Plan for the cost of
college with FACTS
not assumptions!

HERE IS WHAT YOU WILL LEARN:

- **The total cost of college**
It's not just the expense of tuition...
- **Every family will pay something for college– what will college cost you?**
Understand the formulas used to determine how much you are expected to pay.
- **Financial Aid**
What is it and how do you get it.
- **FAFSA and CSS/Profile**
Updated FAFSA 2025/26 college school year. What's new?
- **Common mistakes that cost you money**
You CAN lower the total cost of college.
- **Steps to Success**

COMPLEMENTARY COLLEGE FUNDING MEETING

All families who attend the workshop will be eligible for a College Financial Planning Consultation: a 50 minute, complementary, planning and strategy meeting. Understand your Best Plan to save and pay for college and protect your retirement.
