface school lockers, inside or out. They may affix with magnets non-offensive posters or photos *inside* their lockers, but may not glue or paste stickers, and no decoration may be placed on the outside of any locker (excepting “Birthday Surprise” decorations on lockers, which must be removed at the end of the day).

Students may bring backpacks, gym bags, and purses to and from school. These items must be stored inside lockers or on the designated shelving units in the locker area during the school day and should not be brought into classrooms or left on the floor/ground. Backpacks and gym bags should be free of messages that are offensive or inappropriate to the Academy environment.

Academy officials may search and seize property when there is reason to believe that some material or matter is present that is detrimental to the health, safety, or welfare of students.

## **Searches**

In the interest of promoting student safety and attempting to ensure that the Academy is safe and drug free, school officials may from time to time conduct searches. Such searches are conducted without a warrant and as permitted by law.

Administrators, teachers and other professional personnel may question a student regarding the student’s own conduct or the conduct of other students. In the context of school discipline, students have no claim to the right not to incriminate themselves.

Students shall be free from unreasonable searches and seizures by school officials. School officials may search a student’s outer clothing, pockets, or property by establishing reasonable cause or securing the student’s voluntary consent. Express or implied coercion – such as threatening to contact parents or police – invalidates apparent consent.

A search is reasonable if (1) the school official has reasonable grounds for suspecting that the search will uncover evidence of a rule violation or a criminal violation and (2) the scope of the search is reasonable related to the circumstances justifying the search; i.e., the measures adopted are reasonably related to the objectives of the search and are not excessively intrusive in light of the age and sex of the student and the nature of the infraction.

### **Desk and Locker Searches**

Students should have no expectation of privacy in the contents of their lockers, desks or other school property. Lockers and desks assigned to students remain at all times under the control and jurisdiction of the Academy. The Academy will make periodic inspections of lockers and desks at any time, with or without notice or student consent. School officials will remove any item that violates school policy or that may potentially be dangerous.

Students have full responsibility for the security of their lockers and desks and shall be held responsible for any prohibited items found during a search. The student's parent shall be notified if any prohibited articles or materials are found in a student's locker or desk, or on the student's person, as a result of a search conducted in accordance with this policy.

### **Vehicles on Campus**

Vehicles parked on school property and property under school control are under the jurisdiction of the Academy and may be searched at any time if reasonable suspicion exists to believe that the search will result in evidence that school rules or other laws have been violated. If a vehicle subject to search is locked, the student shall be asked to unlock the vehicle and consent to a search of the vehicle. If the student refuses to permit the vehicle to be searched, the Academy may contact the student's parents and/or law enforcement officials. A student may be held responsible for and in possession of prohibited items found in his or her vehicle parked on school property or at a school-related event.

### **Random Drug Searches**

In order to ensure a drug-free learning environment, the Academy conducts random drug searches of all school facilities. The Academy may use or contract for specially trained nonaggressive dogs to sniff out and alert school officials to the current presence of concealed prohibited or illegal items, including drugs and alcohol. Canine visits may be unannounced. The dogs shall be used to search vacant classrooms, vacant common areas, the areas around student lockers, and the areas where vehicles are parked the Academy property or at school-related events. The dogs shall not be asked to alert on students. A dog alert to a locker, vehicle, or item in a classroom, constitutes reasonable grounds for a search by school officials.

## **Law Enforcement Agencies**

### **Questioning of Students**

When law enforcement officers or other lawful authorities wish to question or interview a student at school:

- The Headmaster will verify and record the identity of the officer or other authority and ask for an explanation of the need to question or interview the student at school.

- The Headmaster ordinarily will make reasonable efforts to notify the parents unless the interviewer raises what the Headmaster considers to be a valid objection.
- The Headmaster ordinarily will be present unless the interviewer raises what the Headmaster considers to be a valid objection.
- The Headmaster will cooperate fully regarding the conditions of the interview, if the questioning or interview is part of a child abuse investigation.

When the investigation involves allegations of child abuse, special rules apply. See “Child Abuse Reporting and Programs.”

### **Students Taken into Custody**

State law requires the Academy to permit a student to be taken into legal custody:

- Pursuant to an order of the juvenile court;
- Pursuant to the laws of arrest;
- By a law enforcement officer if there is probable cause to believe the student has engaged in delinquent conduct or conduct in need of supervision;
- By a probation officer if there is probable cause to believe the student has violated the terms of probation imposed by a juvenile court;
- Pursuant to a properly issued directive to apprehend; or
- By an authorized representative of the Texas Department of Family and Protective Services, a law enforcement officer, or a juvenile probation officer, without a court order and under the conditions set out in Texas Family Code § 262.104 relating to the student’s physical health or safety.

Before a student is released to a law enforcement officer or other legally authorized person, the Headmaster will verify the officer’s identity and, to the best of his or her ability, verify the official’s authority to take custody of the student.

The Headmaster will immediately notify the Superintendent and will ordinarily attempt to notify the parent unless the officer or other authorized person raises what the Headmaster considers to be a valid objection to notifying the parents.

### **Child Abuse Reporting and Programs**

The Academy provides child abuse anti-victimization programs and cooperates with official child abuse investigators as required by law. The Academy also provides training to its teachers and students in preventing and addressing incidents of sexual abuse of children, including knowledge of likely warning signs indicating that a child may be a victim of sexual abuse. Assistance, interventions, and counseling options are also available.

The school’s administration shall cooperate with law enforcement investigations of child abuse, including investigations by the Texas Department of Protective and Family Services. School officials may not refuse to permit an investigator to interview a student who is alleged to be a victim of abuse or neglect at school. School officials may not require the investigator to permit school personnel to be present during an interview conducted at school.

Investigations at school may be conducted by authorized law enforcement or state agencies without prior notification or consent of the student's parent, if necessary.

## **Plan for Addressing Sexual Abuse of Students and Other Maltreatment of Children**

### **What is Sexual Abuse of a Child?**

The Texas Family Code defines "sexual abuse" as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as, in certain circumstances, failure to make a reasonable effort to prevent sexual conduct harmful to a child.

### **What is Other Maltreatment of a Child?**

Under State law, "other maltreatment" of a child includes "abuse" or "neglect," as defined by Texas Family Code sections 261.001 and 261.401.

### **Reporting Obligation**

Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility, under state law, for reporting the suspected abuse or neglect to law enforcement or to the Texas Department of Family and Protective Services ("DFPS"). Reports may be made by contacting one of the following:

- Texas Abuse Hotline: 1-800-252-5400 or, in non-emergency situations only, <http://www.txabusehotline.org>.
- Fort Worth Police Department (non-emergency reports) 817-392-4222.
- Call 911 for emergency situations.

The Academy has established a plan for addressing sexual abuse and other maltreatment of children (the "Plan").

### **Methods for Increasing Awareness Regarding Sexual Abuse or Other Maltreatment of Children**

***For Teachers:*** The Academy annually trains teachers in all content areas addressed in the Plan. Training will include contents of the adopted board policy and is provided by campus staff, administrative staff, or outside agencies as determined by the Headmaster.

***For Students:*** School counseling staff will address issues to increase awareness regarding sexual abuse and other maltreatment of children and anti-victimization programs with age appropriate conversation and materials. Sexual abuse awareness will be discussed in classroom group settings, or as otherwise deemed appropriate by campus administrators.

***For Parents:*** Parents must be aware of warning signs indicating that their child may have been or is being sexually abused or otherwise maltreated. A child who has experienced sexual abuse or other maltreatment should be encouraged to seek out a trusted adult. Be aware as a parent or other trusted adult that evidence of sexual abuse or other maltreatment may be more indirect than disclosures or signs of physical abuse. It is important to remain calm and comforting if your

child, or another child, confides in you. Reassure the child that he or she did the right thing in coming to you.

The fact that the abuser is a parent or other family member does not remove your obligation to protect the child. Parents who permit their child to remain in a situation where he or she may be injured or abused may also be subject to prosecution for child abuse. And, if you are frightened for your own safety or that of your child, you should call 911 or 1-800-252-5400.

Also remember that parents are legally responsible for the care of their children and must provide their children with safe and adequate food, clothing, shelter, protection, medical care and supervision, or arrange for someone else to provide these things. Failure to do so may be considered neglect.

The Headmaster or campus counselor will provide information regarding counseling options available in your area for you and your child if your child is a victim of sexual abuse or other maltreatment. The Department of Family Protective Services (“DFPS”) also provides early abuse intervention through counseling programs. Services in your county can be accessed at the following web address:

### **Likely Warning Signs of Sexual Abuse or Other Maltreatment**

Psychological and behavioral signs of possible sexual abuse or other maltreatment may include:

- Nightmares, sleep problems, extreme fears without an obvious explanation.
- Sudden or unexplained personality changes; becoming withdrawn, angry, moody, clingy, “checking out” or showing significant changes in eating habits.
- Depression or irritability.
- An older child behaving like a young child, for example, bedwetting or thumb-sucking.

- Developing fear of certain places or resisting being alone with an adult or young person for unknown reasons.
- Resistance to routine bathing, toileting, or removing clothes, even in appropriate situations.
- Play, writing, drawings, or dreams of sexual or frightening images.
- Refusal to talk about a secret he or she has with an adult or older child.
- Leaving clues that seem likely to provoke a discussion about sexual issues.
- Using new or adult words for body parts.
- Engaging in adult-like sexual activities with toys, objects or other children.
- Developing special relationships with older friends that may include unexplained money, gifts, or privileges.
- Intentionally harming him or herself, for example, drug/alcohol use, cutting, burring, running away, and sexual promiscuity.
- Thinking of self or body as repulsive, dirty, or bad.
- Becoming increasingly secretive about Internet or telephone use.

**Physical symptoms of possible sexual abuse or other maltreatment include:**

- Stomachaches or illness, often with no identifiable reason.
- Difficulty in walking or sitting.
- Stained or bloody underwear.
- Genital or rectal pain, itching, swelling, redness, or discharge.
- Bruises or other injuries in the genital or rectal area.
- Unexplained soreness, pain or bruises around mouth, sexually transmitted disease, or pregnancy.

Any one sign does not necessarily mean that a child has been sexually abused or maltreated, but the presence of several signs is the time you should begin asking questions and seeking help. Signs often first emerge at other times of stress, such as during a divorce, death of a family member or pet, problems at school or with friends, or other traumatic or anxiety-inducing events.

**Actions That A Child Who Is A Victim of Sexual Abuse or Other Maltreatment Should Take**

During student awareness sessions concerning sexual abuse and maltreatment issues, students will be encouraged to tell a trusted adult in a private and confidential conversation if they have been a victim of sexual abuse or maltreated or have been in situations that make them feel uncomfortable in any way. School employees are trained to take appropriate actions to help the child obtain assistance and to follow proper reporting procedures. Older students will also be provided with local crisis hotline numbers to obtain assistance.

**Procedures for Use of Restraint and Time-Outs**

School employees, volunteers or independent contractors are authorized to use restraint in the event of an emergency and subject to the following limitations:

- Only reasonable force, necessary to address the emergency, may be used.
- The restraint must be discontinued at the point at which the emergency no longer exists.

- The restraint must be implemented in such a way as to protect the health and safety of the student and others.
- The student may not be deprived of basic human necessities.

At no time, however, may a student be placed in seclusion.

A student with a disability may not be confined in a locked box, locked closet, or other specially designated locked space as either a discipline management practice or a behavior management technique.

### **Drills: Fire, Tornado, and Other Emergencies**

From time to time, all members of the school community will participate in drills of emergency procedures. When a drill is initiated (either by an alarm or announcement), students should follow the instructions from their teachers or other individuals in charge quickly, quietly, and in an orderly manner.

### **Emergency Closings**

Generally, the Academy dismisses classes for weather-related events on the same days as surrounding local independent school districts. Any closures for weather will be communicated to all families by text message via our notification service and by email.

The Academy may also need to close during certain emergency situations beyond the control of school officials. The announcement of non-weather-related school closings will be also be communicated to families through our notification service.

### **Pest Control Information**

The Academy periodically applies pesticides inside school buildings and on school grounds. Except in an emergency, signs will be posted 72 hours before application. Students may not reenter a treated area inside a building or use an area on school grounds for at least 12 hours following application. Parents who want to be notified prior to pesticide application may contact the Headmaster.

### **Accident Prevention**

Student safety on campus and at school-related events is a high priority of the Academy. Although the Academy has implemented safety procedures, the cooperation of students is essential to ensure school safety. Students should:

- Avoid conduct that is likely to put the student or other students at risk.
- Follow the behavioral standards in this Handbook and the Student Code of Conduct, as well as any additional rules for behavior and safety set by the Headmaster, teachers, or bus drivers.
- Remain alert to and promptly report to a teacher or the Headmaster safety hazards, such as intruders on campus and threats made by any person toward a student or staff member.

- Know emergency evacuation routes and signals.
- Immediately follow the instructions of teachers, bus drivers, and other school employees.

### **Asbestos Management Plan**

All school facilities have been inspected for asbestos by a licensed Asbestos Hazard Emergency Response Act (“AHERA”) inspector. An Asbestos Management Plan has been created for the Academy in accordance with federal regulations. Parents may view the Asbestos Management Plan by contacting the Headmaster. Copies of the management plan are also available at a reasonable charge.

### **Bacterial Meningitis**

State law requires the Academy to provide the following information:

#### **What is Meningitis?**

Meningitis is an inflammation of the covering of the brain and spinal cord. It can be caused by viruses, parasites, fungi, and bacteria. Viral meningitis is common, and most people recover fully. Parasitic and fungal meningitis are very rare. Bacterial meningitis is very serious and may involve complicated medical, surgical, pharmaceutical, and life support management.

#### **What are the Symptoms?**

Someone with meningitis will become very ill. The illness may develop over one or two days, but it can also rapidly progress in a matter of hours. Not everyone with meningitis will have the same symptoms.

Children (over two years of age) and adults with meningitis commonly have a severe headache, high fever, and neck stiffness or joint pains. Other symptoms might include nausea, vomiting, discomfort looking into bright lights, confusion, and sleepiness. In both students and adults, there may be a rash of tiny, red- purple spots. These can occur anywhere on the body. The diagnosis of bacterial meningitis is based on a combination of symptoms and laboratory results.

#### **How Serious Is Bacterial Meningitis?**

If it is diagnosed early and treated promptly, the majority of people make a complete recovery. In some cases, it can be fatal, or a person may be left with a permanent disability.

#### **How Is Bacterial Meningitis Spread?**

Fortunately, none of the bacteria that cause meningitis are as contagious as diseases like the common cold or the flu, and they are not spread by casual contact or by simply breathing the air where a person with meningitis has been. The germs live naturally in the back of our noses and throats, but they do not live for long outside the body. They are spread when people exchange saliva (such as by kissing and sharing drinking containers, utensils, or cigarettes, coughing, or sneezing).

The germ does not cause meningitis in most people. Instead, most people become carriers of the germ for days, weeks, or even months. The bacteria rarely overcome the body's immune system and cause meningitis or another serious illness.

### **How Can Bacterial Meningitis Be Prevented?**

Maintaining healthy habits, including getting plenty of rest, can help prevent infection. Using good health practices such as covering your mouth and nose when coughing and sneezing and washing your hands frequently with soap and water can also help stop the spread of the bacteria. Students should not share food, drinks, utensils, toothbrushes, or cigarettes. Students should limit the number of persons they kiss.

There are vaccines available to offer protection from some of the bacteria that can cause bacterial meningitis. \* The vaccine is safe and effective (85-90 percent). It can cause mild side effects, such as a redness and pain at the injection site lasting up to two days. Immunity develops within seven to ten days after the vaccine is given and lasts for up to five years.

### **What Should You Do If You Think You or A Friend Might Have Bacterial Meningitis?**

Students should seek prompt medical attention.

### **Where Can You Get More Information?**

Your family doctor and the staff at your local or regional health department office are excellent sources for information on all communicable diseases. You may also call your local health department or Regional Texas Department of Health office to ask about meningococcal vaccine. Additional information may also be found at web sites for the Centers for Disease Control and Prevention, <http://www.cdc.gov>; and the Texas Department of State Health Services ("TDSHS"), <http://www.dshs.state.tx.us>.

\*Please note that the TDSHS requires at least one meningococcal vaccination between grades 7 and 10, and state guidelines recommend this vaccination be administered between age 11 and 12, with a booster dose at 16 years of age. Also note that entering college students must show, with limited exception, evidence of receiving a bacterial meningitis vaccination within the five-year period prior to enrolling in and taking courses at an institution of higher education. Please see the main office for more information, as this may affect a student who wishes to enroll in a dual credit course taken off campus.

## **Illnesses and Communicable Diseases**

To protect other students from contagious illnesses, the Academy encourages the practice of common-sense health habits which will reduce exposure to various contagious illnesses. All employees and students will be encouraged to:

- Remain at home when ill.
- Remain at home until fever free for 24 hours.
- Cover the mouth and nose when coughing or sneezing.
- Avoid sharing eating and drinking utensils.
- Avoid sharing hair brushes and articles of clothing including headwear.

- Wash hands frequently and well with soap and water.

To further protect employees and students with the following symptoms are to be excluded from school:

- Temperature of 100.0 degrees F or above.
- Diarrhea, nausea, and/or vomiting
- Red eye with purulent discharge or crusting
- Scaly patches on the scalp which could indicate ringworm
- Open, draining lesions which could indicate impetigo
- Signs of jaundice such as yellowing of the skin or eyes
- Unknown rash

Students infected with certain diseases are not allowed to come to school while contagious. Parents of students with a communicable or contagious disease should notify the Headmaster for reporting to the health department. Among the more common of these diseases are the following:

Bacterial Meningitis, Hepatitis A, Impetigo, Ringworm of the scalp (tinea capitis) and Scabies.

Any student excluded from school attendance for reason of communicable disease may be readmitted by one or more of the following methods, as determined by the local health authority:

- Certificate of the attending physician, advanced practice nurse, or physician assistant attesting that the child does not currently have signs or symptoms of a communicable disease or to the disease's non-infectiousness in a school setting;
- Submitting a permit for readmission issued by a local health authority; or
- Meeting readmission criteria as established by the commissioner of health.

Students will NOT be excluded for Ringworm of the skin if covered and is being properly treated; Hepatitis B; Bed Bugs; or Head Lice (pediculosis capitis) once parents confirm their student has been treated.

The Academy position on head lice is in compliance with the current positions of the American Academy of Pediatrics, the American School Health Association, and the National Association of School Nurses. As with all confidential health matters, the Academy does send notes to classmates though classroom teachers are advised.

## **Counseling**

### **Personal Counseling**

The Headmaster is available to assist students with a wide range of personal concerns, including social, family, or emotional issues, and substance abuse. The academy also contracts with a licensed counselor to work with students that are referred for services by the Headmaster and with approval from the student's parents. The services of this counselor are limited to students who are experiencing struggles outside of school that are impacting their ability to flourish at school. The Headmaster may also provide information about community resources to address these concerns. A student who wishes to meet with the Headmaster should set an appointment through the Receptionist.

**Please note:** The Academy will not conduct a psychological examination, test, or treatment without first obtaining the parent's written consent, unless required by state or federal law for special education purposes or by the Texas Education Agency for child abuse investigations and report

### **Food and Drink on Campus**

Refrigerators are not available for student use, so care should be taken in packing lunches.

Food and drink (except bottled water with lids) is not permitted in the classrooms or halls absent special permission from the Headmaster.

There are several water fountains available on the campus. During hot weather, students are encouraged to bring clear plastic water bottles to school with their names printed on them. Students may refill these bottles from any of the drinking fountains on campus. As a precaution against sickness, students should not share or drink from the same bottles.

### **Lost and Found**

The Academy maintains a lost and found box in the main lobby. Unclaimed items will be given away or discarded periodically throughout the year. It is strongly recommended that all personal items be marked with the student's name. Uniform clothing should have the family name on the inside label; calculators should have the name etched on them, and we recommend that student-owned consumable books have the student's name prominently displayed either on the front cover or on one of the four sides of the book. All unidentified clothing, lunch boxes, etc. not claimed within one week will be donated. Anyone who finds books, clothing or other personal items left unattended should bring these items to the front office. Items will be kept in lost and found for up to seven days. The hallways are inspected each evening and all unsecured items are placed in the front office.

# Traffic Procedures

## Morning Drop Off

*Please carefully read this procedure while looking at the “Drop Off/Pick Up Map” on the next page.*

1. **Campus Opening Time:** The GHLS campus opens for student at 7:15 AM. No students are allowed on campus prior to 7:15 AM.

a. Lower school students will go directly to their classroom upon arrival unless he or she is going to eat breakfast, then the student will go directly to the Multipurpose Room. Upper school students will go directly to a designated area upon arrival unless he or she is going to eat breakfast, then the student will go directly to the Multipurpose Room.

a. To facilitate the drop-off process, please follow the wave schedule.

***Families with only lower school*** students arrive in carline between 7:15 AM – 7:30 AM.

***Families with both lower/upper school*** students can arrive in carline as early as 7:15 AM.

***Families with only upper school*** students arrive in carline between 7:45 AM – 7:55 AM.

**Entrance:** All parents must enter the driveway after performing a U-turn on Harris Parkway. After arriving in the parking lot, please follow the GREEN arrows on the map for the traffic flow inside the parking lot.

**Drop-Off (7:15 AM – 7:40 AM):** The lane in front of the school will split into two lanes for drop-off. Vehicles will pull up and drop off in the area between the fire hydrant and the stairs. Staff will take students from the cars to the front entrance. **When all students have been cleared from vehicles, upon direction of the staff, cars may proceed to exit. Please closely follow the directions of the staff. Do not move forward until instructions have been given.**

After you have dropped off your child, the lane will narrow to one. Parents must remain in their cars during the entire process. Please turn off your cell phone while you are in the queuing lane.

**Lower School Late Arrival (7:40 AM):** Please park in the parking lot and walk your student(s) into the building using the crosswalk. **You can no longer park in the carline because it will block upper school carline.** You must come into the building to sign your students in.

**Drop-Off (7:45 AM – 7:55 AM):** The outside lane will be closed at 7:45 AM and there will be reduced teacher supervision. Upper school students will let themselves out of their cars at the curb on their own.

**Walk-Ups:** You will cross Harris Parkway at the crosswalk, then cross at the north end of the avocado. Please ensure to respect the directions of the staff members working the crosswalks. Form a line at the side door

with the sign “Welcome Walk-Ups!” Scholars will enter the building through the side door.

### **Afternoon Pick Up**

1. **Parent arrival:** Lower school ends at 3:30 PM (1:30 PM – half days) and upper school ends at 3:50 PM (1:50 PM – half days). Please *post the pick-up tag in the windshield or on a sun visor* so it is visible to staff. ***If you forget your tag, please park in a designated spot following the direction of the staff member and approach the front office with your identification.***

a. To facilitate the pick-up process, please follow the wave schedule.

#### ***Full Day***

***Only Kindergarten – Second*** grade pick-up begins at **3:30 PM.**

***Only Third – Fifth*** grade pickup begins at **3:40 PM.**

***Sixth – Seventh*** grade pick-up begins at **3:50 PM.**

*Please pick up all younger siblings at the **older students’ time.***

*If you have a lower and upper school student, please arrive at 3:50 PM.*

#### ***Half Day***

***Only Kindergarten – Second*** grade pick-up begins at **1:30 PM.**

***Only Third – Fifth*** grade pickup begins at **1:40 PM.**

***Sixth – Seventh*** grade pick-up begins at **1:50 PM.**

*Please pick up all younger siblings at the **older students’ time.***

*If you have a lower and upper school student, please arrive at 1:50 PM.*

**Entrance:** All parents must enter the driveway after performing a U-turn on Harris Parkway. After arriving in the parking lot, please follow the GREEN arrows on the map for the traffic flow inside the parking lot.

**Pick-Up:** The lane in front of the school will split into two lanes for pick up. Parents will pick up their students in the area between the overhang at the front of the school and the stairs. Staff will accompany students from front of the school to the vehicle. Staff are not permitted to buckle students into the vehicle or into a child safety seat. **When all students are safely secured in their vehicles, upon direction of the staff, cars may proceed to exit. Please closely follow the directions of the staff. Do not move forward until instructions have been given.**

After you have picked up your child, the traffic pattern will return to one lane. Parents must remain in their cars during the entire process. Please turn off your cell phone while you are in the queuing lane.

**Walk-Ups:** Please walk around the sidewalk, following the loop/avocado. **You will not cross traffic.** Form a line at the side door labeled “Welcome Walk-Ups!” You will need to show your pick-up sign and wait outside the building for your scholar. **Pick-up signs will be given out at Meet the Teacher.**

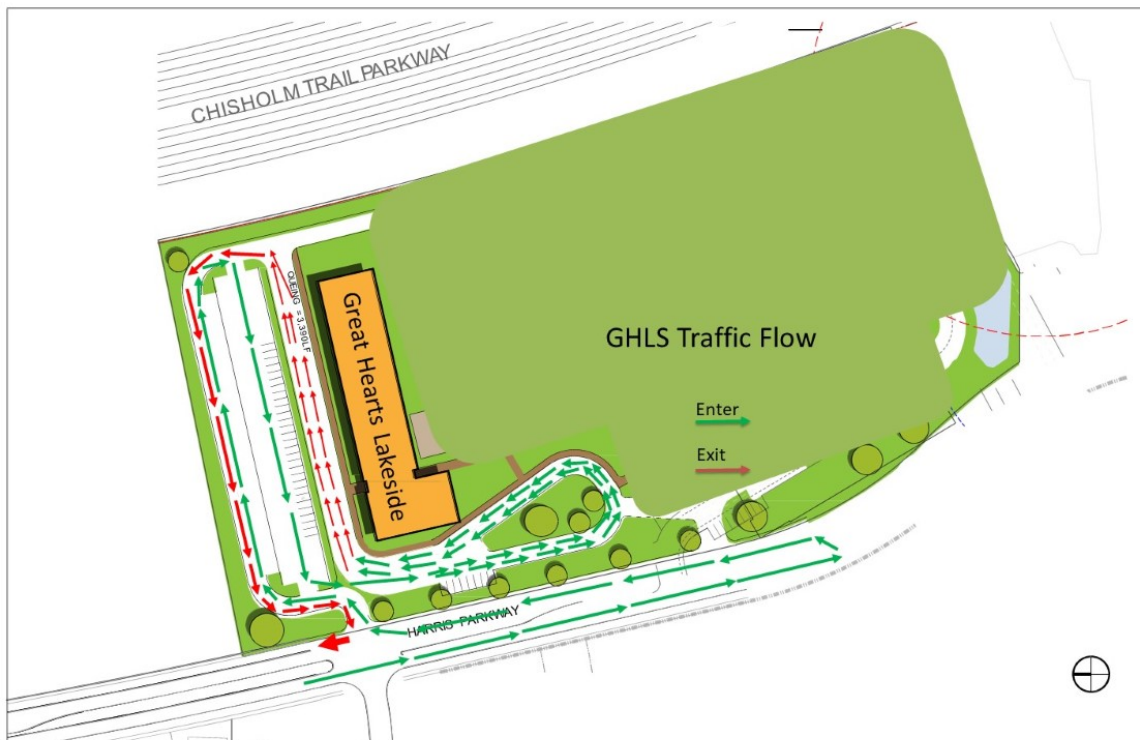

**Campus Close Time:** At 4:10 PM, any remaining lower school students will be sent outside to sit with older siblings. All students must be picked upon by 4:15 PM, when faculty supervision ends.

After 4:15 PM (2:15 PM on early release days) students who have not been picked up will be called by the school administration. **Late pick-up will be administered by Athenaeum/Homework Club and a charge of \$1 per minute will be incurred.** Parents arriving after 4:15 PM (2:15 PM on early release days) will need to park and sign their child out.

Students should be picked up within 10 minutes of the end of practice or club. Any student still waiting will fall under the above policy. Siblings of students in clubs and sports must be picked up before 4:10 PM, may enroll in Athenaeum/Homework Club, or incur the late charge.

Please email [Lekeatha.Reed@GreatHeartsLakesid.org](mailto:Lekeatha.Reed@GreatHeartsLakesid.org) with any questions and feedback that you may have.

Students who walk or bicycle to school must arrive no earlier than 7:30 a.m. Students may lock up bicycles at the bike racks, but all bicycles must be removed at the end of the school day; no bikes should be left on campus after hours or on weekends. Great Hearts Lakeside is not responsible for any bicycles or other personal property left on the campus after hours or on weekends.

## **Transportation**

The Academy does not provide bus transportation to or from school. Students planning to use public transportation should contact the Headmaster for possible discounts.

Students will not be released to leave school with any adult except the parent, or by written permission of the child's parent. If another adult will be picking up your child to drive home after school, please file permission with the office through required annual enrollment or re-enrollment documents.

Academy students are not permitted to leave campus in any car driven by someone other than the parent, unless explicit written permission from the parent is on file with the school office or the adult has a school designated pick up tag. It is school policy that faculty/staff do not transport students in their personal vehicles to or from school or to and from school events.

***Once a student is on campus, he/she may not leave except under parental supervision or under the supervision of an authorized teacher or coach.***

### **Student Trips Away from Campus**

Student will have the opportunity to take a field trip once a year. Some trip guidelines for families are: 1) all families must sign a permission slip and liability waiver before the student travels and 2) the student traveling must follow all the rules established by the school and trip director. For its part, the Academy will maintain the safest travel conditions possible and provide appropriate supervision by the chaperones. On all trips, the Academy maintains a reasonable student-teacher chaperone ratio. Parents who agree to be chaperones on trips must follow the guidelines established by the trip director and have their fingerprint clearance on file with the front office.

### **School-Sponsored Transportation**

Students who participate in school-sponsored trips are required to use transportation provided by the Academy to and from the event.

Only designated students are allowed to ride in school vehicles. Students may neither ride the vehicle to a different location nor have friends ride the vehicle to participate in after-school activities.

Students are expected to assist school staff in ensuring that school vehicles remain in good condition and that transportation is provided safely. When riding school vehicles, students are held to behavioral standards established in this Handbook and the Student Code of Conduct. Students must:

- Follow the driver's instructions at all times.
- Enter and leave the vehicle in an orderly manner at the designated stop.
- Keep feet, books, band instrument cases, and other objects out of the aisle.
- Refrain from defacing the vehicle or its equipment.

- Refrain from putting his or her head, hands, arms, or legs out of the window, holding any object out of the window, or throwing objects within or out of the vehicle.
- Wait for the driver's signal upon leaving the vehicle and before crossing in front of the vehicle.
- Not eat and drink on the vehicle.

When students ride in a school van or passenger car, seat belts must be fastened at all times.

Student misconduct while riding in a school vehicle will be punished in accordance with the Student Code of Conduct. Additionally, student transportation privileges may be suspended.

### **Campus Leave and Visitor Policies**

The Academy welcomes visitors for educational purposes. For the safety of those within the school and to avoid disruption of instructional time, the Academy maintains a closed campus. Therefore, anyone wishing to enter the school property between the hours of 7:30 am and 4:30 pm must come directly to the school office and sign in to receive a visitor's badge.

The Headmaster or designee may take the following actions whenever there is a school visitor:

- Require the visitor to display his or her driver's license or another form of identification issued by a governmental entity containing the person's photograph.
- Establish an electronic database for the purpose of storing information concerning visitors. Information stored in the electronic database may be used only for the purpose of school security and may not be sold or otherwise disseminated to a third party for any purpose.
- Verify whether the visitor is a sex offender registered with the computerized central database maintained by the Department of Public Safety or any other database accessible by the Academy.

Any visitor identified as a sex offender shall be escorted by school personnel at all times during a school visit and shall have access only to common areas of the campus.

All visitors are expected to demonstrate the highest standards of courtesy and conduct; disruptive behavior will not be permitted. Cell phone use is restricted to the front desk area and parking lot. Thus, we ask that all visitors put away their cell phones during their visit. This is essential to the cultivation of a small academy culture in which learning, discussion, and personal interaction take place without interruption.

In order to ensure faculty and administrators are able to carry out their monitoring duties properly, we ask that any substantive meetings be scheduled ahead of time rather than taking place without appointment directly before or after school. It is therefore strongly recommended that appointments be made during teacher free periods. However, with advance notice, it may be possible to schedule an appointment immediately before or after school.

Additional Guidelines:

- **Student Sign-out:** Parents wishing to sign out their children before the end of the school day (e.g. for a doctor's appointment) must park in the designated parking lot and walk directly to the main office.

- **Closed Campus:** Students are not permitted to leave campus during school hours or during after- school activities, unless accompanied by an authorized adult. Parental requests to excuse students to leave campus on their own for lunch will not be honored.
- **Non-custodial Parent Pick-up:** Non-custodial parents who wish to pick up a student during or after school must have a signed statement from the custodial parent for each occasion, or there must be a statement of permission on file with the office. If you plan on having other adults pick up your child, you must provide a written list of such authorized adults to the main office.
- **Alumni Visitors:** Alumni are invited to visit the Academy during the school day for several predetermined events throughout the school year. All alumni guests for such events must sign in at the front office upon arrival and wear a visitor badge during the visit. If alumni are interested in visiting the school during the day outside of these specified events, they must contact school leadership well in advance in order to receive approval. All alumni visiting a campus must check in at the front office upon arrival and wear a badge during the visit. Alumni must dress tastefully and appropriately and are expected to observe the school policies regarding the use of cell phones and electronic devices.
- **Former Students on Campus:** Former students that visit the school should check in at the front office. They are not allowed to visit on campus during school hours (unless the Headmaster has given written permission). Former students visiting a campus must obtain a badge and be in the presence of a teacher or administrator during the visit. Former students must dress tastefully and appropriately and are expected to observe the school policies regarding the use of cell phones and electronic devices.

### **Student Fees**

Materials that are part of the basic educational program are provided with state and local funds at no charge to students. Students are expected to provide their own consumable items, such as pencils, paper, pens, erasers, and notebooks. Students may be required to pay certain fees or deposits, including:

1. A fee for materials for a class project that the student will keep, if the fee does not exceed the cost of materials.
2. Membership dues in voluntary student clubs or organizations and admission fees for extra-curricular activities.
3. A security deposit for the return of materials, supplies, or equipment.
4. A fee for personal physical education and athletic equipment and apparel, although a student may provide his or her own equipment or apparel if it meets reasonable requirements and standards relating to health and safety.
5. A fee for voluntarily purchased items, such as student publications, class rings, pictures, yearbooks, and graduation announcement.
6. A fee for voluntary student health and accident benefit plan.
7. A reasonable fee, not to exceed the actual annual maintenance cost, for the use of musical instruments and uniforms owned or rented by the School.
8. A fee for items of personal apparel used in extracurricular activities that become the property of the student.

9. A fee for an optional course offered for credit that requires the use of facilities not available on campus or the employment of an educator who is not part of the School's regular staff.
10. A fee for summer school courses that are offered tuition-free during the regular school year.
11. A reasonable fee for transportation of a student who lives within two miles of the campus.
12. A reasonable fee, not to exceed \$50, for costs associated with an educational program offered outside of regular school hours through which a student who was absent from class receives instruction voluntarily for the purpose of making up the missed instruction and meeting the level of attendance required for class credit, so long as the fee would not create a financial hardship or discourage the student from attending the program.
13. A fee for lost, damaged, or overdue books.
14. A fee specifically permitted by any other statute.

The Academy may waive any fee or deposit if the student and parent are unable to pay. A request for such a waiver may be made using the school's Student Cost Waiver Application, which is distributed at the school office. Notification of eligibility for waived or reduced costs is determined using the same standards as those of Free and Reduced Lunch.

## **Attendance**

---

### **Attendance**

The state requires students to be present at 10:00 am for their attendance to be credited for the school.

#### **Compulsory Attendance**

The state compulsory attendance law requires that a student between the ages of five and 18 must attend school and school-required tutorial sessions, unless the student is otherwise legally exempted or excused. The Academy employees must investigate and report violations of the state compulsory attendance law. A student absent from school without permission—including absence from any class, required special programs, or required tutorials—will be considered truant and subject to disciplinary action.

A student who voluntarily attends or enrolls after his or her 18th birthday is also required to attend each school day. The Academy may revoke a student's enrollment if the student is 18 years of age or older and has accumulated more than five unexcused absences in a semester. The student's continued presence on school property would be unauthorized and may, as allowed by applicable law, be considered trespassing.

#### **Notice to Parents**

Under Texas Education Code § 25.095(a), you are hereby notified that if a student is absent from school on ten or more days or parts of days within a six-month period in any one school year or is absent for three or more days or parts of days within a four-week period, the parent is subject

to prosecution under Texas Education Code § 25.093, and a student age 12 through age 17 is subject to prosecution under Texas Education Code § 25.094 or to referral to a juvenile court in a county with a population of less than 100,000 for conduct that violates that section.

### **Attendance for Credit or Final Grade**

Our general policy is that, in order to receive credit or a final grade in a class, a student must attend at least 90% of the days the class is offered. These days include both excused and unexcused absences. A student who attends fewer than 90% of the days the class is offered may be referred to the Attendance Review Committee to determine whether the absences were due to extenuating circumstances (in which case credit may be granted) and how the student may regain credit or earn a final grade.

The Attendance Review Committee will consider the following factors when determining whether there are extenuating circumstances for an absence:

- All absences will be reviewed, both excused and unexcused, with consideration given to special circumstances discussed in the Texas Education Code.
- For a student transferring into the Academy after school begins, including a migrant student, only those absences after enrollment will be considered.
- The committee will attempt to reach a decision that is in the student's best interest.
- The committee will consider whether the absences were for reasons over which the student or parent could exercise control.
- The committee will consider the acceptability and authenticity of documentation expressing reasons for the student's absences.
- The committee will consider the extent to which the student has completed all assignments, mastered the essential knowledge and skills, and maintained passing grades in the course or subject.
- The student, parent, or other representative will be given an opportunity to present any information to the committee about the absences and to discuss ways to earn or regain credit.

If credit is lost or a final grade is not earned due to excessive absences, the Attendance Review Committee will decide how the student may regain credit or earn a final grade. If the committee determines that there are no extenuating circumstances and that credit, and/or a final grade may not be earned, the student or parent may appeal the committee's decision to Superintendent by filing a written request with the Headmaster. The appeal notice must be received by the Academy within fifteen (15) days following the last day of instruction in the semester for which credit was denied or a final grade was not earned. After the Superintendent has reviewed the appeal and made the decision, the student or parent may decide to appeal the Superintendent's decision to the Board of Directors by filing a written request with the Superintendent. The appeal notice must be received by the Superintendent within fifteen (15) days following the issuance of the Superintendent's decision. The appeal will then be placed on the agenda of the next regularly scheduled Board meeting. The Headmaster or designee shall inform the student or parent of the date, time, and place of the meeting.

## **Absence**

Students may be absent for a period or absent for a day.

In the event of a student absence, we ask that parents email the Registrar by 8:00am. If email is not accessible, call the attendance line by 8:00am. Upon returning to school, the student must bring a note, signed by the parent that describes the reason for the absence. A note signed by the student, even with the parent's permission, will not be accepted. Notes must be received within two (2) days of the absence, or the absence will be unexcused.

If a student absence is anticipated, we recommend that the parents make an appointment with the Assistant Headmaster and email the Registrar. The student should notify his or her teachers to request assignments prior to the absence. In the event of an unplanned absence, students should make every effort to acquire their homework assignments Middle and Upper school students/parents may email the teacher or call his or her classmates. It is the responsibility of the student to make up all missed assignments after any absence, planned or unplanned. Each teacher will have an established make-up policy, including required deadlines, for missed work.

Because excessive absences are considered truancy under state law, the school reserves the right to take extreme absence cases to court.

### **Types of Absences**

The Academy recognizes two kinds of absences: excused and unexcused. Students and parents should read this section carefully to understand the school's expectations. Students and parents should also be aware of the school's policy regarding homework, quizzes, and tests following an absence.

### **Excused Absences**

State law provides several exemptions to the compulsory attendance law for certain absences, so long as the student makes up all work missed. This includes absence for the following reasons:

- Religious holy days;
- Required court appearances;
- Activities related to obtaining United States citizenship;
- Documented health-care appointments for the student or a child of the student, including absences for recognized services for students diagnosed with autism spectrum disorders. A note from the health-care provider must be submitted upon the student's arrival or return to campus;
- For students in the conservatorship (custody) of the state;
- Mental health or therapy appointments; or
- Court-ordered family visitations or any other court-ordered activity, provided it is not practicable to schedule the student's participation in the activity outside of school hours.

Absences of up to five days will be excused for a student to visit with a parent, stepparent, or legal guardian who has been called to duty for, is on leave from, or immediately returned from certain deployments.

For religious holy days, required court appearances, activities related to obtaining citizenship, and services an election clerk, one day of travel to the site and one day of travel from the site shall also be excused by the Academy. Please note that excused absences are considered absences and count toward the yearly total.

### **Unexcused Absences**

Any absence not listed above will be considered an unexcused absence. Examples of unexcused absences include, but are not limited to:

- Car trouble
- Failure to bring a written note within two school days following an absence
- Leaving school without the permission of the School Administrator.
- Oversleeping
- Personal business
- Vacations

### **Make-Up Work**

If a student misses class for any reason, a teacher **may** assign make-up work that incorporates the instructional objectives for the class and that will assist the student to master the essential knowledge and skills necessary to meet subject or course requirements. **Teachers are not required to provide lesson plans, assignments, or any other materials before a student leaves for a planned or unplanned unexcused absence, although it may be provided, at the discretion of the teacher and the school administration. However, please note that some portion of the work students complete each day is done within the learning community of the classroom, and that all classwork and participation activities and assignments are often not able to be recreated for student credit. Classwork that is missed due to an unexcused absence will result in a zero.** Students are responsible for obtaining and completing the make-up work in a satisfactory manner and within the time specified by the teacher if the teacher has determined to assign it. Make-up work in this context is distinct from “extra credit”, which is not assigned.

Unexcused absences may result in zeros for many class activities that cannot be recreated.

Students have one calendar day for each day missed to complete any work or assignment that was missed.

Tests, quizzes and exit tickets that are missed should be made up on the day of return as arranged by the teacher.

The late policy will take effect as soon as students have reached the number of "make up days" allotted.

- 10% off if not turned in the AM the day it is due
- 50% off if turned in 24 hrs late
- 75% off if turned in 48 hrs late
- 0% after 48 hrs late

### **Notification to Parents**

After three absences the Academy will send an “Attendance Warning Notice” to the parent by mail. If a student acquires three absences within a four-week period, the notice will state that it is the parent’s duty to monitor the student’s school attendance and require the student to attend school. The parent is subject to prosecution for contributing to nonattendance under Texas Education Code § 25.093. If a student continues to accrue absences, the parent will receive additional notifications by mail and be advised that a meeting with the attendance committee is required.

### **Tardiness**

If a student arrives late to school, a parent must report to the school office to complete a tardy slip. Repeated tardiness will result in more severe disciplinary consequences as allowed by the Student Code of Conduct.

Students who arrive after 7:50 am must report directly to the front office for a late pass in order to be admitted to class. If your children will be late, please call or sign them in at the office on arrival. In most situations, if you do not see a faculty member outside directing traffic, you are late and need to sign your student(s) in. **Students who arrive late to school more than five times within a quarter will be issued a lunch detention.**

Students arriving late to classes (including 1st period) will require a late pass from the front desk. In cases of excessive tardiness, a meeting with the attendance committee will be scheduled and further disciplinary measures may be taken.

### **Release of Students from School**

A parent or other authorized adult must go to the front office to sign the student out. The Academy will check the identity of the adult seeking to sign the student out. After the adult’s identity is verified, the Academy will call for the student. For safety reasons and to preserve the learning environment, the Academy does not allow parents to go to a classroom to retrieve a child. If the student returns to school later that day, the parent or authorized adult must accompany the student to the front office and sign the student in, and provide documentation concerning the reason for the absence. The Academy will not release a student to anyone other than a parent or other adult authorized by the parent.

A student who becomes ill during the school day should, with the teacher’s permission, report to the Headmaster and/or school nurse. The Headmaster and/or school nurse will decide whether the student should be sent home and will notify the student’s parent of the student’s illness. The sign-out procedures discussed above must be followed.

Parents should list all persons authorized to pick up a student on their registration paperwork. Requests to add additional individuals will only be taken in person. Staff members are not able to

confirm an identity from a phone call or email. Furthermore, requests to notify students of changes in pick up (i.e. going home with a different individual) must be submitted in writing or in person and will not be accepted over the phone. Parents should make every effort to coordinate transportation arrangements prior to the start of the school day.

Doctor's appointments or meetings with other professionals should be scheduled at times when the student will not miss instructional time, if at all possible. Except for medical related or Headmaster-approved circumstances, parents should not sign students out during the final 30 minutes of the school day. Students signed out during this time for medical appointments will need to bring in a doctor's note the following school day. **All early dismissals must be signed out by 2:59 p.m. (12:59 p.m. on an early release day.)**

### **Families with Custody Agreements**

The school follows court orders and will only release students and student information according to verified legal documents and is not authorized to deviate from them.

## **Withdrawal from School**

### **Voluntary Withdrawal**

A student under 18 may be withdrawn from school only by a parent or legal guardian. The Academy requests notice from the parent at least three days in advance so that records and documents may be prepared. A withdrawal form may be obtained from the Registrar. The Headmaster or other administrator will verify the information on the withdrawal form when the parent arrives to sign withdrawal papers to complete the process. The parent shall also provide the name of the new school in which the student will be enrolled, and must sign the formal withdrawal form

A student who is 18 years of age or older, who is married, or who has otherwise been declared by a court to be an emancipated minor may withdraw without parental signature.

Withdrawing students and parents are expected to:

- Return all textbooks and checked-out materials and equipment;
- Complete any make-up work assigned;
- Pay any unpaid balance for student fees, if any; and
- Sign a release of student records if transferring to a private school.

In all cases, withdrawal forms must be appropriately completed and signed before withdrawal is complete.

### **Involuntary Withdrawal**

The Academy may initiate withdrawal of a student under the age of 18 for non-attendance if:

- The student has been absent ten consecutive school days; and
- Repeated efforts by the attendance officer and/or Headmaster to locate the student have been unsuccessful.

Additionally, the Academy may revoke the enrollment of a student 18 years of age or older who has more than five unexcused absences in one semester.

## **Student Code of Conduct and Discipline**

---

All of the information that you will find below is directed toward the common good of the Academy and its maintenance as a place of learning and moral development. At the Academy, we believe that habits of behavior play a significant part in forming habits of mind. The Academy's teachers will make every effort to enforce the rules below consistently, informatively, and with a heart of mercy for the student's overall well-being.

Students at the Academy strive to make the most of their educational opportunities. No less than their parents and the faculty, our students appreciate the overall environment that they help maintain for the good of the entire school community. It does not take long for our students to recognize the benefits of mutual encouragement, respect, courtesy, and helpfulness. As many students and parents will gratefully attest, the Academy is a very good place to be.

Nevertheless, our students are young and human, and they will make mistakes in speech or behavior—they are still learning how appropriately to comport themselves. Many such behavioral mistakes, while requiring correction, need not be punished. Sometimes, however, their mistakes can be disruptive to other students and to our teachers. Therefore, for the sake of orderly and productive community life, it is necessary to discuss school expectations and sanctions so that students and families can have a blueprint for conduct which contributes to a wholesome academic environment and to each student's self-esteem and success.

The philosophy of the Academy is that students are young adults in the making who will learn civil, polite and respectful conduct by the example of their teachers and other adults. Consequently, students will be treated with respect and courtesy by the Academy staff and will be expected to treat not only all adults on campus with such respect, but one another as well. Several very obvious signs of such respect are a student's willingness to refrain from talking in class when others have the floor; a respect for the property of the school and of other students; a willingness to refrain from sarcastic or critical comments towards others; and a willingness to ask (and give) forgiveness when someone has been wronged.

In conjunction with parents, the Academy has the goal of developing not only habits of good scholarship and critical inquiry, but the character traits of courtesy, promptness, forgiveness, self-control, responsibility, diligence, courage, generosity, and magnanimity. Good behavior is expected of all students and will not be specially rewarded at school. It is its own reward in the esteem the student earns from his teachers and his fellow students.

The Academy's guiding policy is to be fair, firm, and consistent in the application of discipline for inappropriate behavior. However, the following guidelines for discipline are not intended to be exhaustive. The school reserves the right to exercise reasonable judgment as an individual circumstance might dictate.

To function properly, education must provide an equal learning opportunity for all students by recognizing, valuing, and addressing the individual needs of every student. In addition to the regular curriculum, principles and practices of good citizenship must also be taught and modeled by school staff. To foster an orderly and distraction-free environment, the Academy has established this Student Code of Conduct (“the Code”) in accordance with state law. The Code outlines prohibited behaviors and consequences for such behavior.

The Code has been adopted by the Board of Directors and provides information to parents and students regarding expectations for behavior, consequences of misconduct, and procedures for administering discipline.

In accordance with state law, the Code will be posted at each school campus or will be available for review at the office of the Headmaster. Parents will be notified of any violation that may result in their student being suspended or expelled from the school.

Students must be familiar with the standards set forth in the Student Code of Conduct, as well as campus and classroom rules.

The Code does not define all types and aspects of student behavior, as the Academy may impose campus or classroom rules in addition to those found in the Code. These rules may be posted in classrooms or given to the student and may or may not constitute violations of the Student Code of Conduct. When students participate in student activities, they will also be expected to follow the guidelines and constitutions that further specify the organization’s expectations, student behavior and consequences.

### **Jurisdiction**

The Academy has disciplinary authority over a student:

1. During the regular school day and while the student is going to and from school;
2. While the student is in attendance at any school-related activity, regardless of time or location;
3. For any misconduct, regardless of time or location, that impacts the learning environment or another student’s learning or well-being at school;
4. For any mandatory or discretionary expulsion violation committed while on or off school property or while attending a school-sponsored or school-related activity of another district in Texas;
5. When retaliation against a school employee or volunteer occurs or is threatened, regardless of time or location;
6. When the student commits a felony, as provided by Texas Education Code 37.006 or 37.0081; and
7. When criminal mischief or acts are committed on or off school property or at a school-related event.

Note: In addition to disciplinary consequences, misdemeanor and felony offenses committed on campus will be reported to an appropriate law enforcement agency.

## **Approach to Student Discipline**

In general, discipline is intended to correct misconduct, to promote each student's development in character and the virtues, and to foster the common good of the school community.

Disciplinary action will draw on the professional judgment of teachers and administrators and on a range of disciplinary techniques. Disciplinary action correlates to the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, and the effect of the misconduct on the school environment.

### **Guiding Virtues:**

#### **Responsibility**

We accept obligations related to our own good and the good of others, and we act on those obligations in a manner suitable to their timely and satisfactory fulfillment. We are willingly accountable for what we do and say, and we seek to learn from our mistakes.

#### **Perseverance**

We spurn despair and strive to complete tasks to the best of our abilities, regardless of the difficulty. We respond creatively to overcome obstacles and ask for help when necessary.

#### **Integrity**

We are individuals of strong ethical values, who make consistently good choices in keeping with our knowledge of right and wrong. We seek the wisdom of others in cases of moral uncertainty.

#### **Honesty**

We never knowingly induce another to believe what is false. We are always truthful in what we say and do, regardless of the circumstances or consequences.

#### **Courage**

We always do what we know to be right despite fear, hardship, and opposition. We resist negative peer pressure, defend our rights and the rights of others, and encourage others to do the same.

#### **Citizenship**

We honor rules and laws and respond to authority in obedience. We give of our time and abilities to others. We uphold liberty and social equality through respect for individual differences and knowledge of our democratic system.

#### **Humility**

We do not brag or compare ourselves to others. We always strive to do our best whether we are recognized or not.

#### **Friendship**

We regard others and ourselves as deserving of kind and just treatment. Our conduct is considerate and polite. We look for the good in others and demonstrate compassion. Our attitudes toward others and their property reflect the way we wish to be treated.

#### **Wisdom**

We learn from our mistakes and think before we act. We look to the great thinkers of the past for guidance on making good choices.

The following approaches may be used-alone or in combination-for misbehavior violating the Code or campus or classroom rules:

- Assignment of school service or community service duties such as scrubbing desks or picking up litter
- Behavioral agreements
- Cooling off time or “time to reflect”
- Counseling by teachers, counselors, or administrative personnel
- In school suspension or detention, as specified in the suspension section of the Code
- Expulsion, as specified in the expulsion section of the Code
- Grade reductions as permitted as policy
- Out of School Suspension, as specified in the suspension section of the Code
- Parent-Teacher conferences
- Referral to an outside agency and/or legal authority for criminal prosecution in addition to disciplinary measures imposed by the School
- School assessed and school administered probation
- Seating changes within the classrooms
- Sending the student to the office or other assigned area
- Techniques or penalties identified in individual student organization’s extracurricular standards of behavior
- Temporary confiscation of items that disrupt the educational process
- Verbal correction
- Withdrawal of privileges, such as participation in extracurricular activities and eligibility for seeking and holding honorary offices, and/or membership in school sponsored clubs or organizations
- Other strategies and consequences as specified by the Code

Students may be removed from class for a short duration following a perceived disciplinary infraction while an administrator collects an account of the situation. During this time, a student may be asked to sit quietly in an administrator’s office and provide a description of the incident. In response to the student’s behavior, a teacher or administrator may assign a lunch-, recess-, or after-school-detention. In the case of more serious misbehavior the parent will be contacted, and other disciplinary measures taken, up to and including suspension and expulsion.

### **Note Concerning Detention**

Students in grades K-5 who violate the Student Code of Conduct may also be assigned detention, lose the privilege of eating lunch with their classes, recess, or participation in extra-curricular activities.

Any student who fails to report to detention at the scheduled time will receive additional penalties (typically an additional detention). Students should not ask to have a detention rescheduled; detentions are by their very nature inconvenient, and students should view the inconvenience that detention causes to be a direct result of the misbehavior that incurred the punishment in the first place. Exceptions may be made in the event of a family emergency or serious scheduling conflict. All matters pertaining to the scheduling and serving of detentions should be directed to the faculty member designated as the Detention supervisor.

Detentions can be serious in nature and a high number of detentions can indicate a student's general unwillingness to cooperate with the school. The accumulation of numerous detentions may result in a suspension based on the judgment of the Headmaster. A student may be suspended if many of the detentions are received for the same offense (such as tardiness), or if the Headmaster determines that the detentions are of a serious nature and warrant immediate action.

In the case of more serious misbehavior, such as forging a parent's signature, lying to an adult, cheating on exams and/or academic assignments, fighting, theft, willful destruction of property, defiance of authority, disrespect of adults, leaving campus without permission, skipping class, or any other serious offense listed in the Student Code of Conduct, the parent will be contacted and other disciplinary measures taken, up to and including suspension or expulsion.

Threats of violence and physical, verbal or sexual harassment are illegal and will result in parent contact and, depending on the nature of the offense, may result in other disciplinary measures, including notification of law enforcement authorities, suspension, and expulsion.

### **Note Concerning Corporal Punishment**

The Academy will not administer corporal punishment upon a student for misconduct.

### **Conferences, Hearings and Appeals**

All students are entitled to conferences, hearings, and/or appeals of disciplinary matters as provided by state and federal law and school policy.

### **Gun-Free Schools Act**

In accordance with the Gun-Free Schools Act, the Academy shall expel, from the student's regular program for a period of one year, any student who is determined to have brought a firearm, as defined by federal law, to school. The Headmaster may modify the term of expulsion for a student or assess another comparable penalty that results in the student's expulsion from the regular school program on a case-by-case basis.

For the purposes of this law, "firearm" means:

1. Any weapon – including a starter gun – which will, or is designed to, or which may readily be converted to expel a projectile by the action of an explosive from the frame or receiver of any such weapon;
2. Any firearm muffler or firearm silencer;
3. Any destructive device. "Destructive device" means any explosive, incendiary or poison gas bomb, grenade, rocket having a propellant charge of more than four ounces, missile having an explosive or incendiary charge of more than 1/4 ounce, mine, or device similar to any of the preceding described

devices. It also means any type of weapon – other than a shotgun shell or a shotgun that is generally recognized as particularly suitable for sporting purposes – by whatever name known

which will, or which may be readily converted to, expel a projectile by the action of an explosive or other propellant, and which has any barrel with a bore of more than 1/2 inch in diameter; and any combination of parts either designed or intended for use in converting any device into a destructive device as described, and from which a destructive device may be readily assembled.

**For a list of Offenses and Consequences, please see Appendix A**

## **Student Acceptable Use of Technology Policy**

### **Technology Resources**

The Academy has made a substantial investment in technology for instructional purposes. Use of these resources is restricted to students working under a teacher's supervision and for approved purposes only. Students and parents must read and agree to abide by the Student Acceptable Use of Technology Policy.

### **Technology Statement**

The Academy is committed to utilizing appropriate technology to enhance student learning and increase teacher effectiveness in accordance with its mission and vision.

### **Student Safety**

The Academy is aware that resources that are inappropriate or not designed for use in the educational setting may be accessed on the Internet. To protect students and staff from such inappropriate material, the school's Internet access is filtered with one of the highest-rated Internet filtering systems available. However, users must recognize that it is impossible for the Academy to restrict access to all controversial material and individuals must be responsible for their own actions in navigating the network.

### **Purpose**

The purpose of this policy is to ensure school-level compliance with all procedures and regulations regarding the local area network and Internet usage. All students, parents, teachers, administrators and school employees who obtain their Internet access through the Academy are expected to use these services appropriately.

### **User Responsibilities**

The use of the Internet is a privilege. Inappropriate or abusive conduct will lead to the privilege being revoked. **The Academy is providing Internet resources for educational purposes only.** Student/staff use of Internet resources must be related to an expressed educational and/or administrative goal or objective.

1. The use of the Academy Internet and computer network must be in support of educational goals, research, and class assignments and be consistent with the educational objectives of the school.
2. Users must have a valid, authorized account to access the network, and use only those computer resources that are authorized. Accounts may be used only in accordance with authorized purposes.

3. Individual accounts may be used only by the owner of the account except where specifically authorized by the Academy administration. In the case of class accounts, all use must be under the supervision of the sponsoring teacher/supervisor.
4. The user is responsible for safeguarding the computer account. Users are expected to protect access to accounts by periodically changing the password and keeping it confidential. They must respect the privacy of others by not tampering with their files, passwords or accounts.

## **Policy – Terms and Conditions**

### **Acceptable Use of Technology**

Users are to properly use school network resources for educational and/or administrative purposes. Respectful and responsible network etiquette and behavior should be in keeping with the school’s mission statement. Students and staff are expressly prohibited from accessing obscene, profane, vulgar, or pornographic sites or materials.

Students are prohibited from sending or posting electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another’s reputation or illegal. This prohibition applies to conduct off school property if it results in a substantial disruption to the educational environment.

Any person taking, disseminating, transferring or sharing obscene, sexually oriented, lewd or otherwise illegal images or other content, commonly referred to as “sexting,” will be disciplined according to the Student Code of Conduct and may, in certain circumstances, be reported to law enforcement. Because engaging in this type of behavior can lead to bullying or harassment, students involved in “sexting” or the sharing of inappropriate images or other content may also be disciplined for violating the Academy anti-harassment and bullying policies.

### **Monitored Use**

Electronic mail transmissions and other use of the electronic communications system by students and employees shall not be considered confidential and may be monitored at any time by designated school staff to ensure appropriate use for educational or administrative purposes. Forgery or attempted forgery of electronic mail messages is prohibited. Only the school’s authorized IT Manager may read, delete, copy or modify the electronic mail of other system users.

### **Vandalism**

Vandalism is defined as any malicious attempt to harm, disrupt or destroy data of another user of the Academy network or any other agencies or networks that are connected to the Internet. This includes, but is not limited to, the uploading or creating of computer viruses. Any of these actions may be viewed as violations of school policy, administrative regulations and, possibly, as criminal activity under applicable state and federal laws. Users must respect the privacy of other users, and will not intentionally seek information on, obtain copies of, or modify any file, data, or password belonging to another user, or represent themselves as another user unless explicitly authorized. Deliberate attempts to degrade or disrupt system performance and/or degrade, disrupt

or bypass system security are violations of school policy and administrative regulations, and may constitute criminal activity under applicable laws.

Any prohibited behavior under this policy will result in the cancellation of technology privileges. The Academy will, in accordance with school policy, cooperate with local, state, or federal officials in any investigation concerning or relating to misuse of the Academy network.

### **Network Etiquette**

Each network user is expected to:

1. Be polite (i.e., an all-caps message implies shouting);
2. Use appropriate language;
3. Refrain from any activity that may be considered “cyber bullying,” including but not limited to threats of violence, extortion, obscene or harassing messages, harassment, stalking, child pornography, and sexual exploitation;
4. Maintain confidentiality of the user, colleagues, and students;
5. Respect copyright laws; and
6. Be respectful in all aspects of network use.

### **Consequences**

Violation of the Academy policies and procedures concerning use of the computer on the network will result in the same disciplinary actions that would result from similar violations in other areas of school policy, including the Student Code of Conduct. Any or all of the following consequences may be enforced if a student violates the terms of this policy:

1. Loss of computer privileges/Internet access, with length of time to be determined by campus administration.
2. Any campus-based disciplinary consequence, including suspension, as deemed appropriate by the administration.
3. Suspension and/or expulsion may be considered for flagrant violations or violations that corrupt the educational value of the computers or the Internet.
4. Expulsion may be considered in instances where students have used the Academy Internet access to engage in conduct that constitutes felony criminal mischief, and/or have deliberately attempted to bypass installed security software or copy/modify another student’s work files.

### **Electronic Devices, and other Prohibited Items**

I-pods or other portable music players, pagers, cameras, electronic games, laser pointers, skateboards, roller blades, and other toys that are not part of the academic or extra-curricular program are prohibited on campus. Students may be disciplined, and such items will be confiscated and returned only at the parent's request.

Tobacco, other legally controlled substances, lighters, matches, pocket knives, weapons of any kind, and sexually explicit materials are also prohibited on campus at all times. Possession of these items will result in immediate disciplinary action.

## **Cell Phones and Personal Technology**

The use of electronic devices is a major source of distraction in the classroom. For this reason, students are not permitted to possess items such as smart watches, radios, mp3 players, video cameras, DVD players, cameras, video games, other electronic devices, or any internet-enabled devices at school, unless prior written permission from the Headmaster has been obtained.

The use of cell phones during the school day is prohibited. Parents sometimes provide cell phones to their children in order to promote the safety of their children or to communicate regarding unanticipated changes in transportation. In light of this, the following restrictions/allowances apply:

A student may keep a cell phone turned off and stored in his or her locker during the school day. Any non-permitted use or possession of a cell phone will result in confiscation of the phone and disciplinary action.

If a school employee observes a student using a cell phone or other paging device during the school day or at a school-related activity, the employee will collect the item and turn it in to the designated administrator's office. If a parent and student have executed a waiver permitting the student to possess a cell phone or other paging device at school, school officials may power on and search the device if there is reasonable cause to believe that the device has been used in the transmission or reception of communications prohibited by law, school policy, or school regulation.

A parent will be contacted to pick up the confiscated item.

The Academy will not be responsible for damage to or loss or theft of confiscated items. Any disciplinary action will be in accordance with the Student Code of Conduct.

### **Other Prohibited Items**

iPods or other portable music players, pagers, cameras, electronic games, laser pointers, skateboards, roller blades, smart watches, any internet-enabled devices, and other toys that are not part of the academic or extra-curricular program are prohibited on campus. Students may be disciplined, and such items will be confiscated and returned only at the parent's request. Tobacco and other legally controlled substances, lighters, matches, pocket knives, weapons of any kind, and sexually explicit materials are also prohibited on campus at all times. Possession of these items will result in immediate disciplinary action.

### **Disruptions**

In order to protect student safety and sustain an educational program free from disruption, state law permits the Academy to take action against any person – student or nonstudent – who:

- Disrupts classes while on school property or on public property that is within 500 feet of school property. Class disruption includes making loud noises; trying to entice a student away from, or to prevent a student from attending, a required class or activity; entering a classroom

without authorization; and disrupting the activity with profane language or any misconduct.

- Interferes with an authorized activity by seizing control of all or part of a building.
- Interferes with the movement of people at an exit or an entrance to school property.
- Interferes with the movement of people in an exit, an entrance, or a hallway of a school building without authorization from an administrator.
- Interferes with the transportation of students in school vehicles.
- Uses force, violence, or threats in an attempt to prevent participation in an authorized assembly.
- Uses force, violence, or threats in an attempt to prevent people from entering or leaving school property without authorization from an administrator.
- Uses force, violence, or threats to cause disruption during an assembly.

### **Photography and Public Internet Postings**

1. The name and crest of the Academy are the property of the school and may be used only for official school business. Any Academy student who, without written permission from the headmaster, posts the crest or logo of the Academy on the internet or in any other public forum for purposes of identifying themselves or other students is subject to school disciplinary action.

2. All personal photography, including the taking of videos, is banned on campus and at school events. No photos of minors may be publicly displayed without the consent of the parent(s) or guardian. Any Academy student found to be in violation of these rules is subject to school disciplinary action.

3. Any public display or posting by an Academy student, on the internet or in any other public forum, of derogatory, offensive, or harassing speech directed against another student, teacher, or other member of the school community is in violation of the standards of the Academy and is subject to school disciplinary action.

### **Displaying a Student's Artwork, Projects, Photos, and Other Original Work**

Teachers may display student work in classrooms or elsewhere on campus as recognition of student achievement. However, the Academy will seek parental consent before displaying student artwork, special projects, photographs taken by students, and other original works on the Academy website, on any campus or classroom website, in printed materials, by video, or by any other method of mass communication. The Academy will also seek consent before displaying or publishing an original video or voice recording in this manner.

### **Great Hearts Policy: Addressing the "No Pop-Culture Rule"**

Great Hearts is very intentional about creating a common and civil community among its students and in preserving an educational environment free from distractions. This includes manners of speech, habits of respect during discussions with others, attention to the content of the curriculum to the exclusion of references either to current pop-culture personalities, music, movies, and even politics and current events. To further this educational environment, Great Hearts also requires students to use backpacks, lunch bags, and other accessories that are free from such images or references.

The intention and educational purpose is to pull students out of the parochial thought-worlds of their times and that of their peers, and to introduce them into the broader and more permanent concerns of the human community. In this environment of learning, students will take authors and artists of historical times and different cultures seriously and better envision and entertain ideas such as goodness, virtue, and heroism from many prior historical and cultural contexts within which they have arisen.

Great Hearts also seeks to avoid cultivating a “chronological snobbery” in our students, and in furtherance of this, we avoid contemporary comparisons during classes and school activities. Overall, Great Hearts asks and challenges students to step out of themselves—to step out of their times, their familiar idioms, even their preferred styles in art and music, in order to appreciate the goods and virtues of other times and places. This is the essence of a classical education.

Great Hearts seeks to develop the unique character and quality of each student; however, this uniqueness and true self is not encouraged through participation in consumerism and mass marketing. Great hearts desires to free the educational environment from consumerism and external marketing influences through this policy of “no pop culture” in school. Its purpose includes:

1. to give young people an educational space free from popular examples that may be merely superficial and time-bound, while we try to introduce them to more permanent and universal aspects of human nature and human community
2. to give them educational space from the peer pressure to be media and celebrity “literate”
3. to elevate their imaginations and their thoughts above the low, the base, and the mediocre
4. to create points of reference and a common ground for conversation that transcends the student’s age, experience, and the biases of his peer group
5. to give them the broadest range of images and ideas from which they will eventually address the concerns of their own time and place.

This policy creates and preserves the desired educational environment and improves the educational process for the benefit of all students and acts as a shield against what is shallow and temporary in popular culture on behalf of what is serious and permanent. Students will learn to think for themselves and develop deep critical thinking skills and analytical ability. It is in that ability that we hope to see meaningful distinctions in our students and not in clothing or accessories. It is also the intention of this policy to improve student learning, to reduce disciplinary referrals, to improve morale and to instill self-worth and self-confidence in students that are lasting traits.

### **Policy on Hazing**

Hazing, solicitation to engage in hazing, and aiding and abetting another person who is engaged in hazing is strictly prohibited. A person is considered a “student” who has enrolled, who has been accepted for enrollment, or intends to enroll within the next 12 calendar months. This policy applies to all students until graduation, transfer, promotion, or withdrawal from the school.

“Hazing” is defined as any intentional, knowing or reckless act committed by a student, whether individually or in concert with other persons, against another student, and in which both of the following apply:

- The act is committed in connection with an initiation into, an affiliation with or the maintenance of membership in any organization that is affiliated with an educational institution; and
- The act contributes to a substantial risk of potential physical injury, mental harm or degradation or causes physical injury, mental harm or personal degradation.

“Organization” means an athletic team, association, order, society, corps, cooperative, club or other similar group that is affiliated with an educational institution and whose membership consists primarily of students enrolled at that educational institution.

Violations of this policy do not include customary athletic events, contests or competitions that are sponsored by an educational institution or any activity or conduct that furthers the goals of a legitimate educational curriculum or legitimate extracurricular program.

It is no defense to a violation of this policy if the victim consented or acquiesced to hazing. All students, teachers, and staff shall take reasonable measures within the scope of their individual authority to prevent violations of this policy.

### **Reporting Procedures**

Students and others should report hazing to the Headmaster but may also report hazing to another professional staff member. If an individual besides the Headmaster receives the report, the individual receiving the report will submit a report of the incident to the Headmaster. The individual shall respect the confidentiality of those involved, disclosing the incident only to those with a need to know or as required by law. Any incident of hazing that includes possible violation of state or federal statutes shall be treated as required by statutory requirements and reported to law enforcement.

All violations of this policy shall be treated in accordance with the discipline procedures and penalties in effect for violation of the Student Code of Conduct.

If an organization knowingly permitted, authorized, or condoned hazing activity, its permission to conduct operations at the Academy may be revoked or suspended.

### **Freedom from Bullying and Cyberbullying**

The Academy is committed to maintaining a culture characterized by charity, civility, and respect for the human person. To this end, the school will not tolerate the harassment, intimidation, or bullying of any student. The Academy prohibits bullying as defined by this section, as well as retaliation against anyone involved in the complaint process. Bullying occurs when a student or group of students engages in written or verbal expression, or physical conduct that occurs on school property at a school-sponsored or school-related activity, or in a vehicle operated by the Academy that:

- Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property; or
- Is sufficiently severe, persistent, and pervasive enough the action or threat creates an intimidating, threatening, or abusive educational environment for a student.

Conduct described above is considered bullying if that conduct:

- Exploits an imbalance of power between the student perpetrator and the student victim through written or verbal expression or physical conduct; and
- Interferes with a student's education or substantially disrupts the operation of the Academy.

The Academy also prohibits cyberbullying, which is defined as the use of any electronic communication device to engage in bullying or intimidation. Students are prohibited from sending or posting electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation or illegal. This prohibition applies to conduct off school property if it results in a substantial disruption to the educational environment. (See Acceptable Use Policy for Technology)

### **Reporting Procedures**

Any student who believes that he or she has experienced any form of bullying or believes that another student has experienced bullying should immediately report the alleged acts to the Headmaster, a teacher, counselor, or other school employee. A report may be made orally or in writing. Any school employee who receives notice that a student has or may have experienced bullying shall immediately notify the Headmaster.

### **Investigation of Report**

The Headmaster shall determine whether the allegations in the report, if proven, would constitute prohibited harassment, and if so proceed under that policy instead. See "Freedom from Discrimination, Harassment, and Retaliation." The Headmaster shall conduct an appropriate investigation based on the allegations in the report and shall take prompt interim action calculated to prevent bullying during the course of an investigation, if appropriate.

If the results of an investigation indicated that bullying occurred, the Academy shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct in accordance with the Student Code of Conduct. The Academy may take action based on the results of an investigation, even if the Academy concludes that the conduct did not rise to the level of bullying under this policy.

### **Confidentiality**

To the greatest extent possible, the Academy shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.

## **Appeal**

A student or parent who is dissatisfied with the outcome of the investigation may appeal through the Academy grievance procedure.

## **Social Media**

The Academy reserves to itself the right to investigate allegations of bullying, harassment, intimidation, and threats that occur in social media venues and which disrupt the learning environment of the school. Not everything said or done by students online is the school's business, but actions and words directed against fellow students, parents, or school staff will be considered as such. The school will also notify law enforcement when credible threats of violence are detected.

## **Alcohol-Free School Notice**

In order to provide a safe and alcohol-free environment for students and employees, all alcoholic beverages are prohibited on school property at all times, and at all school-sanctioned activities occurring on or off school property. Student violators are subject to the disciplinary terms of the Student Code of Conduct.

## **Tobacco-Free School Notice**

Smoking and using smokeless tobacco, including electronic cigarettes, are not permitted in school buildings, vehicles, or on or near school property, or at school-related or school-sanctioned events off school property. Students may not possess tobacco products at any of the locations or activities listed above. All violators are subject to possible prosecution, as allowed by law. Additionally, student violators are subject to the disciplinary terms of the Student Code of Conduct.

## **Drug-Free School Notice**

The Academy believes that student use of illicit drugs is both wrong and harmful. Consequently, the Academy prohibits the use, sale, possession, or distribution of illicit drugs by students on school premises or any school activity, regardless of its location. Student violators are subject to possible prosecution, as allowed by law, as well as the disciplinary terms of the Student Code of Conduct.

## **Suspension**

### **Process for Suspensions Lasting up to Five Continuous Days**

In addition to the above list of Code of Conduct violations, the Headmaster has authority to suspend a student for a period of up to five continuous school days at a time for any of the following reasons:

1. The need to further investigate an incident;
2. A recommendation to expel the student; or
3. An emergency constituting endangerment to health or safety.

### **Prerequisites to Suspension**

Prior to suspending a student, the Headmaster or designee must attempt to hold an informal conference with the student to:

1. Notify the student of the accusations against him/her,
2. Allow the student to relate his or her version of the incident, and
3. Determine whether the student's conduct warrants suspension.

### **Notification to Parents/Guardians**

If the Headmaster or designee determines the student's conduct warrants suspension during the school day, the Headmaster or designee will make reasonable effort to notify the student's parent(s) that the student has been suspended before the student is sent home. The Headmaster or designee will notify a suspended student's parent(s) of the period of suspension, the grounds for the suspension, and the time and place for an opportunity to confer with the Headmaster.

### **Credit During Suspension**

A student shall receive credit for work missed during the period of suspension if the student makes up work missed within the same number of school days the student was absent on suspension.

## **Process for Out-of-School Suspensions over Five Days and Expulsion**

### **Notice**

When the Headmaster or designee determines that a student's conduct warrants suspension for more than five days or expulsion, but prior to taking any expulsion action, the Headmaster or designee will provide the student's parent(s) with written notice of:

1. The reasons for the proposed disciplinary action; and
2. The date and location for a hearing before the Headmaster, within five school days from the date of the disciplinary action.

The notice shall further state that, at the hearing, the student:

1. May be present;
2. Shall have an opportunity to present evidence;
3. Shall be apprised and informed of the school's evidence;
4. May be accompanied by his or her parent(s); and
5. May be represented by an attorney.

### **Expulsion Hearing Before VP of Academies**

The Academy shall make a good faith effort to inform the student and the student's parent(s) of the time and place for the hearing, and the school shall hold the hearing regardless of whether the student, the student's parent(s) or another adult representing the student attends. The VP of Academies may audio record the hearing.

Immediately following the hearing, the VP of Academies will notify the student and the student's parent(s) in writing of his or her decision. The decision shall specify:

1. The length of the suspension or expulsion, if any;
2. When the expulsion is not permanent, the procedures for re-admittance at the end of the expulsion period; and
3. The right to appeal the VP of Academies' decision to the Superintendent of Great Hearts Texas.

The notice shall also state that failure to timely request such a hearing constitutes a waiver of further rights in the matter.

### **Appeal to the Superintendent**

The student or his or her parent(s) may appeal the expulsion decision to the Superintendent by notifying the Headmaster in writing within seven calendar days of the date of receipt of the Headmaster's decision. The Superintendent will review the audio or transcribed record from the hearing before the Headmaster at a specially called meeting. The Superintendent will notify the student and his or her parent(s) of its decision, in writing, within five calendar days of the hearing. Parents will be notified of the right to appeal the Headmaster's decision to the Board of Great Hearts Texas.

### **Appeal to the Board of Directors**

After appealing the expulsion decision to the Superintendent, the student or his or her parent(s) may appeal the expulsion decision to the Board of Directors by notifying the Headmaster in writing within seven calendar days of the date of receipt of the Headmaster's decision. The Board will review the audio or transcribed record from the hearing before the Headmaster at a specially called meeting. The Board will notify the student and his or her parent(s) of its decision, in writing, within five calendar days of the hearing. The decision of the Board is final and may not be appealed.

Discipline consequences will not be deferred pending the outcome of an appeal of an expulsion to the Board.

### **No Credit Earned**

Except when required by law, students will not earn academic credit during a period of expulsion.

### **Emergency Placement and Expulsion**

If the Headmaster or designee reasonably believes a student's behavior is so unruly, disruptive, or abusive that it seriously interferes with a teacher's ability to communicate effectively with students in a class, with the ability of a student's classmates to learn, or with the operation of the school or a school-sponsored activity, the Headmaster or designee may order immediate removal of the student. Immediate suspension may be imposed by the Headmaster or designee if he or she reasonably believes such action is necessary to protect persons or property from eminent harm. At the time of such an emergency removal, the student will be given verbal notice of the reason for the action and appropriate hearings will be scheduled within a reasonable time after the emergency removal.

*Note: Colleges routinely ask students and/or schools to report all suspensions or expulsions in the college application paperwork. The Academy honestly answers such questions and reports all suspensions at the high school level. (Colleges will take into consideration the timeframe and nature of the suspension, and students with suspensions have been accepted into top colleges.)*

### **Placement of Students with Disabilities**

All disciplinary actions regarding students with disabilities shall be conducted in accordance with the most current federal and state laws.

### **Suspension/Expulsion Requirement**

A student with a disability shall not be excluded from his or her current placement pending appeal to the Board of Directors for more than ten days without ARD Committee action to determine appropriate services in the interim. Pending appeal to a special education hearing officer, a student with a disability shall remain in the present education setting, unless the Academy and the student's parents agree otherwise.

### **Removal from School Transportation**

A student being transported by the Academy transportation to or from a school-sponsored or school-related activity may be removed from a school vehicle for conduct violating the Academy's established standards for conduct in a school vehicle.

## Academy Honor Code

---

The objective of the Academy Honor Code is to build trust among students and to maintain an academic community in which a code of values is shared. The Academy Honor Code is given below:

As a student and citizen of the Academy, I agree to the following when I sign on the Signature Page at the end of this *Family Handbook*:

- *I will not lie, cheat, or steal in any of my academic endeavors.*
- *I will forthrightly oppose each and every instance of academic dishonesty.*
- *I will not request, receive, or give aid in examinations/tests/quizzes.*
- *I will not give or receive illicit aid in class work, homework, in the preparation of reports, or in any other work that is to be used by the teacher as the basis of grading. I will understand the difference between studying and reviewing with others (which often is acceptable) and producing written documents that are submitted under my name for credit (which can only be done alone).*
- *I will not copy from or collaborate with others in completing homework. When I put my name on a homework assignment, I attest that all of the work on the assignment is my own in origin and content.*
- *In the case of all essays and research papers, I will carefully cite all external sources. I will not represent someone else's work as my own. I will do my very best to learn from my teachers the clear distinctions between appropriate research and plagiarism, intentional or unintentional.*
- *I will never use any "study aids" such as Cliff's Notes, Sparks Notes, or other materials, nor will I watch a movie/video version of a work of literature before or during study of it in school, unless I've been given specific permission (in a unique circumstance) to do so. I will do the reading for myself and strive to understand it for myself.*
- *I will give prompt (and confidential) notification to the appropriate faculty member or the Dean and Headmaster if I observe academic dishonesty in any course. I will let my conscience be my guide if I should make such a report.*
- *I will never attempt to pass off work completed in class or during instructional time as if it had been completed the night before as homework.*

The faculty on its part manifests its confidence in the honor of its students by refraining from taking unusual and unreasonable precautions to prevent the forms of dishonesty mentioned above. The faculty will also avoid, as far as practicable, academic procedures that create temptations to violate the Honor Code. On some occasions, teachers may ask students to write "AHC" (Academy Honor Code) on the heading of their assignments to remind them of the details and spirit of this honor code.

Please see the Discipline Section for information on how violations of the Academy Honor Code are addressed by teachers and the Headmaster. Since academic dishonesty is viewed as a serious offence, even first offenders may be punished with a suspension. The Academy Honor Code is typically reviewed in class with students during the first week of school each year.

*-Portions of this honor code are derived from the current Duke University and Stanford University honor codes.*

## Uniform and Dress Code

---

Great Hearts Lakeside has a primary objective of developing a "community of learners," dedicated to the highest standards of academics and deportment. As such, a distinctive uniform is a unifying factor within our school community. It is also a visible signature of our school to the larger community, an indicator of our unity and of our pride of purpose. This is one of the most important functions of a uniform: it identifies its wearer as part of a distinctive group with a distinctive purpose. It is a reminder to its wearer of that purpose and of one's responsibility to that group.

Our school is also committed to the development of individual personality and character—not through the external 'expressions' of dress and appearance, which can easily be purchased or affected, and which can quickly divide students through the power of snap judgments and prejudices—but through personal qualities, virtues, quirks and traits. It seems countercultural to assert this in our age, but the Academy holds that the school uniform is an essential condition for cultivating genuine individuality in the school community. It is not this or that particular element of the uniform that "matters" more than any of the others; rather, the uniform as a whole is what matters.

While students are responsible for their clothing and appearance, it is the parents who are responsible for providing the conditions required for meeting the standard, e.g., haircuts, proper shoes, shirts, skirts and pants that fit properly, etc. Parents are urged to understand the dress code and to ensure that their children go to school each day in the right attire from head to toe. It is an uncomfortable experience for a child to be corrected for a dress code violation, and repeated issues can become an enormous distraction for students.

The uniform is the basis of a dress code with a "professional," business-like standard. Our students should dress their best, look their best, and do their best. All uniform items must be clean, neat, reasonably pressed, and in properly fitting condition. If a child is deemed to be wearing attire that does not meet the standard, the parent will be notified, and a change of clothing may be required for attendance that day. If in doubt about an article of clothing, check with a school administrator before purchasing.

Decisions about apparel may be referred to the Headmaster whose judgment will be final. The school will make specific exceptions to the dress code as required by a particular religious custom or special needs (e.g., a medical condition); parents should address specific concerns with the administration before the second week of school, or as soon as possible in the case of an unforeseen situation.

**Students must stay in uniform whenever they are on campus (including the parking lot) during a school day.** This means arriving on campus fully in uniform and leaving campus fully in uniform (correct shoes, shirts tucked in, etc.). Students may only change out of uniform after school with teacher/coach permission to participate in an approved curricular or extracurricular activity that requires an immediate change in dress.

Parents must provide their student(s) with the required uniform, except in the case of economically disadvantaged students as provided in the Texas Education Code. The Academy may provide a uniform voucher for such students. If you would like to request financial assistance, please contact the GHLS Office Staff, at [info@greatheartslakeside.org](mailto:info@greatheartslakeside.org) for more information.

**Purchasing Note:** Some components of the uniform must be purchased from [Dennis Uniforms](#) or [Flynn O'Hara](#) whereas other items can be purchased from other vendors. Please see the note under each item.

Students must wear solid white, black, or Navy socks that are free of logos. Socks must be visible. No-show socks are not permitted. For girls, tights/knitted stockings, knee socks and fold-over socks (including the ruffle ones sold at Dennis/FlynnO'Hara) are acceptable. Socks must be solid white or Navy and free of logos and designs. Leggings are not acceptable under the uniform skirt.

**6-8 students** may wear either Keds School Days shoes (white and navy blue) or any all-white or all-black athletic shoe (no high-tops). Shoes may have laces (which must always be tied) Slip-on and Mary Jane style shoes are not acceptable. Students must wear solid white, black, or navy socks that are free of logos. Socks must be visible. No-show socks are not permitted. For girls, tights/knitted stockings, knee socks, fold-over socks and ankle socks (including the ruffle ones sold at Dennis/Flynn O'Hara) are acceptable. Leggings are not acceptable under the uniform skirt.

**Jewelry:** Girls may wear one pair of short earrings only on the ear lobes. "Short" means that the earrings should not hang more than 1/2 inch below the ear lobe. Large hoops or other dangling or distracting earrings are not permitted. Loops are not to be larger than the size of a nickel. No body-piercing jewelry except traditionally- located earrings will be permitted. One simple ring on each hand is permitted. One wrist bracelet, one watch (no Smartwatches permitted), and one small necklace are permissible. Only simple, fine-gauged, 16- to 20-inch, silver, or gold chain necklaces (with or without a pendant) are

permitted. The following will not be permitted: chokers, beaded necklaces (colored or otherwise), leather necklaces, shells, large or elaborate chain-link, and large or elaborate pendants (larger than an inch in length, width, or diameter). Boys may not wear earrings.

### **Makeup:**

**K-5 Students** Students in K-5 may not wear makeup. Fingernails may only be painted in light pink, clear, or beige. No shades of red, blue, green, yellow, purple or black are permissible, nor are glittered, speckled, or patterned nail polish.

**6-7 Students** Girls may wear subtle makeup only if it is applied tastefully and in moderation. Heavily lined eyes or gaudy lipstick, glittered or white powdered faces will not be permitted. Fingernails should not be excessively long or painted garishly. Fingernails may only be painted in light pink or beige. Tasteful French manicures are acceptable. No shades of red, blue, green, yellow, purple, or black are permissible, nor are glittered, speckled, or patterned nail polish.

**Hair:** Should be neatly combed or styled. Neat bows, barrettes, headbands, and “scrunchies” are permissible for girls. Hair should not be arranged or colored to draw undue attention to the student. Hair must be natural looking and conservative in its color (no bleaching or unnatural streaking/highlighting, no deep/bright reds or oranges, no artificial jet-black coloring, and no unnatural colors). Radical changes in hair color during the school year are unacceptable.

**Facial Hair:** Boys should be clean shaven daily. Beards and/or mustaches are prohibited. Noticeable facial hair such as “stubble,” “peach fuzz,” and “5 o’clock shadows” are not allowed.

**Outerwear:** Jackets and sweatshirts may be worn to school for warmth but must be free of logos and messages, with the following exceptions: small sports team logos (e.g., Cowboys, Rangers) and small brand name logos the Ralph Lauren “polo” are acceptable, provided they are tasteful and do not make inappropriate allusions. Students must store their jackets and sweatshirts their lockers by the start of first period. Jackets and sweatshirts may be worn during recess and other outdoor activities. However, students may wear their jackets and sweatshirts at lunch from Fall break (mid-October) to Spring break (mid-March) and, on rainy days, students may wear the aforementioned clothing during the day only outside the classroom. The Academy uniform sweaters may be worn throughout the school day all year long.

### **Additional Guidelines:**

- Hats and sunglasses may not be worn in the building.
- No tattoos, temporary or permanent are permitted. This prohibition includes pen and ink drawings on the skin.
- No oversized or baggy clothing will be permitted.

## **Dress Code for Special Events**

All shirts worn for special events should be modest, loose fitting, in good repair (no holes, torn sleeves, etc.), should be worn either tucked in or well over the waist of the pants/shorts if not tucked in. No midriffs may be shown. T-shirts are preferred—no tank tops, camisoles, or sports bras may be worn as outer garments. Sleeveless shirts may be worn if modest. Pants/shorts should be modest, in good repair (no holes, torn pant legs, etc.). Pants and shorts should be worn at the waist and should be no shorter than mid-thigh, and no-longer than just below the knee. No short-shorts or long baggy shorts may be worn. No boxers or undergarments may be visible.

## Concert Dress for Winter and Spring Concerts

Concerts are a significant moment in the life of the Academy when the community comes together in a corporate celebration of music. Performers are part of a choir or musical ensemble, and their membership is signified by the uniform they wear for this special event.

**Boys:** Black dress slacks, black leather (or synthetic leather) belt, white long-sleeved Oxford style shirt, solid-color tie of any color, black socks, black dress shoes.

**Girls:** Black bottoms, white tops, black dress shoes or dress sandals (no flip-flops, high heels, or boots). Dresses and skirts must be full (circle or a-line; not pencil or straight); hems may be no higher than the top of the knee. Tops must have sleeves; sleeveless tops must be covered by a white sweater. Slight heels are acceptable. Girls may choose (but are not required) to wear black or nude tights.

Option 1: Black skirt (knee length or longer) with a white blouse or sweater

Option 2: Black dress slacks with a white blouse or sweater

Option 3: Dress that is white on top and black on bottom

Option 4: All-black dress with white sweater.

## Athletics and Intramurals

Physical activity and friendly competition are important parts of Academy life. Performance and enjoyment of athletic events is greatly enhanced by functional attire that reflects the Academy's culture.

All shirts worn for athletic practices and field day should be loose-fitting, in good repair (no holes, torn sleeves, etc.), and should be worn either tucked in or well over the waist of the pants/shorts if not tucked in. No midriffs may be visible. Tank tops, camisoles, or sports bras may not be worn as outer garments.

Pants/shorts should be worn at the waist and provide for freedom of movement (neither excessively loose nor tight). Shorts should be no shorter than mid-thigh and no-longer than just below the knee. Pants/shorts should be in good repair (no holes, torn sleeves, etc.); no undergarments may be visible. If a player would like to wear spandex or compression pants or shorts, they must be covered by loose fitting athletic shorts.

Footwear should be athletic in nature: no sandals, open-toed, or platform shoes are permitted. Approved outerwear, including hats and sunglasses, may be worn according to Academy guidelines (see above). When appropriate, sunscreen may be used. All athletic attire should be free of logos and messages, except for GHLS and sports team logos (e.g., Lions, Mavericks), provided they do not detract from the Academy culture.

## Semi-Formal Events

There are specific, semi-formal dress requirements for special events, including periodic fine arts concerts and the end-of-year ceremonies (such as commencement and graduation). The semi-formal dress code for young men is as follows: dress slacks (no jeans or patched pocket pants), a dress shirt, tie, dress socks, dress shoes. Dyed/bleached hair or hats are not permitted. Hair should be trimmed and styled appropriately. The semi-formal dress code for the young ladies is as follows: modest-length skirts or dresses (no shorter than the uniform skirt); bare midriffs are not acceptable; ladies may not wear strapless, spaghetti-strap, or tank tops. Girls should wear dress shoes. Although dress sandals (open-toed dress shoes) may be worn, flip-flops or "Y" strapped shoes are not permitted. No dyed/bleached hair.

## **Student Social Life**

### **Young men and women**

Although the Academy does sponsor social events, these events should not be viewed as the promotion of romantic relationships between our young men and young women. The Academy believes that young men and women should be friends. We encourage their socializing together and the development of healthy relationships among them. Romantic relationships, on the other hand, can take up an enormous amount of the consciousness of young people. This absorption can be a direct challenge to focusing their consciousness on learning and thinking. This is why the Academy prohibits activity like holding hands, kissing, and other overt forms of romantic behavior among students while on campus and at all Academy-related events.

### **Guidelines for all Academy Social Activities**

Students **only** (no guests) will be allowed to attend school functions unless otherwise specified prior to the event. All school functions will be closed. No ‘in and out’ privileges. Entrances and exits will be monitored.

Dress code regulations for each function will be outlined prior to the function and will be enforced.

Vulgar, obscene, or profane language will not be tolerated. Respectful behavior will be expected:

All adults are treated with equal respect—DJ, chaperones, teachers, etc.

All fellow students will be treated with respect: no fighting, roughhousing, or bullying

All attendees will be respectful of the facility and the grounds.

Alcohol use or intoxication, tobacco, drug use (legal or illegal), and weapons are prohibited.

All behavioral/social guidelines outlined in the *Handbook* will be enforced as applicable. Chaperones/teachers may take actions they judge necessary to enforce these guidelines, up to and including removal of a student from the event. Parents will be notified if student is denied entry or ejected for violations.

Misconduct at a school-sponsored social event can result in disciplinary sanctions at school.

### **Community Service**

The Academy will sponsor voluntary involvement in a number of off-campus community service activities throughout the year. The school will offer an orientation for community service near the beginning of the year for all students who might want to participate. Parents and faculty are welcome to participate.

## Extra-Curricular Activities

---

We believe that students are happier and more successful at the Academy if they are involved in one or more of our extra-curricular activities. The creative and/or physical outlet provided by such participation promotes a well-balanced life. Extra-curricular participation also builds teamwork and school spirit among the community of learners. Still, we recognize that students must show a special commitment, especially for athletics, in attending events/practices/games and also completing homework. Nonetheless, some of our most accomplished students at our sister schools have professed that the discipline gathered from participation (in terms of time management and personal habits) has greatly helped their academic growth. At Lakeside, parents and students will be notified at the beginning of each semester regarding club offerings. We encourage the parents to work closely with the teachers and administration in supporting superb extra-curricular offerings for our young people.

### Participation

Participation in school extracurricular activities, both athletic and non-athletic, is a privilege and not a right. Students can be suspended from extracurricular activities for academic or behavioral reasons at any time by decision of the coach, the athletic director, or the school administration.

### Fees

Activities will require a fee for supplies, rented venues, and equipment and, for some time-intensive activities, to pay the coach/supervisor. All extra-curricular programs at the Academy are required to be self-supporting through income from fees and tax credits. The primary, academic budget of the school is not able to manage such costs. The Academy maintains an official extracurricular fee schedule, set annually and consistently throughout the Great Hearts network. **The fee for an extra-curricular activity must be paid prior to the student joining the team or activity, even for practice. The school is not able to carry balances for fees or manage payment plans by parents. The school, however, does take a credit card as a form of payment for fees.**

### Athletics

Athletics play an important role in the life of a school due to their inherent nobility and the communal spirit that accompanies them. It is important to recognize and reward athletic achievement in its physical component, and even more important to develop the integration of the person (body, intellect, will, and emotion) through sport. There are many virtues developed through athletics (self-discipline, solidarity, perseverance), and one we particularly aim for is the integration of the body with the faculties of the soul, the integration between persons enacted in the solidarity of a team, and the integration gained by the school community pulling itself together to support its students and its good name in the noble endeavor of athletic competition. The Academy supports the renewal and restoration of athletics according to its noble purpose as a fundamental aspect of the school community.

The Academy is committed to ordering athletics within the mission of the school and preventing the emergence of a “second culture” as is often seen at other schools. At the Academy, athletics does not exist as an island of its own, but as a noble enterprise that assists the Academy mission of developing students in character and wisdom.

### **Eligibility Requirements**

To be eligible for athletic activities at The Academy, the student must maintain passing grades in all subjects and must have displayed good behavior. If a student is found to be failing at the midpoint of a quarter, he or she will be notified and be put on probation. If the student does not achieve a passing score, he will be suspended from all the Academy's sports competitions for the first half of the following quarter, at which point the athlete's eligibility will be reviewed again.

Additionally, eligibility for participation in many school-related activities is governed by state law and rules of the Texas Charter School Association, a statewide association overseeing competition between charter schools, as well as the University Interscholastic League, the statewide public-school athletic association. Additional information regarding extracurricular activities, clubs, and organizations may be obtained from the Assistant Headmaster.

### **Physicals**

Parents of students on the Academy sports teams must submit a medical release form signed by themselves and the child's doctor. Forms may be picked up in the school office.

**Please note:** Sponsors of student clubs and performing groups such as the band, choir, drill and athletic teams may establish standards of behavior – including consequences for misbehavior – that are stricter than those for students in general. If a violation of organization rules is also a violation of school rules, the consequences specified by the Student Code of Conduct or by local policy will apply in addition to any consequences specified by the organization.

### **Community Investment and a Great Hearts Education**

#### **What is the Community Investment campaign?**

Great Hearts is committed to transforming students into leaders who are prepared for the 21st-century. We do this by teaching the skills necessary for success; the ability to innovate through creativity, the ability to communicate clearly, the ability to apply critical thought through analysis and questioning the world around us, and through building virtue and character in order to demonstrate ethical judgment and integrity. The unique Great Hearts educational model is made possible by the annual Community Investment campaign.

Charter schools are funded differently than district schools. The Community Investment campaign was created to help our schools cover the gap between what we need to deliver a top-tier education and what we receive through public funding.

Your Community Investment gift helps us pay, reward, and retain our excellent and dedicated faculty, so that we can continue to provide the full Great Hearts educational model to our students.

We ask each family to contribute to help cover the gap between what we need for our unique academic model and what we receive from public funding.

We recognize every family in our community has unique circumstances. **Every family's participation, at any level, is appreciated, and vital to supporting the teachers and educational priorities of our academy.**

## **APPENDIX B**

### **Sec. 3.10.1. BULLYING AND CYBERBULLYING PROHIBITED**

Great Hearts Lakeside prohibits bullying, as well as retaliation against anyone involved in the complaint process.

Bullying means a single significant act or a pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct that satisfies the applicability requirements provided by Section 3.10.2 below, and that;

1. Has the effect or will have the effect of physically harming a student, damaging a student’s property, or placing a student in reasonable fear of harm to the student’s person or of damage to the student’s property;
2. Is sufficiently severe, persistent, and pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student;
3. Materially and substantially disrupts the educational process or the orderly operation of a classroom or Great Hearts Lakeside; or
4. Infringes on the rights of the victim at school.

Bullying also includes cyberbullying, which means bullying done through the use of any electronic communication device, including through the use of a cellular or other type of telephone, a computer, a camera, electronic mail, instant messaging, text messaging, a social media application, an Internet website, or any other Internet-based communication tool.

### **Sec. 3.10.2. APPLICABILITY OF POLICY**

This Policy applies to:

1. Bullying that occurs on or is delivered to school property or to the site of a school-sponsored or school-related activity on or off school property;
2. Bullying that occurs on a publicly or privately-owned school bus or vehicle being used for transportation of students to or from school or a school-sponsored or school-related activity; and
3. Cyberbullying that occurs off school property or outside of a school-sponsored or school-related activity if the cyberbullying (i) interferes with a student’s educational opportunities or (ii) substantially disrupts the orderly operation of a classroom, Great Hearts Monte Vista South, or a school-sponsored or school-related activity.

### **Sec. 3.10.3. RETALIATION**

Great Hearts Lakeside prohibits retaliation against any person, including a victim, witness, or another person who, in good faith, provides information concerning an incident of bullying.

### **Sec. 3.10.4. REPORTING PROCEDURES**

Reports of bullying and/or cyberbullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. Reports should generally be made to the Principal or to a student’s teacher. Failure to immediately report may impair Great Hearts Lakeside’s ability to investigate and address the prohibited conduct.

Any Great Hearts Lakeside employee who suspects or receives notice that a student or group of students has or may have experienced bullying and/or cyberbullying shall immediately notify the Principal or designee.

A report may be made orally or in writing. The Principal or designee shall reduce any oral reports to written form. The Superintendent or designee shall develop a written form on which incidents of suspected bullying may be reported. The form shall allow for the anonymous submission of reports of suspected bullying.

#### **Sec. 3.10.4.1. False Claim**

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a Great Hearts Lakeside investigation regarding bullying and/or cyberbullying shall be subject to appropriate disciplinary action.

#### **Sec. 3.10.4.2. Notice to Parent or Guardian**

The Principal or designee shall provide notice of an incident of bullying to:

1. A parent or a guardian of the alleged victim on or before the third school day after the date the incident is reported; and
2. A parent or guardian of the alleged bully, within a reasonable amount of time after the incident.

#### **Sec. 3.10.5. INVESTIGATION OF REPORT**

The Principal shall determine whether the allegations in the report, if proven, would constitute prohibited discrimination and/or harassment, and if so proceed under Board Policy PG-XX (Freedom from Discrimination, Harassment, and Retaliation) instead.

The Principal or designee shall conduct an appropriate investigation based on the allegations in the report and shall take prompt interim action calculated to prevent bullying during the course of the investigation, if appropriate.

Absent extenuating circumstances, the investigation should be completed within ten Great Hearts Lakeside business days from the date of the initial report. However, the Principal or designee shall take additional time if necessary to complete a thorough investigation.

Following completion of the investigation, the Principal or designee will prepare a written decision regarding the complaint. If the results of an investigation indicate that bullying and/or cyberbullying occurred, Great Hearts Lakeside shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct in accordance with the Student Code of Conduct. Great Hearts Lakeside may take action based on the results of an investigation, even if Great Hearts Lakeside concludes that the conduct did not rise to the level of bullying and/or cyberbullying as defined in this policy.

Great Hearts Lakeside may not impose disciplinary measures on a student who, after an investigation, is found to be a victim of bullying on the basis of that student's use of reasonable self-defense in response to the bullying.

Discipline for bullying of a student with disabilities must comply with applicable requirements under federal law, including the Individuals with Disabilities Education Act.

#### **Sec. 3.10.5.1. Confidentiality**

To the greatest extent possible, Great Hearts Lakeside shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.

### **Sec. 3.10.5.2. Appeal**

A parent or student who is dissatisfied with the outcome of the investigation may appeal under Board Policy PG-3.XX (Parent and Student Complaints and Grievances).

### **Sec. 3.10.6. ASSISTANCE FROM PRINCIPAL**

Any student who feels that he or she may be the victim of bullying should contact the Principal to obtain assistance and intervention in response to the potential bullying.

The Principal or designee shall notify the victim, the student who engaged in bullying, and any student(s) who witnessed the bullying of available counseling options.

### **Sec. 3.10.7. ACCESS TO POLICY**

Information regarding this policy shall be distributed annually to Great Hearts Lakeside employees and included in the Student Handbook. Copies of the policy shall be readily available at each campus and the Great Hearts Lakeside administrative offices.

### **Sec. 3.10.8. REPORT TO LOCAL LAW ENFORCEMENT**

A Principal or the Principal's designee may make a report to local law enforcement officials if, after an investigation is completed, the Principal has reasonable grounds to believe that a student engaged in conduct that constitutes an offense under Section 22.01 (Assault) or 42.07(a)(7) (Harassment) of the Texas Penal Code.

A Principal's designee may include any employee under the supervision of the Principal, other than a school counselor.

A report to local law enforcement officials may include the name and address of each student the Principal or designee believes may have participated in the conduct.

## Notice and Agreement to Terms related to Distance Learning

At certain points during the year, Great Hearts students may have to participate in distance learning. In addition, throughout the academic year, Great Hearts students may choose to participate in the Distance Learning option.

### Consent to Use of Google and Visual/Audio Conferencing Services.

Under all scenarios involving distance learning, the use of different technology services and platforms is required. **Please review the required Notices and the Code of Ethics related to Distance Learning prior to committing to this option to make certain you and your student are comfortable with the terms and conditions associated with services such as Zoom and Google.** As part of the Handbook review and acceptance you will also be asked to consent to use of the services required for Distance Learning.

### No Hard Copy Packets.

There will be no hard copy packets provided for students enrolled in distance learning other than for students who require an alternative format as a reasonable accommodation. If your student is enrolled in distance learning and requires a reasonable accommodation for this method of instruction, please contact the Headmaster or Special Education Coordinator for the Academy.

### Great Hearts Policies Apply to Distance Learning.

All Academy Policies including specifically Code of Conduct and Disciplinary Consequences, shall apply to distance learning. Please also review the Academy Online Honor Code for Distance Learning.

### Specific Times to Move to Onsite Learning.

During times when traditional classroom instruction is occurring, Great Hearts is offering a distance learning option for the 2020-21 academic year. A student enrolled in the onsite classroom option may transition to distance learning at any time. However, and very importantly, *a student enrolled in the optional distance learning program may only change to onsite classroom instruction at the start of a new quarter.*

## **Notice Regarding Consent for Use of Google G Suite for Education Services and to Open a Student Account**

Great Hearts Academies (“Great Hearts”) uses G Suite for Education. *As the designated parent/guardian of a Great Hearts student we are seeking your permission to provide and manage a G Suite for Education account for your child.* Great Hearts students will use their G Suite accounts to complete assignments, communicate with their teachers, and watch asynchronous videos.

### **Background**

G Suite for Education is a set of education productivity tools from Google which offers two categories of Google services: **Core Services** (like Gmail, Drive, Calendar, and Classroom) and **Additional Services** (like YouTube, Maps, and Blogger). Additional Services are designed for consumer users and require parental/guardian consent for use by a minor. By providing consent to Additional Services you agree that a Great Hearts domain administrator may permit these services to be used with G Suite for Education accounts *for educational purposes*.

### **Services Available**

While some of the Core and Additional Services offered by Google will be turned off by Great Hearts, Great Hearts reserves the right to turn on any and all of the services for educational purposes, including Additional Service. It is possible that student users will be able to access these specific services:

**Core Services** offered by Google (described at [https://gsuite.google.com/terms/user\\_features.html](https://gsuite.google.com/terms/user_features.html)):

- Gmail
- Google+
- Calendar
- Chrome Sync
- Classroom
- Cloud Search
- Contacts
- Docs, Sheets, Slides, Forms
- Drive
- Groups
- Google Hangouts, Google Chat, Google Meet, Google Talk
- Jamboard
- Keep
- Sites
- Vault

### **Additional Services**

- YouTube
- Swivl
- *Additional Services require consent for minor users*: G Suite for Education requires that schools obtain parent or guardian consent for any Additional Services they allow students under the age of 18 to use.

### **Information Regarding Use of Data**

As part of our request for your consent to use Google for educational purposes we ask that you carefully review **Google’s G Suite for Education Privacy Notice, linked here.**

Parents can also visit [myaccount.google.com](https://myaccount.google.com) while signed in to their child's G Suite for Education account to view and manage the personal information and settings of the account.

*Please be advised that Great Hearts does not and cannot control Google's behavior or policies.*

## **Addendum to Notice Regarding to Use Google Services/Open Student Account**

In the interests of transparency and to provide information to inform you decisions, below are Google's answers to some common questions as well as Google provided links to information about their services and privacy protocols. *Great Hearts does not and cannot control or direct Google's compliance with policies or protocol.*

### **What personal information does Google collect?**

When creating a student account, schools may provide Google with certain personal information about the student, including, for example, a name, email address, and password. Google may also collect personal information directly from students, such as telephone number for account recovery or a profile photo added to the G Suite for Education account.

When a student uses Google services, Google also collects information based on the use of those services. This includes:

- device information, such as the hardware model, operating system version, unique device identifiers, and mobile network information including phone number;
- log information, including details of how a user used Google services, device event information, and the user's Internet protocol (IP) address;
- location information, as determined by various technologies including IP address, GPS, and other sensors;
- unique application numbers, such as application version number; and
- cookies or similar technologies which are used to collect and store information about a browser or device, such as preferred language and other settings.

### **How does Google use this information?**

In G Suite for Education Core Services, Google uses student personal information to provide, maintain, and protect the services. Google does not serve ads in the Core Services or use personal information collected in the Core Services for advertising purposes.

*However, in Google Additional Services, Google uses the information collected from all Additional Services to provide, maintain, protect and improve them, to develop new ones, and to protect Google and its users. Google may also use this information to offer tailored content, such as more relevant search results. Google may combine personal information from one service with information, including personal information, from other Google services.*

### **Does Google use student personal information for users in K-12 schools to target advertising?**

*No. For G Suite for Education users in primary and secondary (K-12) schools, Google does not use any user personal information (or any information associated with an G Suite for Education Account) to target ads, whether in Core Services or in other Additional Services accessed while using an G Suite for Education account.*

### **Can my child share information with others using the G Suite for Education account?**

**Students with access to Google services such as Google Docs and Sites** include features where users can share information with others or publicly. *When users share information publicly, it may be indexable by search engines, including Google.*

### **Will Google disclose my child's personal information?**

Google will not share personal information with companies, organizations and individuals outside of Google *unless one of the following circumstances applies:*

- *With parental or guardian consent.* Google will share personal information with companies, organizations or individuals outside of Google when it has parents' consent (for users below the age of consent), *which may be obtained through G Suite for Education schools.*
- With G Suite for Education accounts, because they are school-managed accounts, to give administrators access to information stored in them.
- *For external processing.* Google may provide personal information to affiliates or other trusted businesses or persons to process it for Google, based on Google's instructions and in compliance with the G Suite for Education privacy notice and any other appropriate confidentiality and security measures.
- *For legal reasons.* Google will share personal information with companies, organizations or individuals outside of Google if it has a good-faith belief that access, use, preservation or disclosure of the information is reasonably necessary to:
  - meet any applicable law, regulation, legal process or enforceable governmental request.
  - enforce applicable Terms of Service, including investigation of potential violations.
  - detect, prevent, or otherwise address fraud, security or technical issues.
  - protect against harm to the rights, property or safety of Google, Google users or the public as required or permitted by law.

*Google also shares non-personal information -- such as trends about the use of its services -- publicly and with its partners.*

### **What choices do I have as a parent or guardian?**

#### **1. You can consent to the collection and use of your child's information by Google.**

If you consent to your child's use of G Suite for Education, you can access or request deletion of your child's G Suite for Education account by contacting Great Hearts. If you wish to stop any further collection or use of your child's information, you can request that we use the service controls available to limit your child's access to features or services, or delete your child's account entirely. You and your child can also visit <https://myaccount.google.com> while signed in to the G Suite for Education account to view and manage the personal information and settings of the account.

#### **2. If you don't provide your consent, we will not create a G Suite for Education account for your child, and Google will not collect or use your child's information as described above.**

### **Additional Resources for Parents and Guardians**

[G Suite for Education Privacy Notice](#) describes how Google products and services collect and use information when used with G Suite for Education accounts.

Information about the [legal commitments Google makes for G Suite for Education Core and Additional Services](#) is available in our Help Center

Information about how Google's products work to protect privacy is available in our [Product Privacy Guide](#) and at [privacy.google.com](https://privacy.google.com). Note that Google does not use any user personal information (or any information associated with an G Suite for Education Account) to target ads for G Suite for Education users in primary and secondary (K–12) schools, *and any statements about ads on those pages are overridden by this restriction from our [Privacy Notice](#).*

## **NOTICE REGARDING CONSENT FOR USE OF VISUAL/AUDIO CONFERENCING FOR EDUCATIONAL PURPOSES**

Great Hearts Academies (“Great Hearts”) will be offering a remote learning option for students during academic year 2020-2021. In order to participate in remote learning, students will need to use online platforms such as ZOOM, Microsoft Teams, and Google Hangouts/Meets for video/audio conferencing to access curriculum, to participate in classroom instruction and tutoring, and also to access recorded presentations and classroom sessions. These online conference service will be used by Great Hearts for instructional purposes only.

In order for your student to use any audio/visual conference platform, and to comply with the Children’s Online Privacy Protection Act (COPPA) and other related laws, Great Hearts requires written consent from parents/guardians for their students to use the conferencing services. *Please note this consent is separate from and in addition to the consent to use Google G Education Suite Activities.*

### **Options to Limit Visibility or Audio**

During a conference using Zoom, Microsoft Teams, or Google Hangouts/Meets students may be visible/audible to other participants (students and Great Hearts staff) in the conference session. It is also possible that others in the student’s households may see or hear the participants and that other persons at the staff’s residence may see or hear the student participants. You and your student may choose options within Zoom, Microsoft Teams, or Google Hangouts/Meet to limit this possibility. If you and/or your student do not wish to share their camera and/or their audio capabilities, you or the student may turn them off and simply attend the online lesson as a viewer.

### **Academy Policies and Code of Conduct Apply**

For the duration of any video/audio conference, participants are expected to act in a school-appropriate manner. Regular Academy rules, policies, Code of Conduct and consequences will apply. In the event of inappropriate behavior, a student may be removed from a conference.

### **Passwords and Meeting Security**

Minors are not permitted to create an account per Zoom and other platforms’ Terms of Service. Therefore, students under the age of 18 should *only* be joining visual/audio conferencing meetings as participants (not separate account holders) through the Great Hearts Academies educational account. The Great Hearts’ account administrators and/or teachers will provide meeting information and meeting passwords to the student users to allow the Academy staff to maintain supervision and control over its student users’ meeting experiences. Meeting invitations, information and passwords should not be shared.

### **Data Collection**

All visual/audio conference services collect certain data from users. The information collected related to student use is more limited than for commercial users, but data is still subject to collection. As an example of the type of information collected by visual/audionconferencing services, a summary of Zoom’s data collection as provided by Zoom, is attached as an Addendum to this Notice. Please review the material carefully. If a Student User or their parent/guardian would like to request to access, review, refuse further collection of or delete a Student User’s personal information, they must contact their Academy Headmaster in writing to initiate a request with Zoom or similar service provider. These services delete information associated with K-12 Accounts upon receiving a valid deletion request from a School Subscriber

or automatically following the termination of the K-12 Account. K-12 Account users may access or request deletion of their personal information in the manner set forth in each services' Privacy statement which can be found online. Additional information available at <https://zoom.us/privacy>.

**As part of the Family Handbook review and acceptance of the Family Handbook, you will be asked to sign a Consent to allow your student to use the visual/audio conferencing service. If you have any questions after reviewing the materials, please contact the Academy Headmaster.**

## ZOOM INFORMATION REGARDING K-12 SCHOOLS PRIVACY INFORMATION

The full ZOOM Statement is available at <https://zoom.us/privacy>.  
Last updated: July 2020

### Zoom

**Zoom provides a video communications platform to K-12 Account Users on behalf of and at the direction of the School Subscriber.** For purposes of FERPA, Zoom is considered a “school official” and may receive Student User personal information through its contractual agreements because Zoom is performing a service that furthers a “legitimate educational interest” (i.e., the provision of educational services in a remote setting). Zoom maintains Student User personal information on behalf of, and at the direction of, the School Subscriber and does not use the Student User personal information for other purposes except as permitted by applicable law, including FERPA and applicable agreements with School Subscribers.

Zoom is responsible for following the directions of the School Subscriber. For example, on a School Subscriber’s instructions, Zoom may provide reports containing personal information relating to the K-12 Account and its users (including Student Users) to that School Subscriber. Please visit our [Zoom and FERPA Compliance](#) webpage for additional information.

Residents of the European Economic Area (EEA) and the UK should review our [Privacy Statement](#) for additional information regarding how Zoom addresses European privacy rights.

### Information ZOOM Data Collection

#### From the K-12 Account User

When creating a K-12 Account under the direction of a School Subscriber, the K-12 Account User must provide certain information, such as:

- K-12 Account User’s first and last name;
- school or district name;
- job title;
- password;
- school-issued e-mail address; and
- information about the school’s location.

#### From Student Users

Zoom may receive personal information contained in “Customer Content.” Customer Content is any data a K-12 Account User uploads to the Zoom communication platform connected with use of the Service. For example, features that allow meeting hosts or co-hosts to record meetings locally or to Zoom’s cloud, allow K-12 Account Users to display or upload information that may be seen by other users of that K-12 Account, allow meeting participants to share files, allow hosts or co-hosts to create meeting transcripts, or allow meeting participants (including Student Users) to communicate in-meeting via chat and create chat logs. *Such Customer Content may include personal information that is part of an “educational record” as defined by FERPA. Zoom accesses Customer Content only upon the documented request of a School Subscriber, or if required by law.*

#### Automatically Collected Information

Zoom collects certain personal information automatically through the use of a K-12 Account including:

- Information about the use of the Zoom platform, including type and frequency of actions taken, number of logs-in or meeting entries, date and time, duration, quantity, quality, network connectivity, other platform performance metrics, and feature usage information, including use of video and screen sharing; and
- Information about a user's device, network, and internet connection, such as IP address(es), MAC address, other device ID, device type, operating system type and version, type of camera, microphone and speaker, and client version.

### Use of Personal Information

Zoom uses personal information collected from and about Student Users only as needed to deliver the functionality of the Zoom platform, operate the business (including to enhance or improve the Zoom Services), and as directed by School Subscribers. For Student Users, this means that:

- Zoom never sells Student User personal information
- Zoom does not use Student User personal information to deliver behavioral advertising.
- There are no third-party advertising or analytics cookies on Zoom's product pages.

Regarding cookies, Zoom publishes two types of webpages: product and marketing. A product webpage enables a Student User to click on a hyperlink and join a Zoom meeting. Zoom's product webpages serve only third-party cookies that are necessary for technical support and to deliver the service. There are no advertising or analytics cookies on our product webpages.

Marketing webpages, such as [www.zoom.us](http://www.zoom.us), are designed to encourage sales of Zoom subscriptions. They are directed at a general audience over the age of 16. We designed the Student User experience so that a Student User never needs to visit our marketing webpages to use our Services under a K-12 Account. Zoom provides further information on its use of third-party cookies on its marketing webpages in its [cookie policy](#).

### Sharing Personal Information

*We do not share personal information with companies, organizations, or individuals outside of Zoom unless one of the following circumstances applies:*

- With Consent.
- We will share personal information with companies, organizations, or individuals outside of Zoom when we have K-12 Account User consent (as applicable) and in compliance with applicable laws (including FERPA as applicable).
- With or As Directed by School Subscribers.

School Subscribers have access to personal information (including Student User information) connected with their K-12 Account(s). School Subscribers may also direct us to share personal information with others.

### To Provide ZOOM Services

*ZOOM provides personal information to third-party service providers to help us provide the Service. Such service providers are prohibited from using personal information for any reason other than to provide the contracted-for services, and in compliance with appropriate privacy and security obligations.*

### With Other Meeting Participants

ZOOM may share personal information collected during a Zoom meeting with other participants of the same meeting during the use of the Service. *For example, video and audio recordings, chat messages and other content shared by a Student User during a meeting, which*

may contain personal information of Student Users, may be available to all other participants in that meeting, as well as to any K-12 Account Users who host or co-host that meeting and the K-12 Account Administrator.

### For Certain Corporate Transactions

ZOOM may share personal information where, whether for strategic or other business reasons, ZOOM decides to sell, buy, merge, or otherwise reorganize its businesses. In such transactions, ZOOM may disclose or transfer personal information to actual purchasers or receive personal information from sellers. Student User personal information will remain subject to this K-12 Privacy Statement unless it is changed by a successor entity.

### For Legal Reasons

ZOOM shares personal information outside of Zoom if ZOOM believes that access, use, preservation or disclosure of the information is reasonably necessary to:

- comply with any applicable law, regulation, legal process or enforceable governmental request.
- enforce applicable provisions of the [Terms of Service](#) and [Acceptable Use Policy](#), including investigation of potential violations.
- detect, prevent, or otherwise address fraud, security or technical issues.
- protect against harm to the rights, property or safety of Zoom, our users or the public as required or permitted by law, including to help prevent the loss of life or serious injury of anyone.

For more information about data ZOOM discloses in response to requests from law enforcement and other government agencies, please see our [Guidelines for Government Requests](#).

### Third Parties

Zoom does not share personal information with third parties other than as described herein, or as required by law, except at the direction and on behalf of a School Subscriber.

### Security

Maintaining the confidentiality, security, and integrity of students' personal information is a top priority. ZOOM uses appropriate technical and organizational measures designed to help protect personal information from unauthorized access, use, or disclosure. Customer Content is encrypted in transit between any devices running a Zoom client and at rest when in permanent storage in the Zoom Cloud. ZOOM has also taken steps to minimize the risk that meetings that include Student Users are not disrupted by uninvited participants. Examples include enabling meeting passwords and virtual waiting rooms by default for K-12 Accounts and configuring default screen-share settings to limit in-meeting content sharing. For guidance on how to secure virtual classrooms, please review "[Best Practices for Securing Your Classroom](#)" and "[How to Keep Uninvited Guests Out of Your Zoom Event](#)."

### Report a User

All K-12 Accounts have the "Report a User" feature enabled by default. The "Report a User" feature is available to the meeting host or co-host via the Security icon on the meeting taskbar. If an unwelcome participant joins the meeting, the host or co-host can select "Report a User," which automatically takes a screenshot of the reported user(s) and their shared content (if any) and creates a report. The feature then sends the report to Zoom's Trust & Safety Team. A member of the Trust & Safety Team will review the report and investigate the reported user(s)

for violation of our Terms of Service. Confirmed offending users will have their accounts terminated, and, where appropriate, we will notify relevant law enforcement authorities.

### Data Retention

Zoom retains K-12 Account Users' and Student Users' personal information for as long as necessary to fulfill the purposes for which it was collected, including for the purposes of satisfying any legal, accounting, or reporting requirements, to establish or defend legal claims, or for fraud prevention purposes.

### Access and deletion of information

If a Student User or their parent would like to request to access, review, refuse further collection of or delete a Student User's personal information, they must contact their school subscriber with his or her request. **Because Zoom is required to comply with contractual confidentiality obligations related to Student Users' data, we are not able to respond to parental or student requests directly.**

**School Subscribers** may direct requests to access, delete or restrict further collection or use of a Student User's personal information to [privacy@zoom.us](mailto:privacy@zoom.us). Zoom also deletes information associated with K-12 Accounts upon receiving a valid deletion request from a School Subscriber or automatically following the termination of the K-12 Account. K-12 Account Users can delete their content

K-12 Account Users may access or request deletion of their personal information in the same manner as set forth in our [Privacy Statement](#).

### Additional Rights of California and European Users

If you are a resident of the State of California or the European Users, please refer to our [Privacy Statement](#) and our California Privacy Rights Statement for additional information on the rights that you may have and how you can exercise those rights.

# HANDBOOK ACKNOWLEDGMENT PAGE 2022-2023

A number of Notices and Consents are required to allow your minor student to use online services such as Google G Suits for Education and visual/audio conferencing services such as Zoom and Microsoft Teams. These services are required for distance learning and also allow the student to access recorded classroom and educational sessions. The Notices and Service provider FAQs related to data collected by these types of service providers are contained in the previous pages of this Handbook.

By signing below, you indicate that you have received, reviewed, understand, and accept the Family Handbook.

By signing to accept the Handbook, you specifically acknowledge that you have reviewed the Google Notice, the Visual/Audio Conferencing Notice and related materials and understand and consent to allow your student to use these services. You further acknowledge and agree that the use of the services is a requirement for distance learning and that your student may not adequately participate in any distance learning, including the distance learning scheduled for all students including those enrolled for traditional on site classes during any Great Hearts or state directed school closure, without use of these services.
