## **Teacher Spotlight**

### **Debbie Baptiste** **Latin and Chess Teacher**

My name Debbie Baptiste, and I received my Bachelor of Arts degree in the Classical Liberal Arts from The College of St. Thomas More in Fort Worth, Texas. I learned about Great Hearts several years ago when a few colleagues began teaching at Great Hearts Arizona. I had been teaching Latin for many years at a local classical school until last year, when I joined the faculty of Great Hearts Irving. I love that even though these are relatively large schools, each student is known, loved, and respected. I am also struck by the care and attention the school's administration takes in in working for the best outcome for students.

I have been taken with classical education ever since friends dragged me to one conference after another in the late 90's. After more than fifteen years in the field, I am still excited to be a part of it. At Great Hearts Lakeside, I will be the Latin and Chess teacher. I love teaching Latin! I am also excited about teaching chess. It is an ancient game with the highest pedigree, but it is also a game for everyone.

My favorite things to do outside of school are walking and hiking, amateur bird watching, singing in choir, yoga, reading, and I am always working at playing the piano.

There is so much about this world that beautiful. I try to imbibe some of it each day--whether it is watching the woodpecker dart around the oak tree outside my window, or observing wildflowers blossoming on my commute--beauty is all around us. I see truth and goodness working in tandem as I teach. Teaching Latin also involves examining the lives and customs of the ancients. We get to examine the truths that are universal, and goodness that is transcendent of time or place.

### **Courtney McCartney** **Third Grade Team Lead Teacher**

My name is Courtney McCartney and I am the Third Grade Team Lead for Great

Hearts Lakeside! I graduated from California State University, Sacramento with a bachelor's degree in Child Development. A couple of years ago, I moved from California to San Antonio with my family and shortly after I earned my Teaching Certification through Texas Teachers. Teaching has always been something I knew I would pursue and I feel so lucky to have learned about Great Hearts through my father's colleague.

I started with Great Hearts Monte Vista South as a Second Grade Lead during the second half of the 2017-2018 school year. The next year, I moved up to be a Third Grade Lead and was awarded 2018-2019 Teacher of the Year. I truly believe in the philosophy here at Great Hearts. Through the pursuit of Truth, Goodness, and Beauty our students are preparing for their bright future as productive citizens.

Outside of school, I enjoy spending time with friends and family, I also love hiking in the beautiful outdoors, painting abstract acrylic art, and going to sporting events. Making the move from San Antonio to the Dallas/Fort Worth area will be an exciting adventure!

## Jensine Caranto

### Kindergarten-2nd Grade Music Teacher

My name is Jensine Caranto and I am a music teacher in my fourth year with Great Hearts Academies. I earned my Master's in Vocal Performance at the University of Texas at Austin and then began teaching at Great Hearts Northern Oaks in San Antonio, where I worked for three years before moving to Great Hearts Irving. I am very excited to be part of the founding faculty of Great Hearts Lakeside as the K-2 music teacher!

I first heard about Great Hearts through a friend from college who was teaching at the Northern Oaks campus. When I learned that the school upholds the pursuit of Truth, Beauty, and Goodness, I thought it was too good to be true. However, in my years of working at different Great Hearts campuses, I've seen that this is indeed the case! What I love about teaching music at Great Hearts is that, not only do we believe that students learn best by experiencing the "things" themselves - in my case, music through singing, movement, and performance - but we also have the opportunity to teach them how to be great-hearted people with virtues such as honesty, responsibility, and integrity, just to name a few!

In my spare time, I enjoy reading, learning languages, running and playing sports, and most recently, knitting! I am also working towards certification in the Kodaly approach of teaching music.

There are available spots and our wait-list is always in motion.

If you are the referring parent, please send an e-mail to [info@greatheartslakeside.org](mailto:info@greatheartslakeside.org) that includes the name of the scholar and parent you referred. When the registration for the student you referred has been completed, your name will be entered into the drawing.

## Community Investment Program

### **Why do we ask you to consider a donation to the Community Investment Program?**

Did you know that charter schools do not receive local taxes or state funding for school facilities, resulting in a **\$1,700 gap** between what the state provides and what we need to ensure faculty and scholars learn and thrive.

### **Where will your contribution go?**

**100%** of your contribution will stay at Great Hearts Lakeside to support the core priorities of our academic model.

### **What does Great Hearts ask each family to give?**

Anything you can! From \$10 a month to \$1,000 a month, **every single dollar** makes a difference in the life of Great Hearts Lakeside.
