

## Asthma Inhalers at School

### Memorandum to Parents

So that I may provide the best care for your child, please complete the attached form and return to me. If any changes occur during the year, please notify me.

**Option# 1** The student comes to the Nurse Clinic where the inhaler is kept and uses it under supervision. The advantage is that the medication will be used correctly, in the proper amount, and records will be kept.

**Option# 2** *Qualified* students will be allowed to carry their inhalers. This provides immediate accessibility of the inhaler to the student. A spare inhaler provided by the parent can be kept in the Nurse clinic should they forget theirs or run out.
